

OLYMPIA YACHT CLUB

March 2014

Commodore

Captain Jeff Pape
First Mate Debra Pape
M/V Papa's Dream

March is here!

That means the days are getting longer, the weather is slowly changing for the better and it is time for our boating calendar to fill up.

Our boat show new member recruiting effort was a tremendous success and we will be voting in record numbers of new members for the next few months. Our open slips should be nearing capacity and there are several new members interested in purchasing boat houses. A big win for our club!

New members, a freshly dredged basin, and a piling replacement project this summer. It is going to be a great year to be a member at OYC!!!

Lastly, we still need that lucky member to step up and serve as our new Rear Commodore! You won't regret it!

Commodore Jeff Pape
1st Mate Debra
M/V Papa's Dream

Vice Commodore

Vice Commodore Myra Downing
Captain Joe Downing
S/V Vintage

Hello,

This has been an amazing month for our club. It began with a delightful time at Island Home dressed as a woman from the 50's with a handsome suitor. Yes, it was the Valentine's Day Cruise. Gary and Deb Waldherr and their crew pulled off a wonderful event. They even created an OYC version of the Newlywed (really "very wed") Game.

The other event for February was our "Boat Show Special" that turned out to be an extremely positive experience for OYC. Once our Board announced the special, the interest erupted! Bill Wilmovsky and his committee probably had one of their busiest months. Special thanks to him and Bob Wolf for all the work they did pulling this off. You'll get a sense of all of this at our dinner meeting when many of the folks will be there to meet you.

What is most important though is that, with our wonderful special, it showed that people were ready and waiting to join our fabulous club. It reminded me of how lucky I am to be a member of OYC. We are such a welcoming community. The people who have submitted applications for membership are excited and want to get involved in our activities and in promoting boating in the Puget Sound. I know you are going to enjoy getting to know them as much as I have.

On a side note, I discovered Pleasant Harbor at the Boat Show. If you are asking what is "Pleasant Harbor?", then I have some very good news for you. If you know how to get to Port Ludlow, then you can find Pleasant Harbor. And, when you find Pleasant Harbor, you will learn that as part of your moorage, you have access to a swimming pool AND a hot tub! The moorage masters are really cool, too.

On a last note, the TYC Daffodil Festival is coming up and I hope you are planning on attending. We have some grand plans, and you'll enjoy being a part of them – I guarantee. Registration is on the TYC website. More details and call for volunteers at the next dinner meeting. Or, call me personally.

Safe winds to you,
Myra & Joe Downing
Vice Commodore and Captain

Hello, I'm sitting on the boat at the Valentine's Day cruise in the rain. Looking forward to seeing everyone and enjoying the cruise, but also wishing winter would end soon, as I'm sure all of you are, too. We have no control over that, but what we do have control over are the club functions that we attend. It is important that all of us participate in as many events as we can, especially now with all of the new members coming aboard. So, introduce yourself and welcome them aboard at all of our events.

In March we only have two functions, starting with the monthly dinner meeting on Wednesday March 5th at 6:00 PM at the clubhouse. The menu is: bruschetta salad, bread sticks, Tuscan herbed chicken with pasta al pesto and lemon cream cake for desert. The weekend of the March 15th and 16, our fleet captain power, Gary Waldherr is putting on another great poker cruise at Inland Home. There are no reservations required, so come as you are and enjoy a fun filled weekend of poker.

I need to do a small bit of housekeeping as far as dinner meeting reservations and cancellations are concerned. Because our caterers need an accurate final count by Monday at 12:00PM before the dinner meeting I will be closing dinner reservations and cancellations as of 12:00 PM on Monday before the meeting. I hope this does not cause problems for anyone. So get your reservations in early.

See you at the future functions and on the water!

Rear Commodore Mike Phillips
First Mate Patti Phillips

Thank you for all who came to the Valentine's Day Cruise. We had a wonderful time, and hope you all did, too. A special thank you to the committee and all participants for this event.

Next up is the Poker Cruise, March 15th. This is a free event with beer, wine and chili provided on Saturday. \$25.00 buy in on Saturday for the big

game, all monies paid out. There will be numerous side games at \$5.00 each. If you don't want to play poker (Texas hold'em) that's okay, we'd still love to see you. We will do no-host appetizers on Friday night.

Hope you can all attend.

For all you new incoming members, we still have openings available on the best yacht committee in Puget Sound...No kidding, it's a fun time. Join the Fleet Captain Power Team.

South Sound Opening Day will be on May 10th, with a boat parade, breakfast, bbq and fun activities, so put that on your calendar. We always need help with that event, so please contact me if you are interested in joining in.

TGIF

Thank Goodness it's **Friday!**

Upcoming TGIF parties:

February 28th at 5:00

March 28th at 5:00

at the Mainstation—\$5/person

No reservations

necessary

Board of Trustees

George Smith, Chair

M/V Aventura

The dredge is over! It was a pleasure working with the team from Skillings Connolly and Pacific Pile & Marine. Caleb Stromstead and Jim Skinner did an excellent job of protecting our interests and making sure that the contract was being followed as written. It is unfortunate that we have a broken pile, but the issue is being handled and we should have it resolved in the very near future. As of now, a major portion of the guest dock is closed until the pile is replaced. Next on the agenda is the pile replacement. Hopefully it will be going out to bid in the near future.

The membership drive at the Seattle Boat Show went very well. Thank you to all the volunteers who donated their time to man the booth and promote OYC. As of this writing we have approximately 27 new member applicants to be voted on at the March dinner meeting. Hopefully this will fill our vacant slips and the basin will be full once again.

By now you may have heard about the devastating fire at the Shelter Bay Marina. This is a reminder that we all need to check our boats for any fire hazards and make sure your fire extinguishers are up to date and in working order.

Government Affairs

Gary Ball, Chair

The Olympia Waterfront Reception was held on February 19th at our Olympia Yacht Club. The purpose was to educate legislators on the importance of preserving Capital Lake and the quality of Budd Inlet. We were pleased to welcome 26 legislators and numerous aides to the reception, as well as representatives from several Ports, and Mayor's offices. The keynote speaker was "The Boat Guy", Chip Hanauer, who gave us some perspective on how fortunate we are to live on this glorious Puget Sound and just how important it is to care for it. Our own John DeMeyer spoke of the necessity of dredging of the lake and what it means to Budd Inlet. They were joined by several legislators who added to our cause.

The event was sponsored by the Olympia Yacht Club, Northwest Marine Trade Association, and the Recreational Boating Association of Washington. Our Yacht Club was well represented as well as the other sponsors. Many thanks go to Carol Robinson and her crew for, once again, doing a wonderful job on the appetizers. A special thanks to Susie and Lee Reaves (OYC's lobbyist) for extending personal invitations and "working the crowd". Thanks to all the other OYC members who made this a success.

This event gives the club the opportunity to thank the folks who have listened to our concerns and creates the opportunity to open new doors. This is the eighth year that the club has sponsored this event and it has gotten better every year.

Past Commodore

IPC Mike Contris
First Mate Yvonne Contris
M/V Maya

Well, here we are at the crunch point for the nominations to fill the remaining open positions on our bridge.

We're still looking for a Fleet Captain Power, Secretary, and Rear Commodore. These positions have the following responsibilities and impacts:

Fleet Captain Power: puts on several events each year, including Oktoberfest, Halloween and the Valentine's Day cruises. The Waldherrs have a committee in place who has helped them with these events and are ready to step up and help the new FCP. Obviously, without someone to fill the position, it will be very difficult to put on these events as we have in the past.

Secretary: takes notes at the business meetings and Board of Trustee meetings. These notes are the official record of those events and any bylaw or rules changes. Sue Wise has offered to provide help to the new Secretary, so the candidate will not be on their own. The Secretary also votes at the BOT meeting, drafts letters to the members as directed by the BOT, and helps put on the annual election of officers. Since we operate under Robert's Rules of Orders, we can't have an official meeting without someone taking the notes.

Rear Commodore: helps run the club, puts on several events for the club, such as New Year's Eve and arranges the monthly dinner meetings, including planning the menus with Pellegrino's help. There is considerable documentation on this and all of the other bridge positions, plus the candidate can depend on receiving the support of the current bridge and the recent Past Commodores in their performance. As someone who was nervous about taking on the RC position, this proved to be of profound help to Vonnie and me. Without someone in this position we'll not have a representative to the other Grand 14 clubs, a very embarrassing outcome for the bridge and our club, and it will be very difficult to put on the dinner meetings and the events for which the RC is responsible.

Please give yourself the time to consider offering your support for these offices; they are critical to our club's ongoing health and can be of great personal satisfaction to the member who accepts them.

IPC Mike Contris
M/V Maya

Anchorettes

Dorrie Carr, President

SAVE THE DATE: April 17, 2014. That is the date for our WIC Luncheon at the Olympia Yacht Club. This year we are using a "crab" theme. Make sure that date gets on your calendar because we would like to have a really good attendance by our own yacht club spouses. And if anyone is interested in attending one of our meetings, please contact me and I will let you know when the next meeting is being held.

Dorrie Carr, President

Womens' Interclub Council

Kim Shann, Representative

First and foremost is our own Olympia Yacht Club Women's Interclub luncheon to be held in our clubhouse on April 17th, 2014, third Thursday.

- Social time 11:00AM
- Lunch to be served 12:00PM
- Program at 1:00PM and closing time 2:00PM

It is highly recommended that our own ladies participate by attending our own luncheon.

\$14.00 per person for a wonderful lunch of crab, green beans, coleslaw, and a delicious lemon dessert. Price also includes wine and the program.

There will be raffle tickets to purchase for drawings of many lovely baskets.

Please contact Kim Shann 491-3786 or Phyllis DeTray 491-1188 to make your reservations now.

In March we have a WIC luncheon at Bremerton Yacht Club. March 13th, 2014 on Thursday.

Again, it is important for OYC ladies to attend these other Grand 14 luncheons.

Here we will be celebrating the "IDES OF MARCH".

\$14.00 per person.

- Social 11:00AM
- Lunch 12:00PM
- Program 1:00PM

Please contact Kim Shann 491-3786

Island Home

Gary Gronley, Chair

Spring is just around the corner and the Island Home committee is currently discussing some projects for our work party.

This year we will not have as many projects to do as we had last year. Most of our projects can be accomplished with our committee members, so we will require a lot fewer helpers this spring. We have scheduled Saturday, April 26th to be our first work party day for the year. We do have several projects that will be scheduled later when we can expect to have better weather.

To be considered for the work party you will need to sign-in on the sheet in the Mainstation, or email me at: gronley_ga@comcast.net Be sure to include your phone number so I can contact you.

See you on the Island,
47° 14.048 N
122° 56.128 W

Gary Gronley
M/V *Our Adventure*

Sunshine Committee

Barbara Naronick-Neuhauser, Chair

- Flowers and card sent to Richard Elliott family at his passing
- Speedy recovery flowers and card sent to Gene Coakley
- Speedy recovery flowers and card sent to Richard Erwin

Moorage Report

Bridget Shreve, Moorage Master

With all the new members coming into the yacht club, I will be a little busy trying to fit their boats into the empty slips we have.

New members going into slips must submit a certificate of liability insurance form to me, call PSE to get power to the slip assigned, and any members wanting liveaboard status must submit a request in writing to me.

If you are a sponsor for any of these new members coming in, please let them know the requirements needed to occupy a slip.

I do appreciate your help. Thank you!

Bridget Shreve
Moorage Master
(360) 561-3289

Club Service Program

Les Thompson, Chair

Greetings everyone. I hope your winter is going well so far and the weather hasn't gotten you down. Glad the snow was on a weekend, as my land yacht does not do very well driving in it. Brian and I are very happy to be home in the basin again and enjoyed the beautiful sunny, cold, calm day to move the boat back.

We have completed the first two months of CSP projects and many of you have achieved or are well on your way to getting your 24 hours. I see many new members getting hours. Great job. As you know, we have many activities, with Spring approaching, both in the social area as well as projects around the club and at Island Home. Watch the board on the back wall for sign up sheets and the Beachcomber for flyers. You can also contact any Bridge, BOT, or Committee chair members for help participating in these upcoming events. What a great way to help the club, meet people, and just have fun in the process.

You can always contact me by e-mail or phone if you need assistance. Now that we are back, see you on the docks or at an event.

PC Les Thompson
CSP Guru
M/V *EcstaSea*

Quartermaster

Phyllis DeTray, Chair

Come shop the Quartermaster Store before the monthly meetings.

- Men's casual long-sleeve shirts including denim
- Women's and men's tee shirts
- Hats in new colors
- Totes in different colors
- Burgees in all sizes
- 9oz. OYC Wine Glasses
- Men/Women's Medium weight jackets

If you ever want a special item with the OYC embroidered logo on it, bring it in and we will take it in for you. The cost is \$10 per item. Check with us for more information.

.....Phyllis and Judy

Main Station

Ron Vukonich, Chair

By now, all our boats should be tucked neatly into their slips. The dredge operation was a success!

March is here and comes with a reminder that Mainstation Spring clean-up is April 26, 2014 at 8:00 am. You will note that Mainstation clean-up and Island Home clean-up are on the same date and time. There are sign-up sheets available in the Main Station.

Please take a look at the invitation to re-outfit the member's workshop! Sign-up sheets are available now.

Thanks,
Ron Vukonich

WOODSHOP OUTFITTING

This is an invitation to all OYC members to join a team, to outfit the workshop with equipment and accessories. The shop is in need of a band saw and other misc. equipment, the need to repurpose two of the table saws there now.

The membership is asked to donate any extra hardware and/or boat related equipment currently not in use. The larger equipment will be evaluated or sold to purchase additional equipment as needed. The plan is for members to donate larger equipment to the OYC Foundation (which is a 501 C (3)). The donating member can receive a receipt as a charitable tax deduction if they wish.

The Intent of the project is to maintain hardware on hand for nuisance repairs. We all have made runs to a marine or hardware store to buy six screws when we only needed two, and ended up with screws floating around the boat, or worse, trying to complete a project on a Sunday when stores are closed.

The club has already been offered a drill press, surface planer, routers and rolling storage cabinet(s) for this project by one of our new members Bill Fuller. If you can help out as part of the team?... CSP hours are authorized for this project, so how about GETTING ONBOARD?

TASKS to get started:

- Inventory existing equipment and supplies
- Make a list of equipment and parts needed for workshop
- Reallocate the shop area space to enable an efficient workshop layout

CONTACTS:

**Gray Water and the
Clean Marina Best Management Practices**

I really enjoy going to the boat for lunch during the winter. I fire up the heater and read one of the good books I keep onboard. When I get hungry, I often cook up some tasty stuff. After I enjoy my lunch, I find myself looking at some dirty dishes. If I wash those dirty dishes on the boat, the dishwater will end up in our marina waters. What do the BMP's have to say about that dishwater?

The BMPs tell us to minimize our discharge of gray water. They recommend wiping off all food and grease before you wash dishes and putting the food and grease in the garbage. The BMP's recommend doing as much laundry and showering on shore as you can. What does this look like on our boat? We have an advantage here. We only have a 20 gallon water tank. We never run out of water but do fill it often. My early boats had 5 gallon tanks. The first boat Barb and I had had a 10 gallon tank. Limiting water use is a natural for us. Limiting water reduces gray water. Clean water becomes gray water when you add soap.

Back to my lunch dishes. I don't want to take them home to wash, so I wipe them out with a paper towel. Then I fill a pan or bowl that I used with hot water and add one drop of Dawn dish soap. We use Dawn because it is just soap with nothing else added. We wash the dishes in the pan or bowl. This produces a minimum of gray water to go down the sink. Rinse in hot water and dry. My lunch dishes have been cleaned up and very little gray water is discharged. I take this same attitude towards all gray water on the boat. Minimize the amount of water and the amount of soap used.

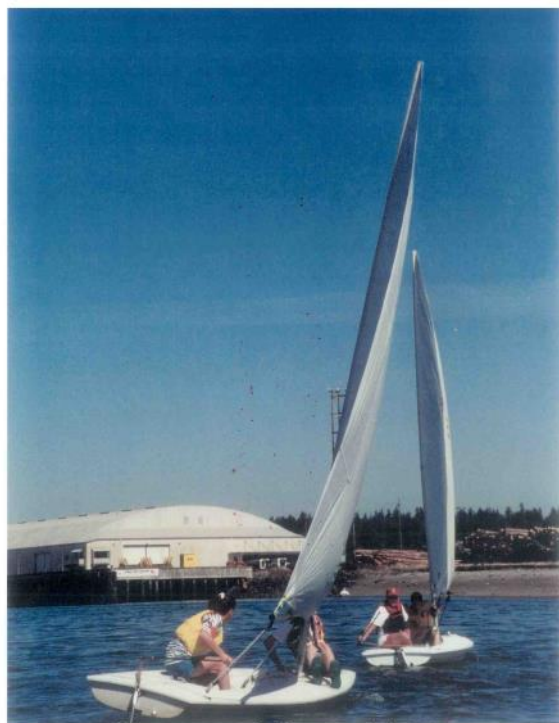

It is my hope that minimizing gray water and the amount of soap discharged will reduce the need for additional holding tanks on our vessels. I also hope the careful use of Puget Sound and the connecting waters will preserve this beautiful treasure for our children and grandchildren into the future.

Everybody save Sat. April 19th on your calendar. The OYC Environmental Committee and the Olympia Power Squadron are offering an Environmental and Safety Day at the OYC Mainstation. We are planning to invite West Marine to display and demonstrate their latest environmentally friendly products as well as their newest safety equipment. The Olympia Harbor Patrol and Department of Ecology are also considering taking part.

Richard Bergholz
OYC Environmental Committee Chairman

The History Corner

Lisa Mighetto, OYC Historian

Junior Sailing

Over the last few years the OYC Junior Sailing has grown to be the largest such program in the south sound.

Junior Sailing

Here two of the students practice racing their vessels in the harbor north of the yacht club. Notice that this is prior to the construction of the northernmost extension of Percival Landing and the move of the tower.

Junior sailors racing Lasers in the 1980s.

As shown in last month's column, the OYC has encouraged young sailors from its beginning. The current Juniors Program dates from the 1980s. Longtime member Jill Floberg recalled that at that time the program featured a donated chase boat from her brother-in-law and two donated Lasers (similar to those in the photo). Mike Cahhan, Parks Weaver, Bud Tucker, and Gary Burk obtained funds for the program by washing yacht club members' boats, similar to high school car washes. Local kids ages 8 to 18 were recruited and club membership was not a requirement. The objective of this early program was to develop people skills as well as sailing skills.

A few decades later, Bill Wilmovsky, Fleet Captain Sail at the time, encouraged the OYC to expand the program, which was serving only 18-20 sailors. Entrepreneur Jan Visser approached him with a proposal. "Jan Visser was a godsend," Bill recalled, noting that the current Juniors Program's start can be traced to her. She moved a dozen boats from a private corporation she founded 15 years earlier to the OYC. The boats included El Toros (later changed to Optimist Dinghies), Lidos, and Lasers. In 1992 LeRoi Smith was sent to US Sailing Certification class and became one of the first certified instructors involved in club programs on Puget Sound. Today all OYC instructors have Level 1 or Level 2 certifications. Jan served as a board member for US Sailing and continues to serve on committees. Dick Rose of the US Sailing Race Committee donated four Laser 2s to support her efforts. In summary, according to Jill Floberg, "Jan took the program to the next level."

Jan, Bob Connolly, and Rick Antles moved the program from Lidos to 420s, growing a competitive high school program. Notre Dame's sailing program provided the 420s, shipping the boats to East Bay, where the kids sailed them to the OYC. Mike Visser, a two-time US Sailing national champion and Jan Visser's son, came up with the current marketing strategy through the Olympia Parks Department, who lists the sailing program in its brochures sent to local residents. The Parks Department keeps \$5 dollars of the \$150 student fee and the balance goes to the OYC. Boat washes are no longer held but raffles at the Toliva Shoals Race supplement the fees.

More than 200 kids are now served each year. Success stories include former junior sailor Jeff Causey, who became a rigger on the Oracle team during the most recent America's Cup Race. In a recent interview, Jeff credited his local training, noting that his passion for racing "definitely started when I was growing up in Olympia." (See Tom Rohrer, "Olympia Native, Jeff Causey, Sails on Oracle Team USA," <http://www.thurstonTalk.com/2013/10/04/olympia-native-jeff-causey-sails-oracle-team-usa/> Accessed on February 10, 2014.)

Jeff Causey, who raced in the America's Cup last summer, got his start in the OYC's sailing program.

South Sound Sailing Society
and
Olympia Yacht Club
present

South Sound Women's Boating Seminar

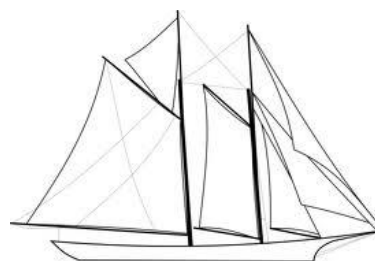

Join us for our fifth year of helping women have fun on the water! The South Sound Women's Boating Seminar will be held Saturday, May 17, 2014, at the Olympia Yacht Clubhouse in Olympia, Washington.

Come prepared with your questions about those all-important cruising preparations, from provisioning to making sure your boat is as ready to go as you are!

Proceeds from a raffle held during the seminar will fund scholarships to the "Girls at the Helm" program aboard the historic schooner Adventuress, to help launch the next generation of women boaters.

Registration is \$35 and includes lunch, as well as chances to win valuable door prizes.

Check our webpage often for program updates:
www.sssclub.com/wbs.htm

Valentine's Day Cruise

Mike Contris

February Dinner Meeting

Rick and Patti Taylor

Dene and PC Bill Hartman led the parade of 16 Past Commodores and their First Mates who were honored at the last dinner meeting

PC J Grady and Peg guffaw at Commodore Jeff when he introduced Peg as the Past Commodore as all the PCs were being introduced

PC George and Cindy Smith share a joke that apparently puzzled PC Richard Erwin but not his wife, Carole. They were part of the PCs who were honored at the last meeting

Michelle Agular-Wells spent her second meeting in a row in a cast. She broke a foot fighting off a giant squid that attacked her boat...OK it was a ladder but she says she wishes it was a squid

Fifth Annual OYC Poker Tournament

Location: Island Home

When: March 15; practice session 10:30 am-11am (poker)/ 12pm start

Cost: \$25.00 buy-in for the primary Texas Hold-Em game. Cash prizes will be awarded based on the number of participants. Prizes will be awarded for first thru fifth place. Registration and chip disbursement will be Saturday morning. Additional side games are encouraged at the discretion of players.

What to Bring: This is a No-cost gathering. Bring your poker money, food/snacks to share and your good humor. A selection of local brew and hot chili will be provided.

*Bring an appetizer Friday evening at 6:30 to the clubhouse for Happy Hour.

*To advance RSVP or for additional questions telephone Gary Waldherr (360-481-1708) or Christopher Heistand (360-786-6993).

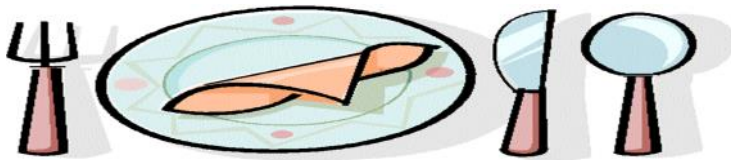

Lunch Bunch

WHEN? March 12, 11:30 am. to 12:30 pm
WHERE? OYC Mainstation
WHO? Members, friends and family
\$5/person No reservations needed

MENU:

- Grilled and deep fried chicken
- Chinese dumplings
- salad and dessert

Our guest chef is Ling Pfeifer. Members are invited to join Ling on Monday, March 10, 2014, at 5:30 pm in the Mainstation galley to learn and make Chinese dumplings. No need to sign up for this fun experience. Members who sampled Ling's dumplings at the February Lunch Bunch want more, so come learn and help make dumplings to be served at the March 12 Lunch Bunch!

Chefs and helpers are always needed. Lunch Bunch is the 2nd Wednesday of the month. Enjoy lunch and conversation with fellow club members. Chefs and helpers earn CSP hours. Anyone with questions about Lunch Bunch can contact Denise Lackey at 360-280-2739 or mlackey@q.com or sign up on the list located at the Club Service Program area at the Mainstation. Thanks to members for your support. Thanks to Dale and Kate Wetsig for providing the velvet cake cupcakes. Thanks to Dale and Kate Wetsig, Donna Gibler, Ling Pfeifer, Bob and Sandy Wolf, Bill Melhaff and Peter Janni for being the February crew.

CPR & AED* course

*Automated External Defibrillator

Tuesday, March 18th 2014

7 PM
Mainstation

Only 20 places available

Taught by our own Ron Wertz
CPR technique has changed so if you have not taken the course in the past several years or so, you are doing it the old way.
