

## OLYMPIA YACHT CLUB

June 2015

### Commodore

Commodore Myra Downing  
Captain Joe Downing  
*S/V Balder II*

**H**ello My OYC Family,

This is the last article I will write as your Commodore; so it causes me some sadness and yet an immense amount of joy. While I will miss serving you in this capacity, I will take away with me enough memories that will keep me smiling for years thinking about all of our shared adventures.

Our most recent memory generator was our trek to Seattle Opening Day where we had two boats in the parade: A Flagship carrying our OYC Bridge and the Mighetto's boat, *Murrelet*, decorated so well that we took second place in the parade. Wow! We make a splash at that event.

But, truthfully, I was most impressed with our South Sound Opening Day. We had a full house on Friday night and a full deck on Saturday for our ceremony. We were so fortunate that one of our members, Nancy Stolarik, performed the Star Spangle Banner accompanied by the American Legion Band. To add to the program the Band also wrote a song just for OYC titled Swashbuckler and performed it during the ceremony. We gave out two honorary memberships to Senator Karen Fraser and Mr. Lee Reaves. Seven of our 14 Grand Fourteen Commodores were also in attendance.

The ceremony was followed up by our Opening Day Parade with a whopping 29 boats! And then, everyone joined us for our afternoon barbecue and it was so successful that we ran out of food.

What a way to end the year. Thank you. Thank you for your participation. Thank you for your kindness. Thank you for the respect you showed me. Thank you for your sense of humor. And thank you for being such amazing members of OYC. We are blessed.

You are in good hands with VC Mike and Patti taking over the helm with a strong team joining them. I'm looking forward to riding as a passenger as we continue to work and play together and make OYC a pillar of pride in the Northwest Yacht Club World.

Sincerely submitted,

Commodore Myra Downing  
Captain Joe Downing  
*S/V Balder II*

## Vice Commodore

Captain Mike Phillips  
First Mate Patti Phillips  
*M/V Chaotic Too*

Hello all, When you read this report, we will have had a great Opening Day of boating season with unbelievable weather and a record number of people getting involved, and then the Memorial day Cruise at Island Home. At this point, while I'm writing this report, I don't know how the weather will be, but I'm sure that however it is, we will have a great fun-filled weekend. Also I would like to congratulate all of the new officers and the new board members on their election to office..... we will have a great year. I am looking forward to working with all of you. And I would also like to thank the membership for affording me the privilege and the opportunity to serve you as your commodore.

In June, July and August, we have several functions and they are: the **Change of Watch**, The **Barbeque on the Deck**, The **4th of July Cruise** at the Island, **Capital Lakefair**,

The July **Barbeque on the Deck**, The **Summer Cruise to the Islands**, The **August Barbeque on the deck**, The **Labor Day Cruise** at the Island, and I am looking forward to seeing all of you at the summer events.

### The **Summer Cruise to the Islands** Update:

We will be having a meeting on June 16th in the clubhouse at 6 pm to discuss the moorage and to fill out rosters for the marinas. This will be the last thing that we have to do before the cruise begins. I am looking forward to seeing you and getting started on the cruise this summer!

Sincerely,  
Mike Phillips  
Vice Commodore  
*M/V Chaotic Too*

## Board of Trustees

George Smith, Chair  
*M/V Aventura*

The June Dinner Meeting will be our last regular club meeting until September. Your Board will continue to have regular monthly meetings thru the summer. Members are welcome and encouraged to attend. You will receive the correct information at these meetings which will be more accurate than the rumors from dock talk. Two hot topics your board will be discussing are the new docks and acquisition of the two lots just south of our property.

Northwest Marine Trade Association has \$17,000.00 in grant money that will be split between eight organizations through its Grow Boating program. OYC's Learn to sail program will receive 1/8th of that which is \$2125.00. Being a member of NMTA has paid off not only with our Boat Show booth but also with the receipt of these funds.

It has been my pleasure to serve OYC as a BOT member and to work with the fine members Walt Schefter, Bruce Snyder, Steve Parrott, Harold Carr, Rich Hurst, Theresa Madden, Bob Wolf, Bob VanShoorl, PC Mike Contris, PC Jeff Pape, Commodore Myra Downing, Sue Wise and Treasurer Jon Bryant. I also want to thank all members who responded to my calls for work parties during the dredge and piling projects.

See you on the docks!  
PC George Smith  
Chairman of the Board  
*M/V Aventura*

## Rear Commodore

Captain Walter Scheffer  
First Mate Catherine Scheffer  
M/V Rob Roy

Well, here we are at the end of the road for our dinner meetings. We have one last get together on June 3<sup>rd</sup> and then off until September. Since the June 3<sup>rd</sup> dinner meeting is the Change of Watch, and a big deal, it can only be that the meal itself will be a big deal. We're having steak! Not just steak but

steaks grilled on the open grill on the deck. For this we have the head chef of Pellegrino's handling the meat. It will be an "on the deck" buffet serving Decorated Garden Salad with assorted dressings, sliced watermelon, corn on the cob, lots of butter, baked potato and the trimmings, lots of butter, warm garlic bread, with butter and of course the steak on the BBQ with steak sauce or, should you prefer, butter. For dessert, Strawberry Shortcake, no butter.

This special event is to celebrate the close of another club year, induct our new Bridge officers, the secretary and trustees and just enjoy. I, of course, was elevated to the office of Vice Commodore which, among other things, means this is my last effort arranging your dinner. I hope to make it worthwhile. Sort of a farewell dinner for Catherine and I but we have truly enjoyed doing this.

Also, I wish to thank all of those members who voted for me in the election and directed that I should be the club's Vice Commodore. In that role I will dedicate myself to faithfully represent those who voted for me, abstained from voting or just blew off the entire election. For each of you, and you know who you are, I will cover your entire bar bill at the June dinner but only on condition you actually attend and partake of the entire evening.

But seriously, the evening is a special evening for both Myra, our departing Commodore, and Mike who will succeed as Commodore for the next year. It means a lot to both of them and the other elected offices, as well as the Club that you attend. Remember, if you are not already on the permanent reservation list you need to make your reservation before Monday noon, June 1 by calling the reservation line at 705-3767.

While you're at it, even if you are on the permanent list, you need to place your reservation for the Memorial Day Cruise at Island Home to be held May 22<sup>nd</sup> through May 25th. There will be a Bobby Brown 'pig on a spit' roast (yes, the entire pig, head to tail, with PC Tim and Matt's embellishments) with a few turkeys thrown in plus much more. It's the first of our major summer cruises and a real great time. Its three days of eating, drinking, playing games, using your boat and just being with your friends.

It is also Memorial Day. We need to remember and honor those who gave their lives so that we may all have the freedoms we too often take for granted. To honor those who have fallen we will have our own memorial and wreath laying ceremony with PC Bob Job leading our remembrance.

All in all, however, with that always in your mind, you can forget your diets and enjoy your boats in a real social and meaningful weekend.

And speaking of diets I heard of a study conducted by a prominent think tank composed of one nineteen year old college coed who made national headlines. (God bless the internet). She contends the American woman's modern concept of the perfect physical man has morphed. No longer do you (here I am speaking to our fairer members) yearn for chiseled muscular bodies. These are out. The man of your dreams now has what the author called the "Dad's Body". No, this is not what you may think - a man that is slightly balding, overweight and insensitive to your needs. Rather this new man is defined as a man who works out occasionally, drinks daily in modest amounts (?) and can still down six slices of pizza at a sitting. Not said but within this definition one must assume this "new man" is also sensitive. For all of us who fulfill this definition - our time has come! There is no real point to this other than I suppose the parents of the author of the study are seriously wondering if the tuition dollars incurred to date have been wisely spent.

That said, I have gone far enough for this month. See you around.

Rear Commodore Walt Scheffer  
First Mate, Catherine Scheffer  
M/V Rob Roy

## Fleet Captain Sail

Fleet Captain Bill Sloane  
First Mate Lorie Sloane  
*S/V Endless Summer*

A funny thing happened while Lorie and I were serving as Fleet Captain Sail for the Olympia Yacht Club. The more we got involved, changing up the social and eating schedule for TGIF, introducing the Growler half-hour, attending OYC events on a regular basis, the more fun we started having. In spite of what the member's directory says, we have been members of OYC since 2007, not 1983.

We joined initially because we loved the idea of mooring our boat in such a great location in downtown Olympia.

I got to know Myra through South Sound Sailing Society originally and when she asked us to volunteer to be Fleet Captain Sail, we said yes, because Myra has such a great amount of enthusiasm and energy. I thought with her as the commodore, we might not have to do anything. Well I was wrong about that, but as we learned how to plan and run TGIF and change things up a little here and there, Lorie and I realized we were having the time of our lives.

At some point this past year, after a number of speeches at Bridge meetings by PC Jeff Pape, talking about next year's bridge, Jeff asked me if I would consider running for Rear Commodore. Lorie and I didn't answer right away, but said we would talk it over. We thought, heck, we might lose anyway. Well it turns out that we weren't running against anyone else. But we looked back on our experiences as Fleet Captain Sail, and realized that not only did we like all the activity we were involved in, we discovered that everyone we had come to know on this year's bridge at OYC were just really great people, friendly, unselfish and wanting OYC to be a positive experience for everyone.

Since we have been members of this club, it seems that the positive energy at OYC is at as high a level as I have seen. Twenty-nine boats participated in the Opening Day Parade! If that is not a record, it sure has to be a high water mark. All this is to say, we look forward to our coming year as Rear Commodore and we hope that we can bring the same pluck and good natured manner to our year as I have seen Dean and Tammy, Walt and Catherine, Mike and Patty, Myra and Joe and Jeff and Debra provide this past year.

See you on the water!!

Fleet Captain Sail Bill Sloane

*S/V Endless Summer*

## Fleet Captain Power

Fleet Captain Dean Questi  
First Mate Tammy Questi  
*M/V Enterprise*

We want to thank all of the wonderful people who helped us with South Sound Opening Day of Boating. The turnout far surpassed any we have seen in recent years. It didn't hurt that the weather was spectacular!

As we wrap up our final month on the Bridge, we want to say a huge "thank you" to everyone who helped us this year and participated in the cruising events. It was a very rewarding experience for both of us. We met so many wonderful folks. We are so excited for Marty and Jen Graf to take over the FCP duties. You can expect a year of wonderful events with them at the helm.

Hope to see you on the water this summer.

FCP Dean Questi – [dquesti@comcast.net](mailto:dquesti@comcast.net)  
1st Mate Tammy Questi – [tquesti@comcast.net](mailto:tquesti@comcast.net)  
*M/V Enterprise*

This "Opening Day" was a great opportunity for OAR -- **thank ... the yacht club** for including us!

We'll be back next year...

Gretchen and OAR rowers and coaches

**Fleet Surgeon**  
Richard Hurst, M.D ("Rich")

## First Aid Kits Part 3 Medications

So now you have your book, kit, and assorted Band-Aids, what about medicines?

All of the following suggestions need to be filtered by your medical conditions such as chronic diseases and allergies. For significant trips, consider a trip to your Doc for advice.

Over the counter (OTC) – Think of what might be catching enroute.

- **Anti-diarrheals** – Imodium works great
- **Anti-acids** – Tums are fine, but there are a spectrum of OTC treatments ranging from Pepcid to omeprazole depending on the duration and time of onset desired.
- **Anti-histamines** – For allergy symptoms or contact rashes from wandering too far ashore. These range from Benadryl that is a great standby, but causes drowsiness, to the many OTC longer acting and less drowsy varieties available now. Also consider topical forms for bug bites or stings. Topical cortisone or Benadryl are both OTC.
- **Tylenol (acetaminophen)** — For mild aches and pains and occasional fever. Remember that you can only take up to 4 Grams a day from all sources (i.e., Vicodin has acetaminophen in it)\*
- **NSAIDS** -- The **Ibuprofen** (limited to 2400mg/day\*) and **Naproxen** class of pain and fever treatments. These can be hard on the stomach (see antacids above).

\* These doses really are the max unless you want you liver or kidneys to fall out. I don't recommend you take anywhere near these amounts. Check freshness dates of your onboard stash.

- **Constipation treatment** – Laxatives of various sorts.....your choice
- **Prescription meds** - I recommend having some antibiotics if you are going to be away from civilization. It is nice to be able to at least control some skin infections, pneumonia, or urinary infections until you reach medical help. There are a number of \$4 meds available such as Cipro and Keflex depending on any intolerances or allergies. Your doctor can help you with these. If you think you need these under urgent circumstances, you usually will not do any harm by taking them. They can always be stopped.
- **Epi-Pens** - For those who have severe allergic reactions or have friends with them, it is appropriate to carry these. They are very expensive (Costco \$478 for 2pack), but they are lifesavers for some who need it. They also outdate fairly rapidly, so if you already have some, check the dates.
- **Your personal Rx's** - Bring a copy of your prescriptions to show the DEA, Customs, or CG if they wonder about that baggie of assorted pills. If you run out or spill some, most pharmacies will sell you a get-home supply with documentation. Also, if you do end up in some medical facility, they will appreciate knowing what you are taking. Don't assume that your sick and addled brain will remember! Bring the pill bottles unless there are too many. Bring Narcotics only in their labelled bottles! Those guys in blue have no sense of humor about these.

**Remember your pet's meds** as well.

Happy trails

**Sunshine Committee**  
Barbara Narozoneck-Neuhauser, Chair

A donation will be made in memory of Randall Greggs

## Main Station

Ron Vukonich, Chair

Happy Spring everyone

It has been a busy time at the Main Station.

The trestle repair is scheduled for May 26, 27, and 28. Please plan your trips to the marina accordingly. Marine Floats plans for minimal closing of the walkway/trestle. And has promised the trestle will be open for foot traffic and lightly loaded carts at the close of the work day on each date.

The east fence that borders Sylvester St. SW will be replaced with a five foot chain link fence with a locked double gate for use by Olympia Fire Dept.

The OYC key card system is obsolete. The Main Station Committee is in the multiple bid process to have the system brought up to date at both the Main Station and Island Home. More to follow.

The Main Station Committee is asking for a volunteer to take on the position of boat house inspection lead. Please contact the Main Station Committee Chair if interested.

Thanks again to Matt Kluh and the Main Station Clean up Committee. The flowers are blooming and the property looks great.

Have a great Spring!

See you on the docks.  
Ron Vukonich  
Main Station Chair

## Quartermaster

Phyllis DeTray, Chair

Come by the store before the Dinner Meeting to see all the new items we have.

1. A great supply of women's vests in many colors
2. New fleece long sleeve tops
3. Big selection of logo caps in many colors

All items have the **Yacht Club Logo**. If you want the OYC logo embroidered on a special item that you own, bring it in and we will take it in for you. The cost is \$10 per item. Check with us for more information.

See you at the store.

Phyllis and Judy

## Club Service Program

PC Les Thompson, Chair

Hey kids! can you believe we are now half way through the year? I know many of you have completed your hours for the year and continue to do even more. Kudos to all of you. Without your help the club would be spending much more out of the budget for club needs.

For the rest of you out there you still have plenty of time and events to get your hours in. Several summer events will need volunteers and there are always things to be done at the Main Station and Island home. Contact any Board or Bridge member or committee chair for ideas if you need help getting going. Also, you can always contact me as well. With the great weather I hope to see more of you on the docks or at events.

Keep up the good work. OYC rocks!!

PC Leslie Thompson  
CSP guru  
M/V *EcstaSea*

## Lunch Bunch

**No Lunch Bunch in June, July and August**

**See you in September!**

Thank you Dale and Kate Wetsig for making Spanish Rice, Refried Beans and guacamole. Thanks to Bob and Sandy Wolf, Bill Hutchinson, Kjersti Skinner, Peter Janni, Sheryl Baker, Art Johnson, Elisa Lyles, Terry Van Meter, Pat Brower and Kate and Dale Wetsig for being the May lunch bunch help.

## Island Home

Gary Gronley, Chair

I want to thank all of the members that turned out for our annual "Spring Clean". We had over 25 people attend on that sunny day, and I think all had fun. We were able to do our 2<sup>nd</sup> bottom survey of the basin and will include the findings in a future Beachcomber and add this to the next member's directory. Our caretaker has been busy planting the flower beds and they should be in full bloom for the Memorial Day cruise.

If you are attending this beautiful facility for the first time, please read the "**Island Home Rules**" section, pages 137 and 138 of the current Member Directory.

The committee hopes that you enjoy every day and cruise to the island.

See you on the Island.

47° 14.084 N

122° 56.128 W

Gary Gronley

M/V *Our Adventure*

## Clubhouse

PC Carol Robinson, Chair

Summer Greetings!

This summer will bring some more new improvements in the clubhouse. Happy boating and see you on the docks.

PC Carol Robinson

a

box

New "resident"  
and expectant  
mom at OYC

## Environmental Awareness

Rick Bergholz, Chair

## Zincs

The OYC Environmental Committee has made a "**Zinc Disposal Bucket**" available for convenience. You will find it tucked behind the green hazardous waste container in the parking lot. This is being done because in recent years the cadmium in the sacrificial anodes has become an environmental concern.

We all know and use sacrificial anodes on our boats and change them regularly. Most of us know that if we don't the underwater metals on our boats will quickly be eaten by the galvanic corrosion...Pitted propellers or worse, a through hull weakened to the point of failure will result.

Renowned boat consultant Don Casey's *Complete Illustrated Sailboat Maintenance Manual* goes into great detail on when zincs are not zincs and treatment of props, rudders and out drives. If you have any concerns be sure to check his article at [www.boatus.com/boattech/casey/sacrificial-zincs.asp](http://www.boatus.com/boattech/casey/sacrificial-zincs.asp).

And remember next time you change your zincs, ask your diver to leave the zincs so you can inspect them and then look for the orange disposal bucket.

Jim Lengenfelder, *OYC Environmental Committee*.

## Moorage Report

Bridget Shreve, Moorage Master

I have sent out notices to those boats that need their burgees replaced or displayed. Burgees can be purchased from the Quartermaster.

There are just a few boats that still need some cleaning done, but overall the marina is looking pretty good. I will send out notices next month if boats still need to be cleaned up.

The Dinghy Dock....there are two dinghies that have been on the dinghy dock for quite some time now. It is not there for storage. It is there to help with transition. One is an 8' Livingston with tabs expired in 2014. The other one is a 9' Chilles inflatable with no identification. If someone knows who belongs to these, please let me know so I can get in touch with them to make other arrangements. I have had requests from members as to the availability of the dinghy dock, but with those two there taking up all the room, it is not possible to accommodate other members. At this time the club is limited for room to hold dinghies, so consideration for other members and cooperation is fully appreciated.

Thank you.

Bridget Shreve

Moorage Mistress

## The History Corner

Lisa Mighetto, OYC Historian

An inventory of the OYC's archives was completed this spring. Here is a list of selected records (the full inventory is 10 pages in length), along with a few images representing some of the major categories of records. Documents and artifacts range from OYC correspondence to maritime journals collected by members to OYC sailing newsletters (from the 1930s!) to members' logbooks from various races and trips. If you have questions about this inventory, or if you have records you would like to donate to the OYC, please contact me at 206-465-0630.

### Founding Records

Articles of Incorporation, dated 1915

100<sup>th</sup>-year Anniversary Certificate, dated 2015

Constitution and bylaws through the decades

Sanborn Maps, early 20<sup>th</sup> century

Photographs and postcards of Olympia Waterfront, 1940s – present

### Anchorettes

Photographs, 1940s – present

Ephemera from events, including fashion shows

### Annals and Directories

Complete copies and drafts, 1930 – present (we are missing many years, particularly in the 1930s-1950s)

### Outstation

Flamingo Cove photographs, 1960s

Island Home photographs, including construction, dredging, and events, 1970s – present

### Mainstation

Numerous photographs, including early images of caretakers house, grid, lighthouse, and other structures, 1950s – present

### Journals

*Yachting Magazine*, 1930s – 1940s

*Log of Mystic Seaport*, 1953 – 1958

### Membership

Applications, cards, and photographs, 1930s-present

### Events

Footaraw, photographs and newspaper clippings, 1980s – present (though Footaraw dates from the late 50s/early 60s)

Soap and Suds, 1970s

Opening Day, 1970s – present

Daffodil Parade, photographs, 1970s – present

Lighted Ships Parade, photographs and newspaper clippings, 1980s – present

Balls (Commodores, JO), invitations, flyers, menus, last ten years

### Racing

*Starboard Tack*, newsletter of OYC Race Committee, 1930s

Capital to Capital Race, 1928 – 1978

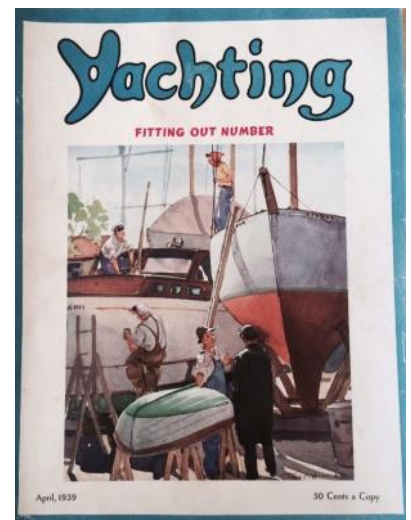

Commemorate Scrapbook, Olympia to Juneau Race, 1978

Predictive Log Races, 1930s – 1960s

Toliva Shoal photographs and articles, 1970s – present

### Commodores

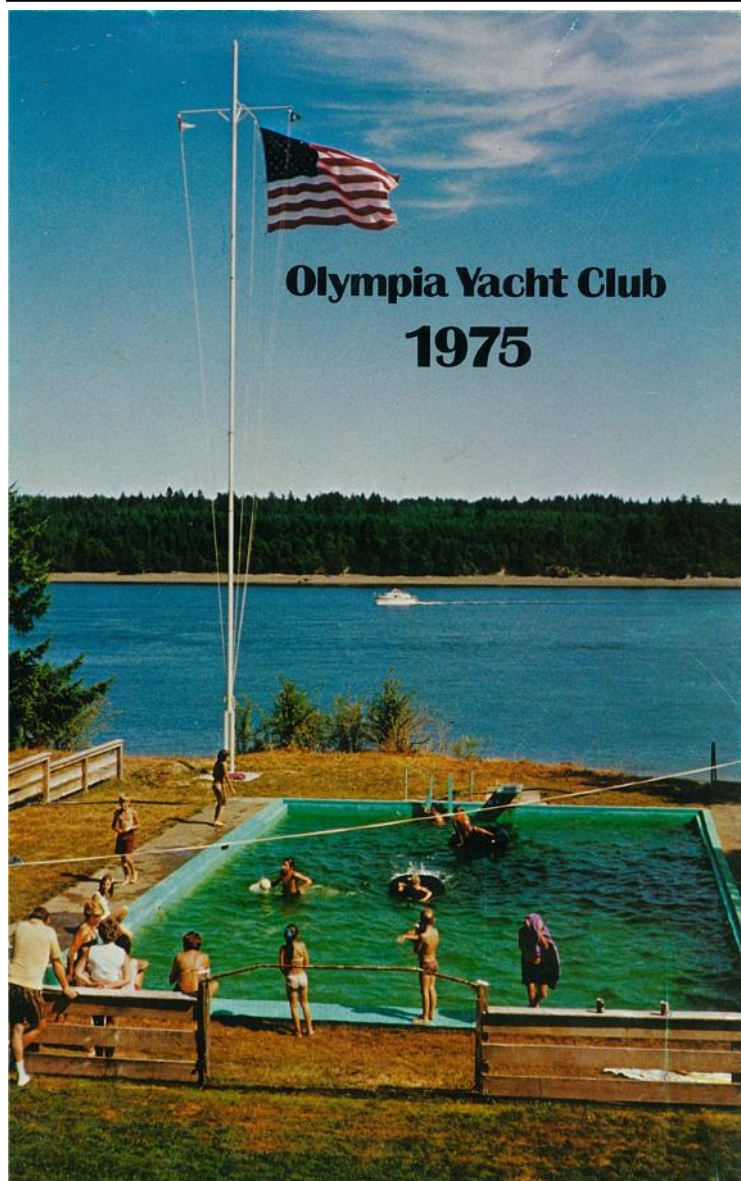

Interviews and surveys, 1960s – present (many are still missing; this project is ongoing)

New Year's Day, 1969

**History Corner :** Anyone recognize themselves in the former Island Home pool ?

## OYC's entry into the Opening Day at The Seattle Yacht club.

Boat of Frank and Lisa Mighetto (our Historian) and their crew making some history for the future!

The OYC placed second in the decorated yacht club category at the Opening Day Parade in Seattle on May 2. The Seattle Yacht Club presented the OYC with a plaque on May 3. Huge thanks to Myra and Joe, Bob and Beth, Rick and Susie, Mike and Patti, and Walt and Catherine for decorating "Murrelet."

## Nautical Notes

*from out there.....*

### Out Cruising.....

Better late (five weeks, to be exact) than never; three months and a week, all total. But with beautiful new teak decks, Bright Angel moves out of the Brin Wilson shed tomorrow morning - to the yard, for bottom paint and prop speed, stepping the mast and installing the rigging, stanchions and lifelines, and moving all of our "stuff" back on board. Then, hopefully in about a week, we'll splash and check everything out - including the new prop shaft, shaft couplings, and cutlass bearings (yes, they had to be replaced again, after they were replaced in Fiji last June).

When everything checks out, we'll provision and then head up to Marsden Cove to await a weather window to sail back to the tropics - Fiji (west side, Yasawa Islands) and New Caledonia, and possibly Vanuatu (although now we are now thinking about spending an entire season in Vanuatu, next year). With any luck, we'll be underway by the end of the month, or by the first week in June.

What an odyssey this has been; something we will only do once, for sure! (These new decks should outlive us!) As with any project of this magnitude there have been both ups and downs, but in the end we can say we are truly happy with the craftsmanship of those who worked on our decks. And I am truly happy that I will never, ever, have to replace another bung - you will notice on the pictures below that there is not one to be found!

We hope all is well with you. Our best to all of you. Take care.

Bob Linda

## Government Affairs

Gary Ball, Chair

The committee has requested that the board appoint Steve Finney as OYC's representative at future RBAW board meetings.

On April 22<sup>nd</sup> the Department of Ecology (DOE) submitted to the city its analysis of the submitted approved draft Shoreline Management Plan. The Department requires that certain provisions in the plan be amended to receive final DOE approval. For the most part, the changes DOE required that could affect the club are favorable to the club and its interests.

Hal Wolfe from our committee will begin attending Olympia Downtown Association meetings as our representative. We have been a member of the Association for years.

The new dock and pump out station at Percival Landing opened on Wednesday, May 6.

The GAC does not expect to hold meetings in July or August.

We are always looking for people who would be interested in joining our committee. If you are interested, please feel free to contact me .

Gary Ball  
[\(206\) 484-2818](tel:2064842818)

## Womens' Interclub Council

Kim Shann, Representative

Here I am on the WIC boat *Grand Larsony*, in the Seattle Opening Day parade thru the Mt Lake cut. I am the 3rd from the left. 12 ladies from the Grand Fourteen Yacht Clubs attended. AND.....WE TOOK 2ND PLACE IN OUR DRESSED CLASS!!!

There will not be any WIC lunches during the Summer months. Hope everyone has a GREAT Summer!!
