

(3) Drivers and transportation aides must have access to appropriate information about the ~~child~~ student to the degree that such information might affect safe transportation and medical wellbeing ~~while being transported during transport~~. This information must be accessible in the school transportation office and is confidential.

(4) Emergency evacuation and other pertinent safety precautions must be considered by school districts deciding upon the appropriate transportation services for children with disabilities.

(5) All vehicles used must be authorized vehicles as defined in rule 3301-83-19 of the Administrative Code. A privately owned vehicle of the family utilized to transport a ~~pupil~~ student of the family is not subject to O.A.C. Chapter 3301-83 or regulations other than that required by state law.
