Check out what our members say about OAPSA . . .

The knowledge I learn during the OAPSA conferences is applicable to my current position and I often walk away with actionable work I can implement right away. It is difficult to devote the time needed to do my job well while also staying up to date with the latest legislation, guidance and policies. OAPSA has made that much easier. I honestly cannot say enough wonderful things about the resources my OAPSA membership has unlocked: mentoring, guidance and support!

Sarah Knaebel - Director of Student Services - London City Schools

OAPSA continues to be my "go to" source for current information and support regarding the ever changing world of special education in the state of Ohio. The organization's ability to pivot to online forms of professional development, as well as the ability to continue frequent (and time sensitive) email updates, was much appreciated during the previous year of COVID-19 restrictions. To my mind, OAPSA is certainly the most cost effective and reliable resource I use on a weekly basis.

Paul M. Kidd - Coordinator of Student Services - Lakewood City Schools

OAPSA has been such an important and beneficial organization for me! I am grateful for all the information and support the organization has provided me and my colleagues through the years! I will continue to be a member, support the organization, and promote its benefits any chance I can! THANK YOU! THANK YOU! THANK YOU!

Jennifer Crum - Director of Student Services - Mid-Ohio ESC
