OAPSA Conferences

for 2020-21 school year:

DECEMBER 4, 2020*

FEBRUARY 25-26, 2021*

MAY 7, 2021*

* Virtual Conference, if necessary

One of the huge benefits of OAPSA for me professionally is all of the emails we get to answer pertinent questions that are being asked from other members throughout our year. I appreciate the larger perspective of what is happening around our state and also have the time to network with our colleagues. It is also nice to celebrate together as it is a growing group of professionals but it is still small enough to know people and be able to connect when we are together.

Suzanne Longworth - Student Services Supervisor - Sycamore Community Schools

This is my 8th year as a member of OAPSA. OAPSA has been a valuable resource in providing my professional development. I appreciate that the Ohio Department of Education staff are invited to conferences to provide timely updates. Finally, OAPSA has been a great opportunity to network with my fellow colleagues. I highly encourage all special education/pupil services administrators to join OAPSA.
