

# WHY YOU SHOULD ATTEND OAPSA CONFERENCES....

*Perhaps the most helpful aspect of attending OAPSA conferences is the formal update from the Office for Exceptional Children team covering a variety of topics and relevant information pertaining directly to my district. The topic covered during OAPSA conferences remain relevant to societal changes and norms. I have been a member of OAPSA for at least seven years and I have greatly benefited from the networking opportunities and resources afforded me. It is the primary conference which I attend and suggest to other administrators. The topics of discussion and direct link with the OEC are worthy strengths of the ongoing meetings.*

Lisa Shannon

Assistant Superintendent

Chagrin Falls Exempted Village School District
