To Awardee and Audience:

Rotarians dream of big things and OUR Foundation helps us make those dreams reality. **To Awardee:** Because of generous support from YOU and other Rotarians, those dreams are being realized.

Here are just a few of Rotary's dreams:

We dream of a polio free world – Today we are closer than ever, with only **22** cases last year, and **zero** so far in 2018!!

We dream of Peace – Our Foundation continues to fund studies in Peace and Conflict resolution: More than 1,000 graduates are out there now, making a difference in the most conflict torn areas of the globe.

Wherever there is war, poverty, hunger, illiteracy or disease, Rotarians are there to help. We use OUR Foundation to bring hope to those who have none.

Paul Harris Presentation

It helps us feed the starving, heal the sick, battle illiteracy, provide a chance at self reliance to those in abject poverty, and provide clean water that's more precious than gold.

Name_____ would you briefly share with us why you give so generously to OUR Foundation? (**Recipient shares very briefly, 15 to 20 seconds**).

Our Foundation makes the impossible, possible, because YOU have seen the need, shared the dream, and made the commitment to help.

On behalf of the Trustees of The Rotary Foundation, but especially for those individuals whom you and I most likely will never meet, but who benefit greatly when Rotarians support OUR Foundation, and put it to work, I say thank you. Together, we are building a Legacy of Hope!

To the Audience: Please stand and show your appreciation for the generous donations of this Rotarian!
