Project/Grant Description: Christmas gifts for Elderly and Disabled at the Belton Senior Housing

Total: 150 RESIDENTS in need of a gift bag. Each bag consists of 2-3 pairs of socks, body wash and lotion. I have contacted the Head of the School at Central Texas Christian School and the Athletic Director to have the Student athletes participate by packing and delivering the gifts as well as collecting the socks and lotions. They have agreed to take on the project again this year and will provide the bus transportation to and from the high school to the Belton Housing location. To make this project successful and plentiful I am asking Altrusa International Members to consider providing the 150 body washes or team members donating for such. I have successfully coordinated this project since 2008 and I would be so grateful if the Altrusans International Group of Temple be the force to help me expedite this project. _____ estimated \$3/body wash if its good quality
