Name of Project/Grant: Amy's Oncology Pilot

Recipient/Name of Organization (Beneficiary): Amy's House

Payee for check, if different than recipient: _____

Project/Grant Description:

Amy's House is splitting the house and having one hall for oncology (new leukemia patients) and the other half for transplant patients. This pilot is a two-part solution to a lower transplant occupancy and available rooms at Amy's coupled with the need for new Leukemia patients to have temporary housing for the first three months of their treatment at BSWH. Using half the house for oncology for this 6 month pilot will cut into our present grants by \$37,500. One of our largest benefactors can only fund transplants as a result of the bylaws of their foundation. At 6 months, we will assess the program and secure a more permanent grant solution.
