Individual service hours are to be kept by each member and reported monthly to the designated service coordinator. Service hours are defined as any time spent on Altrusa-sponsored service projects benefiting the community, including fundraising, travel time and preparation time; any hours spent in service to the club or its members; or any community service done individually or with another service organization. The type of service hours should be reported as well. Project Coordinators will document your service hours unless instructed otherwise. *Use the attached form to report individual service hours.
