What Is Rotary?

Rotary is a volunteer organization of 1.2 million business professionals and community leaders united worldwide to provide humanitarian service and help build goodwill and peace. Over 34,000 Rotary clubs in more than 200 countries and geographical areas conduct projects to address today's challenges — including illiteracy, disease, hunger, poverty, lack of clean water and environmental concerns — while encouraging high ethical standards in all vocations.

As the world's largest private provider of international scholarships, The Rotary Foundation of Rotary International helps more than 1,000 students annually to study abroad and serve as cultural ambassadors. Rotary also partners with seven prestigious universities around the world, providing opportunities at the graduate level in peace and conflict resolution.

PolioPlus is Rotary's flagship program. By the time polio is eradicated, Rotary club members will have contributed over US \$1 billion and countless volunteer hours to immunize more than two billion children in 122 countries. Rotary is a spearheading partner in the Global Polio Eradication Initiative, along with the World Health Organization, UNICEF, and the U.S. Centers for Disease Control and Prevention.

Founded in Chicago in 1905 as the world's first volunteer service organization, Rotary quickly expanded around the globe. Today club members meet weekly to plan service projects, discuss community and international issues, and enjoy fellowship. Clubs are nonpolitical and open to every race, culture, and creed.

Dear Prospective Sponsor,

Each spring Rotary Clubs all over the world bring all of the Presidents-Elect together for a couple of days of intensive training on how to run an effective Rotary Club. This event is known as PETS or Presidents-Elect Training Seminar.

The five Rotary districts that include all of Mississippi, Louisiana and the greater Memphis area, meet to present a first-class training session for over 220 clubs. The in-coming presidents for these clubs are local, state and national leaders that are contributing their time to Rotary, their local communities and international humanitarian concerns.

We have a strong base of financial supporters that make this event a great success. We are asking you to consider joining our efforts to make this event one of the best. Please take a serious look at the different levels of sponsorships and commit to being a valuable partner to your community and Rotary.
