Mission Statement

The Rotary Leadership Institute is a grassroots, multi-district leadership development program whose mission is to strengthen Rotary clubs through quality leadership education.

Dear Rotarians:

The Rotary Leadership Institute was founded to assist in improving the Rotary knowledge and leadership skills of the future leaders of our Rotary clubs. We believe that excellent leadership is the key to successful service by our clubs to our communities and the world. Rotary is blessed with members of high quality, but all Rotary clubs depend on outstanding leadership to harness the talents and skills of our membership to reach high levels of accomplishment.

The rapid turnover of leadership positions in Rotary caused by annual elections requires constant effort to prepare more and more Rotarians for the responsibilities of leadership. Through the dedicated efforts of our officers, Executive Committee and Faculty, the Rotarians of our member districts have a unique opportunity for quality Rotary education.

We invite all of the clubs of our member districts to join with us to build a greater and greater Rotary.
