## See you at Docks Out 10/21

### Commodore's Line - Dave Dicke & Lady Ruth

I want to thank everyone enough who helped and participate the AYC Bridge and Delegate's meeting 9-24-17. We had 12 Past Commodores, Ladies and Lads from PBC and several from Indian Hill Boat Club (our co-hosting club) host the meal at Toledo Sailing Club. Thanks to Commodore Michele VanDromme and the TSC members for allowing us to use their facility once again.

The "informal" potlucks have been successful. We will likely schedule them as formal Wednesday pot lucks next year. Thanks again to all for helping set up and clean up. Remember, the club is yours, so enjoy it to its fullest. Please clean up after yourself.

Ruth and I attended the first annual International Order of the Blue Gavel event at Detroit Beach Boat Club and the AYC fall color cruise. Thanks to Capt. Pat Slee for piloting "Spill the Wine" on the fall river event.

We were busy with family events much of September, attending an OSU game, a wedding and work details in Columbus.

Fall is here, our boating season is about to end. "Docks In" in only 6 short months!

See you at docks out.

### Board News - Membership is at 103!

We have purchased a portable Shock Alert floating devise that will flash and alarm if there is any stray electric current in the water around our boats on the upriver dock. It is in a box on top of the refrigerator in the Black Trailer. It floats and can be pulled along the docks by anyone. Once turned on it will flash green lights if no current is sensed and red and alarm if a current is found.

Anyone interested in getting a work hour every few days next year can place it in the water and walk up and down the dock to test for current. If the alarm sounds notify the dock master and or commodore asap.

A battery jump device is also on top of the refrigerator. If your battery is dead and needs a jump it works quite well. Several have used it so far and are surprised how well it works.

**Please call Craig (419-874-1973) if you have mistakenly taken it home for winter storage.**

**Thanks. Comm. Dave Dicke**

## **Club Building Fund Raisers**

P/C Dick and Lady Sheri Luedtke (419-877-9429) are continuing to sell tickets for the original oil painting raffle. Sheri is adding additional second and third place prizes. Our goal is still to sell 100 tickets. We are about half way there.

They will be at the informal pot lucks, Docks Out, Fall meeting, and Christmas Party to meet the sales goal. The raffle will be held at the change of watch 1-13-2018.

Becky Visser (419-944-4558) is selling our glasses as well. A few are left and they would make great Christmas Presents. Please contacted them to purchase some more tickets and glasses.

## Club Membership Photo Book

Club membership photo book volunteers have come forward. Mrs. Susan Barry and Mrs. Deb Kevin will be working to assemble photos and data from e-mails and from the last change of watch to create a photo album of club member families.

Each member family will be asked to submit a recent family photo, via email, with names of people in the photo to be assembled into a book that corresponds to the membership book we now use. We will continue the present membership book with names addresses and phone numbers that will be distributed as before.

A copy of the new photo gallery book will be at the Club. We would then make it available through the Club Runner "member's only" area for your convenience to download if desired.

Please send your family photos to [dtdicke@aol.com](mailto:dtdicke@aol.com) until further notice. If you attended the change of watch in 1-2017 and are happy with the photo provided there, we will use that for your photo in the book. If not please email a photo you want in the new book. Please contact Commodore Dave Dicke 419-350-3760 if you have any questions.
