

Multi-District Northeast Presidents-Elect Training Seminar

Districts [7780](#), [7850](#), [7870](#), [7890](#), [7910](#), [7930](#), [7950](#), [7980](#)

Pre-PETS Instructions

What is Pre-PETS?

Pre-PETS is when Rotary Presidents-Elect (PEs) are provided the information and tools they need to **pre**pare for **PETS**. This meeting is unique to each district. Each District Governor-Elect (DGE) develops his/her own program customized to meet the needs of his/her district and PEs. He/she organizes the dates, times, and facilities for his/her own district.

What should you expect at Pre-PETS?

In 2014, there will be an emphasis on the following topics:

- The new Rotary International website (hands-on workshop)
 - How to register
 - How to navigate
 - How to enter/edit goals
- Your club bylaws
- The new Manual of Procedures
- Other topics specific to each district

In addition, you will have the opportunity to meet and/or engage with other PEs from your district, your Assistant Governor (AG), and other district officers integral to your success as Club President.

What should you bring to Pre-PETS?

Please bring

- Your laptop or tablet as you will participate in a hands-on workshop for navigating through the new Rotary International website
- A copy of your club bylaws
- Any other material requested by your DGE

Please register for the Pre-PETS in your district at the earliest. Please contact your AG or DGE if you have not received your invitation to register or have other concerns.
