

Trish Pearson

Trish is a member of the Orange, Connecticut club, having joined in 1994, holding many offices including President in 2005-06. She has been involved in many areas of District 7980 including serving on five District Conferences, chairing twice. She served on the District Visioning Team as a facilitator, a member of District finance and Public Image Committees. She is currently in her second year as Assistant District Governor, moving into her current role of DGN when DGE Paul Mangels was “promoted”. She knew he would be a great act to follow.

Some of Trish’s most memorable Rotary moments were attending two Rotary International Conventions, meeting Rotarians from around the world and sharing experiences – including a trip in a van with five other Rotarians to New Orleans. What a way to build better friendships. She is also proud to have participated with her club and partner clubs in a project that provides new winter coats to school children in area cities. Currently in its sixth year, they have distributed over 10,000 coats.

Trish is an insurance agent, specializing in health, life, disability and senior insurance services. When not working or attending Rotary meetings she escapes to her Vermont family home where she enjoys skiing and playing golf. She lives in Orange with her husband, Glenn, also a Rotarian and her true Rotary partner. They have a married son who lives in Stamford, CT .
