Rotary International, Our Club and The Rotary Foundation

Rotary is an organization of business and professional leaders united worldwide who provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in the world. There are 1.2 million Rotarians in 160 countries worldwide.

The first Rotary Club was founded in Chicago, Illinois in 1905 by an attorney named Paul Harris and several of his colleagues. The name "Rotary" was derived from the early practice of rotating meetings among each of the members' offices. The Rotary motto is "Service above self".
