KCSSA DEDICATION

Charlie Bierschwale was born in January 1941 in Kerrville, Texas, and grew up on a ranch on the Divide, near Rocksprings, where he went to school.

He went to college at SWTSU (now Texas State) and graduated in 1964 with a major in Vocational Agriculture and a minor in Science. He worked on a ranch in Rocksprings for a year before deciding he wanted to teach. He looked for teaching jobs around San Antonio and Houston, where he had relatives, then returned to Kerrville. He stopped in Kerrville to visit a good friend, Hillyer Ward at the Junior High, who mentioned that there was an opening in the Science Department.

He taught four really good years of Life Science at the Junior High. Eventually, the Ag Teaching job at Tivy came open and he took it. He enjoyed teaching at Tivy for 16 years. He really connected with the kids, and loved working with them and helping with their animals. But times and teaching were changing, and he had for many years wanted to open a retail store where he could continue his relationships with the kids and broaden his relationship with the community. Charlie and his wife, Cheryl, planned, built and operated Back 40 Supply for 27 years selling feed, animal health products and trailers. This continued until 2012 when he retired and sold the business.

Through the years, Charlie has always believed in the mission of 4-H and FFA and the vital part they play in building character and usable knowledge for future citizens and leaders.

He first became a member of the 4-H at the age of 10. By that time, he had already been feeding sancho lambs for several years and had begun to build a small herd. His dad let him swap sancho lambs for "pick of the litter" at marking time. Pasturage was free, or exchanged for labor on the ranch. In High School, he took Vocational Ag and joined the FFA. By the time he graduated, he had 20 ewes. These paid for his college education when they sold. He was a member of the collegiate FFA and Rodeo Club during his college years.

When he moved to Kerrville in 1965, he was drafted as a Director of the 4-H Jr. Horse Club. Early on, membership grew to 75 members. As he began teaching Ag, his interests included FFA and Rodeo Club, which now had grown to over 100 members. Charlie also became associated with the Kerr County Open Horse Show, which for several years donated profits to local charities. At some point it was decided to settle on a permanent recipient. With Hazelle Calcote's expertise, a loan arrangement was set up for 4-H and FFA members who needed to borrow money for their projects. After many years as being the loan officer, Hazelle transformed the program into a purchasing arrangement whereby the kids with animals listed on the back page of the Sale list were purchased at a premium.

After "retiring" from teaching and opening Back 40 Supply, Charlie also became an active buyer, often partnering with other businesses and encouraging their participation in the Stock Show and Sale. Additionally, a program was developed where for several years, Back 40 Supply presented a special Stock Show Trailer known as the "Herdsman Award" to deserving 4-H and FFA clubs so they could participate more fully in the activities. Then about 2008, after Rick Boles retired from teaching, he joined the team at Back 40 Supply. Rick would take time off occasionally to judge Agriculture Mechanics contests in San Angelo, San Antonio and Houston. Charlie and Rick discussed what Rick did, and what the kids made and showed, the question became: "Why didn't our stock show kids have that contest too?" Charlie and Rick planned and along with local leadership and help from sponsors started a program that began small but grew into one of the best Ag Mech shows in the state.

Charlie taught for a total of 20 years, built and developed Back 40 Supply for 27 years, served on the Board of the Kerr County Soil and Water Conservation District for 30 years, and served as the Director of the HCDJLS for over 40 years. He also served briefly on the Board of the Farm Bureau.

Charlie has spent a lifetime working with the 4-H and FFA- 60 years-for the True Leaders of Tomorrow.

NEW RULE CHANGES

General Rule: Increase the entry fee from \$10.00 to \$25.00

Breeding Sheep: Replace Rule #1 Ownership: All exhibitors of animals in Registered Breeding Sheep classes must present ORIGINAL registration papers (Scramble papers will be accepted) to the Department Superintendent by 4 PM Wednesday, January 4, 2023. Original Registration papers and State Validation paperwork will be used to verify ownership date for breeding animals. Animals must be registered in the Handbook of their Association in only the name of the junior owner or owners to whom the sheep is validated to on or before October 1 of the preceding year. Original registration certificates must state the name of the Junior owner or owners to match the validation paperwork only. Registration certificates that list any additional names besides the name on the validation certificate will be disqualified. Purchase, delivery, possession, transfer and registration must ALL take place on or before the required ownership date of October 1 of the preceding year. Registration Certificates must be available at all times. Original registration papers will be used to verify ownership date for Breeding Sheep (October 1 of preceding year).

Breeding Sheep: Rule 3c- Change shearing wording from “within one week prior to show” to “on or after December 1st of the previous year”

Swine Department: Market show will include barrows and gilts. Gilts **may not** double enter the barrow and gilt show.

Breeding Gilt Department: Replace Rule 1, 2, and 3 with: All exhibitors of animals in Registered Breeding Swine classes must present ORIGINAL registration papers (Scramble papers will be accepted). Original Registration papers will be used to verify ownership date for breeding animals. Animals must be registered in the Handbook of their Association in only the name of the junior owner or owners (no farm name) to whom the gilt is validated to on or before December 1 of the preceding year. Original registration certificates must state the name of the Junior owner or owners to match the validation paperwork only. Registration certificates that list any additional names besides the name on the validation certificate will be disqualified. Purchase, delivery, possession, transfer and registration must ALL take place on or before the required ownership date of December 1 of the preceding year. Registered gilts must be tagged with an official Texas Swine Tag and validated as approved by the Texas Education Agency Department of Agricultural Education and the Texas Agriculture Extension Service.

Special Rules

KERR COUNTY STOCK SHOW ASSOC. INCORPORATED

Force Majeure:

The KCSSA shall not be liable for any delay or failure to perform its operations, activities, shows and events to the extent such delay or failure results from a force majeure occurrence. A force majeure occurrence is defined as any occurrence arising from causes beyond the reasonable control of the KCSSA and which delays or prevents performance by the KCSSA otherwise required by this Agreement, including but not limited to any (i) breakage or accident to equipment, machinery, or facilities; (ii) and strikes, lock-outs or other labor difficulties; (iii) statutes, ordinances, regulations, orders, directives or rules issued by governmental authorities, including, but not limited to those concerning public health and safety, animal disease prevention, detection and response and/or protection of the environment; (iv) judicial decrees or orders; (v) acts of God; (vi) animal diseases and/or quarantines; (vii) wars, riots or insurrections; (viii) civil disobedience, public demonstrations or sabotage; (ix) fires, floods, explosions or inclement weather; (x) inability to obtain necessary labor, materials, supplies, utilities or transportation; (xi) depressions, recessions, or other economic downturns; (xii) embargoes or energy shortages; or (xiii) other causes beyond the KCSSA's reasonable control.

Emergency Evacuations:

The KCSSA shall not be liable for any delay or failure to perform its operations, activities, shows and events to the extent such delay or failure results from a force majeure occurrence. A force majeure occurrence is defined as any occurrence arising from causes beyond the reasonable control of the KCSSA and which delays or prevents performance by the KCSSA otherwise required by this Agreement, including but not limited to any (i) breakage or accident to equipment, machinery, or facilities; (ii) and strikes, lock-outs or other labor difficulties; (iii) statutes, ordinances, regulations, orders, directives or rules issued by governmental authorities, including, but not limited to those concerning public health and safety, animal disease prevention, detection and response and/or protection of the environment; (iv) judicial decrees or orders; (v) acts of God; (vi) animal diseases and/or quarantines; (vii) wars, riots or insurrections; (viii) civil disobedience, public demonstrations or sabotage; (ix) fires, floods, explosions or inclement weather; (x) inability to obtain necessary labor, materials, supplies, utilities or transportation; (xi) depressions, recessions, or other economic downturns; (xii) embargoes or energy shortages; or (xiii) other causes beyond the KCSSA's reasonable control.

PROTESTS: All protests must be in writing and be accompanied by a deposit of \$250.00 cash, which will be forfeited if the protest is not sustained. Such protest must state plainly the cause of complaint or appeal, and must be delivered to the Livestock Show management immediately at the conclusion of judging. Judging procedures will not be interrupted for protest investigation. Depending on the basis of the protest, a decision may be withheld until complete investigation is done. Protests concerning ages of the animals must be filed with the Livestock Show management two hours prior to the commencement of judging in the department.

ELIGIBILITY OF ANIMALS: Upon reasonable request at any time during the feeding period, each Exhibitor agrees to produce for inspection by the Inspection Committee, his or her exhibits and documentation evidencing his or her ownership. Presentation of such documents shall also be required by the Show officials who receive the animal at the time of its arrival at the show. **ETHICS: THE SHOWING OF ANY ANIMAL THAT HAS BEEN ADMINISTERED ANY QUANTITY OF DIURETIC, UNAPPROVED GROWTH STIMULANT OR OTHER UNAPPROVED MEDICATION, OR THAT HAS NOT BEEN PROPERLY WITHDRAWN FROM APPROVED DRUGS IS PROHIBITED.** This prohibition applies to all market animal entries, regardless if the animal is entered in the sale and to all breeding entries. "Unapproved" is deemed to mean not approved by the Food and Drug Administration (FDA) and/or the U.S Department of Agriculture (USDA) for that species.

(Continued)

As a condition for participation in the KCSSA every exhibitor must agree to submit any animal so entered by him or her to inspection by a veterinarian appointed by the KCSSA, and agrees to have such animal submitted to any tests as may be designated and requested by the veterinarian, and agrees that the conclusions reached by the veterinarian shall be final, without recourse against the KCSSA, or any of its officers, directors, or employees.

Also as a condition for participation in the KCSSA exhibitor (market or breeding) entry will be required to have a certification form signed by: 1.) Junior Exhibitor, 2.) Parent or Guardian, 3.) County Extension Agent or Ag Science Teacher. This certification form must be signed and returned with an entry card. No animal will be allowed to show without this certification form properly signed.

The KCSSA reserves the right to have blood, tissue, urine, or DNA laboratorial analysis made on any animal entered for competition. All samples shall be taken by persons designated by the KCSSA and tested in a laboratory chosen by the KCSSA. Reasonable care shall be taken with blood, urine, or other body substances to maintain the purity and identity of the sample. The only chain of custody required will be that routinely relied upon by veterinarians practicing in and around the Kerr County area, or as otherwise designated by the KCSSA. The exhibitor agrees that he or she will cooperate with the person or persons charged with the responsibility of taking the sample from the animal. Failure to cooperate with testing procedures, or any doing or failing to do any act which will make it unreasonably difficult for the person with the responsibility of taking the sample shall be deemed a voluntary withdrawal by the exhibitor of the animal from the competition. This will result in forfeiture of placing, premium money, prizes, auction money, scholarships, and the exhibitor will be subject to being barred from future competition at the KCSSA.

An exhibitor of any market animal producing an analysis with any quantity of diuretic, unapproved growth stimulant or other unapproved medication, or any approved medication within any withdrawal time will forfeit all premium money, prizes, auction money, scholarships and will be subject to being barred from future competition at the KCSSA. An exhibitor of any breeding animal producing an analysis with any quantity of diuretic, unapproved growth stimulant or other unapproved medication will forfeit all premium money, prizes, auction money, scholarships and will be subject to being barred from future competition at the KCSSA.

Unapproved Drug Use:

The showing of any animal that has been administered during its life any quantity of any unapproved drug, chemical or medication is strictly prohibited. KCSSA maintains a **ZERO TOLERANCE POLICY** for unapproved drug use and unethically fitted livestock. Such drugs include, but are not limited to, any diuretic, any unapproved growth stimulant or other unapproved medication. Unapproved means not approved by the Food and Drug Administration (FDA) and/or the U.S. Department of Agriculture (USDA) for slaughter animals including those that may be destined for human consumption. Abuse of the extra-label privilege by veterinarians is unethical and is subject to serious consequences such as license revocation.

Approved Drug Use:

If an animal has been administered a drug that is FDA approved for its species, sufficient time must have passed so that the animal does not test positive for that drug upon arrival to the grounds. Animals must remain free and clear of all drug and chemical residues while on show grounds. Please note that elimination time (the time it takes for no drug residue to be found in the system) is typically longer than the labeled withdrawal time for most

(Continued)

Consequences: In the event any animal is declared by the veterinarian or testing agency to be unethically fitted or disqualified for any reason the KCSSA President will present the case to the Executive Board for evaluation. The exhibitor will likely forfeit all titles, awards, prizes, auction proceeds, premiums and scholarships for all entries if the animal and/or exhibitor is disqualified. Market/Floor money will be forfeited if the animal is condemned at slaughter. The Executive Board may temporarily decide to permanently bar the exhibitor and his or her family from any further participation in the KCSSA. Reinstatement of anyone barred may be made only by the Executive Board. Probation: An exhibitor may be placed on a probationary status if results of drug tests are inconclusive, confirmation of a primary test cannot be granted, or another situation questioning the ethical fitting of livestock arises. The probation grants the right for the KCSSA to collect ultrasound, D.N.A., blood, tissue and/or urine samples for laboratory analysis on any animal entered by an exhibitor on probation at the exhibitor's expense. An exhibitor may remain on probation for any amount of time and may be released from probation only by the Executive Board.

Unethical Fitting:

Unethical fitting is defined as any attempt to alter an animal's performance or alter the natural contour, conformation, or appearance of the animal's body, hide, hair, or feet by any unnatural means. Examples of unethical fitting include, but are not limited to: • Treating or massaging any part of the animal's body, internally or externally, with an irritant, counterirritant, or other substance to temporarily improve conformation. • Surgical alterations, excluding the removal of warts or horns

- Use of Injections
- Striking the animal to cause swelling in a depressed area
- Use of electrical contrivances
- Feeding of material not conducive to the health of the animal, safety of food or marketability of its carcass
- Blocking of nerves to prevent limping or switching of the tail
- The use of diuretics
- The use of alcoholic or carbonated beverages in the feed or administered as a drench • The use of alternative treatments including, but not limited to: acupuncture, animal chiropractic services, electrical massage or laser therapy on show grounds

It is the sole responsibility of the exhibitor to ensure that the animal is free of the prohibited drugs and substances. Knowledge on the part of the exhibitor with regard to the drugs or substances found in an animal is not relevant to any issue, and it shall not be a defense that a person or persons unknown introduced the prohibited substance into the animal.

If any animal requires emergency or medical treatment while on show grounds, only a show approved licensed veterinarian will be allowed to administer any drug, chemical or food additive with the notification of the Division Superintendent. If an animal is treated by a licensed veterinarian while at the show and the medication administered has a withdrawal time, the animal will be disqualified for sale purposes.

ELIGIBILITY OF EXHIBITORS:

(A) In order to exhibit or sell his/her project, the exhibitor must be academically eligible under UIL or other applicable rules, and the exhibitor must also be eligible to participate in extracurricular activities at the exhibitor's school. An ineligible exhibitor will not be allowed to bring his/her project to the show or participate in the sale.

(Continued)

(B) Quality Counts verification will be required for all youth exhibiting livestock (market and/or breeding) at the Kerr County Stock Show. The verification process will require exhibitors to pass an online test that measures their knowledge on quality assurance and character education content items. A verification number will need to be provided at the time of making an official entry to the Kerr County Stock Show. Entries will not be accepted without the Quality Counts Verification Number.

NO PASS – NO SHOW – NO SALE.

GROOMING: No change of the major color pattern of the animal by painting or dying will be allowed. Any grooming material that allows color to come off from any animal will not be allowed at the show.

HOUSING OF LIVESTOCK: All animals are to be in their designated areas (barn, shed, or wash rack). Any exceptions must be authorized by the Superintendent.

GENERAL RULES AND REGULATIONS

KERR COUNTY STOCK SHOW ASSOC., INCORPORATED

ADMINISTRATION OF RULES AND REGULATIONS

The Kerr County Stock Show Association reserves to its executive Committee/ Board the final and absolute right to interpret these rule and regulations and to arbitrarily settle and determine all matters, questions and differences in regard thereto, or otherwise arising out of or connected with or incident to the show, and the right to amend or add to these rules as its judgment may determine. An exhibitor and or their agent who violates any of the general and special rules will forfeit all privileges and premiums and be subject to such penalty as the executive committee may order. Such a penalty may include being barred from the show.

Special rules or conditions are published in each department wherever necessary. If there is a conflict between the special rules of any department and the general rules and regulations, the special rules will govern.

STATEMENT OF LIABILITY

All livestock exhibitors will be under the control and direction of the management, but the show will in no case be responsible for any loss or damage that may occur. Each exhibitor will be solely responsible for any consequential or other loss, injury or damage done to, or occasioned by, or arising from, any animal or article exhibited by him or for its description as given in the catalog, and shall indemnify the show against all animals exhibited by him, or arising out of, or in any way connected with such exhibition of any of the animals so exhibited.

RULES AND REGULATIONS

Rule 1a: To be eligible to enter and exhibit in the Kerr County Stock Show an exhibitor and or animal will not show in any other county show and be enrolled in grades 1-12 and either reside in Kerr County, or attend school in Kerr County. **Exhibitors are allowed to sell only one qualifying animal.**

Rule 2: Exhibitors must feed, care for and exhibit their animals without any aid or assistance during the entire feeding period except from family or legal guardian, AST, CEA or other 4-H or FFA members from the same county. Show management will rule on all issues regarding ownership (i.e. Ribbon, Premium, or Auction/Sale).

Rule 3: **Entry fees are \$25.00 per entry.** All entries must be submitted by the County Extension Agent or Vocational Agriculture Teacher. Entries must be mailed to Kerr County Stock Show Office, P.O. Box 291217, Kerrville, Texas 78029, by December 1, 2022.

(Continued)

Entries must have a December 1, 2022 or earlier United States postmark to be accepted. Late entries, those postmarked after December 1, 2022, will be charged a fee of 5 times the normal entry fee per entry for County. Entries must be received at the address of 313 Earl Garrett St. Kerrville, Texas by 5:00pm, December 15, 2022, regardless of the postmark. All entry fees and summary sheet(s) must accompany entries. No refunds will be made. The entry MUST be signed by the exhibitor, parents or guardian and supervisor County Extension Agent or Vocational Agriculture Teacher. Improperly filled out cards will be returned. Incorrect entries will be returned and charged \$10.00 per exhibitor. Any entries with corrections must be initiated by the exhibitor and the County Extension Agent or Vocational Agriculture Teacher. Entries must be paid by F.F.A. Chapter or Country 4-H Club check

3A: A fee of \$150 will be charged to make a correction to an existing entry. The deadline for this entry to be turned into the stockshow office is the same time as the deadline for that species to be in the barn.

3B: A fee of \$300 will be charged for adding an additional entry past the December 15 deadline. The deadline for this entry to be turned into the stockshow office is the same time as the deadline for that species to be in the barn.

Rule 4: Each exhibitor, per club, will be charged \$5.00 for an operations fee.

Rule 5: Entries must be made on official entry cards with one check to cover all entries.

Rule 6: No exhibitor will be allowed to exhibit more than two (2) market entries per breed or six (animals) per department unless specified in special rules of the department. Meat Goat Exhibitors are allowed up to four (4) entries; no more than two (2) per class.

Rule 7: All County entries must be in the barns in accordance to the outline of the preceding schedule. The release of animals will be at the discretion of each department's superintendent..

Rule 8: Livestock will be screened prior to judging to eliminate any animals of unworthy show quality. Sifted animals must be removed from the barn within 30 minutes of completion of weigh in when sifted.

Rule 9: All entries must remain presentable to the public.

Rule 10: Weighing, sifting and showing will not be delayed for animals entering the arena late. Any exhibit not presented promptly at the scheduled time will be barred from competition in the class and is ineligible for sale or floor price. Protests that the judge overlooked exhibits will not be considered. The only reweighs allowed will be due to mechanical problems as determined by the individual superintendents.

Rule 11: All animals must be exhibited and sold by the owners. A substitute exhibitor may be used under the following conditions:

a. When an exhibitor has another animal showing at approximately the same time or has an animal in the same class.

b. When an exhibitor is sick. Should an exhibitor become sick or injured the day of the show, the department superintendent and two officers may at their discretion render a conditional approval for a substitute exhibitor. Such conditional approval shall require a signed doctor's statement to be mailed to KCSSA P.O. Box 291217, Kerrville, Texas 78029, within 5 calendar days from the date of show. It must be postmarked by Wednesday, January 13, 2023. Failure to produce such a statement shall result in disqualification of the exhibitor and forfeiture of all premium money and sales proceeds.

(Continued)

c. Approved school activities. Exhibitors must have documentation for school activities. The National Western in Denver and the Southwestern Livestock Expo in Ft. Worth are considered approved school activities. No other show will be approved. When one of the stated conditions exists, the department superintendent may use his/her own discretion as to whether a substitute showman will be allowed. If a positive decision is rendered by the department superintendent, the substitute showman must be from the same county or the same 4-H/FFA chapter as the original exhibitor. The substitute must also meet all requirements of a junior livestock show exhibitor. If only one exhibitor is present from a county, the department superintendent can approve a substitute from another county. The department superintendent may require documentation in any of the above conditions and may also require positive identification of the substitute.

Rule 12: After the class has been turned over to the judge, only exhibitors and officials will be allowed in the arena.

Rule 13: In all cases, the decisions of the classifiers, sifters, superintendents and judges will be final. No protests accepted.

Rule 14: Abuse of animals will not be tolerated.

Rule 15: Pens will be assigned by the Department Superintendents. Shavings or sand will be used for bedding of all livestock; no hay for any reason will be permitted (unless specifically permitted by departmental rules). No dogs (except Service Animals) will be allowed in the barn.

Rule 16: Trimming and grooming of animals will be limited to areas specified by the Pens and Grounds Committee. No trimming and grooming will be allowed in the aisles or alleyways. Scales and generators are allowed in designated areas only.

Rule 17: All exhibitors will comply with current regulations governing livestock shows and sales as established by the Texas Animal Health Commission. **THE KCSSA DOES NOT REQUIRE HEALTH PAPERS UNLESS THE TEXAS ANIMAL HEALTH COMMISSION REQUIRES THEM.**

Rule 18: No Recreational Vehicles (unless used by show officials) will be allowed to be used on the grounds.

Rule 19: Owners of the County Champion Animals must submit animals requested by show management for a photograph.

Rule 20: Questionable entries will be pulled aside and penned. After all other entries have been weighed and tagged they will then be checked by advisor, superintendent, and show Secretary.

Rule 21: Original Registration papers and State Validation paperwork will be used to verify ownership date for breeding animals. Animals must be registered in the Handbook of their Association in only the name of the junior owner or owners to whom the animal is validated to. Original registration certificates must state the name of the Junior owner or owners to match the validation paperwork only. Registration certificates that list any additional names besides the name on the validation certificate will be disqualified. Original registration papers will be used to verify ownership dates.

Rule 22: All market steers, Heifers, market lambs, market meat goats, market swine, non pedigreed gilts and Registered Breeding sheep are subject to verification by nose printing, DNA testing or other means to insure compliance with regard to state validation requirements of that specific species.

Rule 23: Absolutely no tack, feed, supplies, or etc. will be allowed to be stored outside the assigned pens. Tack, feed, and supplies will be allowed in or above the assigned pens.

Rule 24: Projects are no longer the responsibility of KCSSA after the completion of their respective shows.

Rule 25: The release of animals will be at the discretion of each department's superintendent.

Rule 26: All rules including but not limited to parasites, feed, tack, trimming tables, head stanchions, trimming of animals, etc, apply to both Market Lambs and Market Goats since they are commingled within the barn.

Rule 27: Showmanship selected for Beef Cattle, Breeding Sheep, Market Swine, Breeding Gilts, Market Lambs and Meat Goats. To be considered for a showmanship award, exhibitors must have a valid entry in the department of contest. Substitute exhibitors are not eligible for the showmanship award unless they, themselves, have a valid entry in that department and have brought the animal to the show.

RULES

1. Exhibitors must have possession and primary care of the animal throughout the feeding period. Prior to July 1, of the previous year, each steer must be tagged with an official Texas Steer Tag approved by the Texas Education Agency Department of Agricultural Education and the Texas Agriculture Extension Service
2. Only one tag may be present in the steer's ear at time of weigh in and that is the state issued validation tag. No breeder tags will be allowed.
3. Texas Validation Forms are to be available to the Department Superintendent at the time of weighing.
4. Classes will be divided equally by the superintendent according to steer weights. Steers must weigh at least 950 pounds.
5. Steer breeds and their appropriate classes will be determined by the official classifier. The decision of the classifier is final and no protests will be accepted.
6. No tie outs will be allowed for any purpose in front of the Exhibit Barn. No trimming chutes allowed.
7. Steers with permanent teeth are eligible to show.
8. Steers must be kept under control at all times. Any steer which in the opinion of the Superintendent or his assistants presents a danger to exhibitors or spectators will be disqualified and removed from the show barn. No protests will be accepted.
9. Hay and shavings will be allowed in the barn.
10. No adhesives or trimming chutes allowed! Use of adhesives or trimming chutes will result in disqualification of the exhibitor and animals.
11. Exhibitors are allowed two (2) entries per breed and no more than six (6) per department. Exhibitors are responsible for filling out weight cards and turning them in by the designated time.
12. No British Crosses
13. Generators will be allowed in designated areas only.
14. Loading out animals will be at the discretion of department's superintendents.
15. Generators will be allowed in designated areas only.
16. Exhibitors will sign up for the sale when they pick up their packets at check in. In order to qualify for the sale, the exhibitor must have shown and placed an animal in the market show.

ASSISTANTS: Mark Dunning, Shelly Evatt, Janet Goldman, Corey Gullede, Lindsey Gullede, Johnny Hawkins, Justin Hawkins, Jim Merrick, Jamie McClintock, Trey McMinn, Jan Reeve and James Wood

County Judge: Chad Coburn

RULES:

1. Exhibitors must have possession and primary care of the animal throughout the feeding period and on feed prior to November 1, of the previous year. Each lamb must be tagged with an official Texas Lamb Tag and validated as approved by the Texas Education Agency Department of Agricultural Education and the Texas Agriculture Extension Service. Lambs weighing less than 100 or more than 160 pounds will be sifted. Minimum weight for Southdowns will be 85 pounds. Only wether lambs may be shown.
2. Market animal classes, a total of fifteen (15), will be divided at the discretion of the superintendents depending on the number of entries at the show. We will not have a preset number of divided classes. Animals will be weighed, sifted, and classified as they cross the scales.
3. All lambs must be slick shorn (20 tooth comb or finer) from knee and hock up, at time of arrival on show grounds. Exhibitors must follow classification guidelines as stated by the Animal Industry. Protests will not be accepted on sifter's decision.
4. The tagging and weighing of all lambs will be done by classes. Sifted animals are ineligible for any further participation. Absolutely no reweighs.
5. Entries that are artificially colored will be banned from the show ring.
6. Exhibitors are allowed two (2) entries per breed and no more than six (6) per department.
7. No powered clippers, blow dryers, trimming or blocking tables allowed on the grounds. Violation of this rule will result in disqualification of exhibitors and animals. (Cordless clippers allowed)
8. Weight breaks are not preset.
9. Only exhibitors will be allowed in the arena during weigh in and classification.
10. An exhibitor cannot leave the show ring once the class has started, until the judge dismisses the class. No substitutions will be allowed into the show ring during placings. Exhibitors will be released upon conclusion of placing, or up to the judge's discretion.
11. No head stanchions in the lamb department.
12. Heat lamps, extension cords, fans, or other electrical devices other than those provided by the KCSSA in the barn will not be permitted.
13. Lambs must be washed free of dirt and mud before weigh-in and classification. Any lambs found to have external parasites, open wounds or sores, skin rashes and/or any questionable skin diseases will be disqualified.
14. All sifted animals must be removed from the barn within 30 minutes of completion of weigh in.
15. The release of animals will be at the discretion of each department's superintendents.
16. Absolutely no tack, feed, supplies, or etc. will be allowed to be stored outside the assigned pens. Tack, feed, and supplies will be allowed in or above the assigned pens.
17. The KCSSA does not condone and will not permit aggressive behavior towards animals. Any exhibitor or anyone assisting an exhibitor is not allowed to aggressively pop, slap, hit, or strike any animal at any time during the show or any place on the Show property. If such behavior is witnessed, it may result in immediate disqualification of the exhibitor, and/or forfeiture of all fees, premiums, and awards. In certain cases, the exhibitor may be banned from future competition. Protests are not permitted.
18. Exhibitors may use halters or collars.
19. All rules including but not limited to parasites, feed, tack, trimming tables, head stanchions, trimming of animals, etc, apply to both Market Lambs and Market Goats since they are commingled within the barn.
20. Exhibitors will sign up for the sale when they pick up their packets at check in. In order to qualify for the sale, the exhibitor must have shown and placed an animal in the market show.

(Continued)

Please keep in mind, registration papers, breeder affidavits, or other paperwork is not considered in the classification process. Eligibility for the class is determined only by visual appraisal, as evaluated by classifiers appointed by show management.

CLASSIFICATION TERMS:

Acceptable: Characteristics that represent the breed.

Discriminatory: Characteristics that are not reason for absolute disqualification but in combination with other discriminatory visual characteristics could lead to removal from a breed division.

Absolute Disqualifications: Unfavorable visual characteristics resulting in removal from a breed division.

Scur: Horn growth that is not completely attached to the skull.

Birthmark: Dark pigmented skin with dark fiber present within the margins of the pigmentation.

DEFINITIONS:

County Judge: Chad Coburn

RULES

1. Wether goats only may be shown.
2. Meat Goat Exhibitors are allowed up to four (4) entries; no more than two (2) per class.
3. The show is open to any breed or crossbreed. Exhibitors must have possession and primary care of the animal throughout the feeding period, prior to November 1 of the previous year. Each goat must be tagged and validated in accordance with the guidelines as approved by the Texas Education Agency Department of Agricultural Education and the Texas Agriculture Extension Service.
4. Exhibitors must show disbudded or dehorned goats only. Any scurs longer than one inch in length will be disqualified, final ruling up to the discretion of the sifter.
5. All goats must be evenly slick shorn of uniform and length from the knees and hocks up prior to arrival on the grounds. No electric clippers or blow dryers will be allowed on the grounds. Goats with hair over 3/8" will be sifted. Any goats with signs of blocking, powder, painting, or artificial coloring of any kind will be sifted. Violation will result in disqualification of exhibitors and animals.
6. All goats pulled for placing consideration are eligible for weigh back. Any goat weighing 4 pounds above or below its declared weight will be disqualified. The declared weight of the goat will be the weight submitted at check in by the exhibitor. Show qualifying weights are **65 pounds to 115 pounds**. (Goats can weigh 61 pounds to 119 pounds for the official weigh back.) Goats will be divided into a maximum of 9 classes with 3 divisions as determined by the superintendent. Division champions will compete for overall grand and reserve grand.
7. Exhibitors may use collars or halters.
8. Any goats found to have external parasites, open wounds or sores, skin rashes and/or questionable skin diseases will be disqualified. Meat Goats must be washed free of dirt and mud before weigh-in and classification.
9. Heat lamps, extension cords, fans, or other electrical devices other than those provided by the KCSSA in the barn will not be permitted. No powered clippers, blow dryers, trimming or blocking tables allowed on the grounds. (Cordless clippers allowed.)
10. Shavings will be allowed in the meat goat barn.
11. Exhibitors are responsible for filling out weight cards and turning them in by the designated time.
12. Only exhibitors will be allowed in the arena during the weigh in and classification.
13. An exhibitor cannot leave the show ring once the class has started, until the judge dismisses the class. No substitutions will be allowed into the show ring during placings. Exhibitors will be released upon conclusion of placing, or up to the judge's discretion.
14. No breeder tags will be allowed.
15. Absolutely no tack, feed, supplies, or etc. will be allowed to be stored outside the assigned pens. Tack, feed, and supplies will be allowed in or above the assigned pens.
16. The KCSSA does not condone and will not permit aggressive behavior towards animals. Any exhibitor or anyone assisting an exhibitor is not allowed to aggressively pop, slap, hit, or strike any animal at any time during the show or any place on the Show property. If such behavior is witnessed, it may result in immediate disqualification of the exhibitor, and/or forfeiture of all fees, premiums, and awards. In certain cases, the exhibitor may be banned from future competition. Protests are not permitted.
17. The release of animals will be at the discretion of each department's superintendents.
18. No head stanchions on the premises.
19. All rules including but not limited to parasites, feed, tack, trimming tables, head stanchions, trimming of animals, etc, apply to both Market Lambs and Market Goats since they are commingled within the barn.
20. Exhibitors will sign up for the sale when they pick up their packets at check in. In order to qualify for the sale, the exhibitor must have shown and placed an animal in the market show.

REGISTERED BREEDING SHEEP DEPARTMENT

Superintendents: Trey Dittmar and Mary Beth Bauer

Asst. Superintendents: Steve Bauer, Rebecca Dittmar, Janet Goldman, Rodney Kott and Russell Kott

County Judge: Roy Walston

RULES

1. **Ownership:** All exhibitors of animals in Registered Breeding Sheep classes must present ORIGINAL registration papers (Scramble papers will be accepted) to the Department Superintendent by 4 PM Wednesday, January 4, 2023. Original Registration papers and State Validation paperwork will be used to verify ownership date for breeding animals. Animals must be registered in the Handbook of their Association in only the name of the junior owner or owners to whom the sheep is validated to on or before October 1 of the preceding year. Original registration certificates must state the name of the Junior owner or owners to match the validation paperwork only. Registration certificates that list any additional names besides the name on the validation certificate will be disqualified. Purchase, delivery, possession, transfer and registration must ALL take place on or before the required ownership date of October 1 of the preceding year. Registration Certificates must be available at all times. Original registration papers will be used to verify ownership date for Breeding Sheep (October 1 of preceding year).

2. Validation: to be eligible to exhibit in the Junior Breeding Sheep Show, all sheep must be validated in the Texas 4-H and FFA Breeding Sheep Validation Program. Failure to comply with the rules and regulations of the Texas Breeding Sheep Validation Program in any manner will result in immediate disqualification. No tag alterations are permitted; any change to size, shape, form or color will void the tag.

3. Shearing Guidelines:

AUCTION SALES

BUYERS' RULES

1. Buyers are requested to settle their accounts for all purchases at one time. All accounts are payable within 30 days. Interest of 1-1/2% per month will be charged on the unpaid balance.
2. Buyers will be presented a sale slip to sign upon purchase, and should keep these to settle their accounts. If an agent signs the sale slip for the buyer then said agent will be liable for the payment of the animal.
3. Should a parent, guardian, grandparent or sibling (including businesses owned by said parent, guardian, grandparent or sibling) of an exhibitor who sells an animal at the annual auction, have an outstanding debt with the association, that exhibitor's check will not be issued until said balance is paid in full. This rule will apply to money given to any "buyers group", used as added money to the sale, or any other contribution to the auction.

EXHIBITOR'S RULES

1. IF THE SELLER IS NOT IN THE SALE LINE UP AFTER THE THIRD CALL THEY ARE CONSIDERED NO SHOW AND NO SALE.
2. Only the exhibitor selling, plus one other Kerr County exhibitor, may enter the auction ring. Only awards won at the KCSSA are approved to be brought into the auction ring, no other awards are allowed with the exception of materials provided by the sales committee.
3. No Buyer's gifts are allowed in the Buyer's area.
4. Exhibitors will sign up for the sale when they pick up their packets at check in. In order to qualify for the sale, the exhibitor must have shown and placed an animal in the market show.

COUNTY SALE RULES

1. The total number of animals which are eligible to sell in the County Auction are as follows:

Steers 26 Goats 72
Lambs 45 Swine 151

For steers, lambs and swine, the number of animals automatically eligible to sell in each breed is determined by the percentile of that specific breed in relation to the total number of that species which is actually being exhibited. The top 8 placing meat goats in each weight class are automatically eligible to sell. If an animal which is automatically eligible to sell chooses not to sell then the next highest placing animal in that market class will be allowed to move up in the order. If any sale positions remain in a species after all exhibitors have signed up, the remaining positions will transfer to the other species. The number of positions transferred to each species will be in proportion to the number of entries entered at the 2023 Kerr County Stock Show. The Executive Board and the Superintendents of the County Market Animal Departments must approve any transfer between species.

2. Premium checks will be available for Kerr County Exhibitors from their respective supervisors by March 1, 2023 or when 95% of auction sales are collected whichever is later.

3. Exhibitors will sign up for the sale when they pick up their packets at check in. In order to qualify for the sale, the exhibitor must have shown and placed an animal in the market show.

4. Only the exhibitor selling, plus one other Kerr County exhibitor, may enter the auction ring. Only awards won at the KCSSA are approved to be brought into the auction ring, no other awards are allowed with the exception of materials provided by the sales committee.

5. If funds from the sale of an animal are donated to an organization, the association will make the check directly to the said organization.

6. An exhibitor is allowed to sell only one qualifying animal at the sale.
