

The HCDJLSA is proud to say that our new online entry system is up and running for the 2020 show. You should have received an email on 11/13/19 at 11:09 am from ssp.kerr@mitul.us. If you do not see that message, please check your Junk folder. If you still do not see it, please contact the email address below.

We have noticed that the system does not like Microsoft Edge, but Google Chrome and Foxfire seem to work well.

Therefore, this year you will not have to send in a summary sheet, just the paper entries and entry fees, postmarked by 12/1/19.

If you have any question, please email me at entries@hcdjls.org

Thank,
Brian Compton
