SECTION 4.5. Maintenance of Village Property. Village Property shall be owned by the Village and maintained by the Association. Maintenance of Village Property by the Association shall include the park sites and landscaping and other improvements thereon located on Outlot F and Outlot I as designated on the Plat of Subdivision.

The Association shall be responsible for maintenance, repair and replacement of the emergency access easement area (including snow plowing thereof) located partly on Lots 134 and 135 as designated on the Plat of Subdivision and partly on the adjacent Neuhausen development located east of the Property (the "**Emergency Access Easement Area**"). The Emergency Access Easement Area is generally depicted on the site plan attached hereto as **Exhibit C**. An easement over the Emergency Access Easement Area has been granted to the Village for emergency vehicle access and to the Association for maintenance pursuant to easements granted by Declarant and by Neumann Homes, Inc., which have been recorded with the Lake County Recorder of Deeds. Owners of Lots that are affected by the Emergency Easement Access Area shall not install landscaping or any other structures or improvements within such area, it being recognized that such area shall allow unhindered access in an emergency situation by emergency service vehicles serving the Property.

SECTION 4.7. Notification and Education of Owners with Respect to Conservation Easement Areas. Not less than once every two (2) years the Association shall provide written notice to all Owners with respect to the proximity of the Property to the adjacent Redwing Slough State Natural Area and of the restrictions that are imposed on those Lots that are subject to a Conservation Easement in order to protect the Redwing Slough State Natural Area. Such notice shall also remind Owners that IDNR is responsible for maintaining Conservation Easement areas.

SECTION 4.8. Failure of Association to Maintain, Repair or Replace. In the event the Association fails to maintain, repair or replace Common Area and any improvements thereto or any landscaping or improvements located within Dedicated Rights-of-Way that are the responsibility of the Association to maintain, the Village may (but shall not be required to) effect such maintenance, repairs or replacements and the Village shall be entitled to reimbursement in full from the Lot Owners for its costs, including reasonable attorneys' fees, incurred in connection therewith.

ARTICLE 5.

COVENANT FOR ASSESSMENTS

SECTION 5.1. Creation of the Lien and Personal Obligation of Assessments. Each Owner of any Lot, by acceptance of a deed therefor or possession thereof (whether or not it shall so expressed in any such deed or other conveyance), is deemed personally and individually to covenant and agree to pay to the Association the Assessments authorized under this Declaration. In addition, Declarant hereby covenants and agrees for each Lot owned by Declarant within the Property to pay to the Association the Assessments authorized under this Declaration, subject to the provisions set forth in Sections 5.8 and 5.9. All such Assessments shall be fixed, established

and collected from time to time as provided in this Declaration. The Assessments, together with interest thereon, attorneys' fees and costs of collection thereof, as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such Assessment is made. Each such Assessment (and deficiency contributions, in the case of Declarant), together with such interest, costs and reasonable attorneys' fees, shall also be the personal obligation of the Owner of such Lot at the time when the assessment falls due. This personal obligation shall pass to each Owner's successors in title accepting a deed to or assignment of beneficial interest in any trust holding title to an Owner's Lot.

SECTION 5.2. Base Annual Assessments. The Association is authorized to levy Base Annual Assessments equally against all Lots subject to assessment, which shall be paid by the Owners of all Lots within the Property, to fund common expenses for the general benefit of all Owners. Base Annual Assessments shall be used for the following purposes:

- (a) maintenance, repair, replacement and improvement of Common Area and Village Property, and all landscaping or other improvements thereon, including without limitation any landscape buffers, retention ponds, detention ponds, swales, pathways and sidewalks, lighting, gazebos and other structures located thereon;
- (b) maintenance, repair and replacement of any landscaping located within any Dedicated Right-of-Way that are the responsibility of the Association to maintain under the terms of this Declaration;
- (c) maintenance, repair and replacement of any landscaping located within any Dedicated Right-of-Way that are the responsibility of the Village to maintain, to the extent such landscaping is not maintained, repaired or replaced by the Village;
- (d) payment of premiums on insurance maintained by the Association pursuant to this Declaration; and
- (e) to provide funds for the Association to carry on its duties or exercise its rights set forth herein or in its Articles of Incorporation or By-Laws or in the Illinois Not-For-Profit Corporation Act.

SECTION 5.3. Date of Commencement of Base Annual Assessments; Due Dates. Base Annual Assessments provided for herein shall commence for any Lot within the Property, or any land annexed to the Property, on the day of the conveyance of the first Lot of such type in the Property and shall be prorated for the month of said conveyance. The Board of Directors shall fix the amount of Base Annual Assessments for the upcoming fiscal year at least thirty (30) days in advance of the end of the then current fiscal year, and in lieu thereof, the amount of the Annual Assessment for the prior year shall be the fixed amount. Written notice of any changed amount of the Base Annual Assessment shall be sent to every Owner subject thereto, but failure to do so shall not invalidate the changed Base Annual Assessment. Base Annual Assessments shall be payable in monthly installment or such other periodic basis set by the Board of Directors.

SECTION 5.4. Special Assessments. The Association is authorized to levy Special Assessments to cover unbudgeted expenses or expenses in excess of those budgeted, for the following purposes:

- (a) defraying in full or in part the cost of any construction, reconstruction, repair or replacement of any improvement on Common Area or Village Property or any improvements which are the responsibility of the Association, including without limitation the necessary fixtures, personal property or landscaping located on or related to Common Area and Village Property, and all landscaping or other improvements thereon; and
- (b) defraying in full or in part the cost of, and providing of funds to the Association, for carrying on any of its duties set forth in this Declaration or in its Articles of Incorporation or By-Laws or the Illinois Not-For-Profit Corporation Act.

Any Special Assessments shall have the assent of a majority of the votes of the Members that are subject to such Special Assessment voting in person or by proxy at a meeting duly called for such purpose, at which a quorum is present, written notice of which shall be sent to all such Members not less than five (5) days nor more than forty (40) days in advance of the meeting, setting forth the purpose of the meeting. Unless the Special Assessment specifies that it shall be applicable to a specified number of years, it shall be applicable only to the year enacted. In the event a Special Assessment is to be levied on less than all of the Lots located within the Property, such Special Assessment may, by the action described herein, be levied against only those Lots which benefit by such Special Assessment, in proportion to their benefit, and not against the other Lots in the Property.

SECTION 5.5. Capital Contributions. The Association is authorized to levy Capital Contributions against all Lots as provided herein. At the time of the initial sale of each Lot from Declarant to any Owner, such Owner shall pay to the Association a Capital Contribution, which shall be a sum equal to six (6) monthly payments of the Base Annual Assessment then in effect. The Capital Contributions shall be used by the Association to cover operating expenses and other expenses incurred by the Association pursuant to this Declaration and the By-Laws. The Capital Contributions for any Lot shall be levied only upon the sale by Declarant to an Owner and shall not be levied on any subsequent sales of the Lot.

SECTION 5.6. Reasonable Reserves. The Association shall establish and maintain from Base Annual Assessments collected hereunder reasonable reserves for the costs of the maintenance, repair and replacement of those items which are the responsibility of the Association. The Association may establish and maintain such other reasonable reserves as the Board of Directors deems necessary and convenient which are consistent with the powers and duties of the Association.

SECTION 5.7. Uniform Rate of Assessment. Base Annual Assessments must be fixed at a uniform rate for all Lots subject thereto. Base Annual Assessments may be collected on a quarterly basis or such other periodic basis as set by the Board of Directors.

SECTION 5.8. Assessment for Lots Owned by Declarant. Notwithstanding the foregoing provisions, Base Annual Assessments and Special Assessments for any Lots while (i) owned by Declarant and improved with a completed residence, but unoccupied by any tenant of Declarant, or (ii) owned by any party but occupied by Declarant and used as a model or a sale office, shall be limited to 25% of the amounts fixed with respect to such type of Lots owned by Owners other than Declarant. Prior to the completion of a residence on any Lot, (which shall mean the issuance of a certificate of occupancy therefor by the Village), such Lot shall be exempt from payment of any and all Assessments.

SECTION 5.9. Deficiency Contributions. For every calendar year during which Declarant remains a Class B Member of the Association, Declarant shall contribute to the Association all funds in excess of the budgeted and collected Assessments which shall be necessary to defray the costs properly paid or incurred by it for the purposes for which Base Annual Assessments may be collected. Declarant's contribution for the calendar year during which Declarant's Class B membership terminates shall be prorated to the date of such termination. For purposes hereof, the establishment of reserves pursuant to Section 5.6 does not constitute the payment or incurring of costs by the Association and Declarant's deficiency contribution shall not be required to be applied to the establishment of reserves.

SECTION 5.10. Certificate of Payment. The Association shall, upon demand, furnish to any Owner liable for said Assessments, a certificate in writing signed by an officer of the Association, setting forth whether the Assessments on a specified Lot have been paid and the amount of the delinquency, if any. A reasonable charge may be made by the Board of Directors for the issuance of such certificates. Such certificates shall be conclusive evidence that any Assessment therein stated to have been paid has in fact been paid. No charge shall be made for issuing from time to time said certificates to Declarant on Lots then owned by Declarant.

SECTION 5.11. Delinquency in Payment of Assessments. Any Assessment provided for in this Declaration which is not paid when due, shall be delinquent. With respect to each Assessment not paid within fifteen (15) days after its due date, the Association may, at its election, require the Owner to pay a "late charge" in a sum to be determined by the Association and applied uniformly. If any such Assessment is not paid within thirty (30) days after the delinquency date, the Assessment shall bear interest from the date of delinquency at the highest rate permitted by Illinois law, and the Association may, at its option, bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien (provided for in Section 6.1 hereof) against the Lot, and there shall be added to the amount of such Assessment the late charge, the costs of preparing and filing a Complaint in such action and reasonable attorneys' fees, and in the event a judgment is obtained, such judgment shall include all Assessments accrued from date of suit to judgment, increased by such late charges, costs and fees, plus interest. Each Owner vests in the Association or its assigns, the right and power to bring all actions at law or lien foreclosures against such Owner for the collection of such delinquent assessments

SECTION 5.12. Suspension of Voting Rights Due to Unpaid Assessments. The Association is authorized to suspend the voting rights of an Owner for any period during which any Assessment against such Owner's Lot remains unpaid and delinquent, and for a period not to

exceed thirty (30) days for any single infraction of the published rules and regulations of the Association, provided that any suspension of such voting rights, except for failure to pay Assessments, shall be made only by the Association or a duly appointed committee thereof, after notice and hearing given and held in accordance with the By-Laws or rules and regulations of the Association. The foregoing shall not apply to unfunded deficiency contributions of the Declarant under Section 5.9.

SECTION 5.13. Waiver of Use. No Member may exempt himself from personal liability for Assessments duly levied by the Association nor release the Lot owned by him from the liens and charges hereof, by waiver of the use and enjoyment of Common Area or by abandonment of his Lot.

SECTION 5.14. Subordination of the Lien to Mortgages. The lien of the Assessments provided for herein shall be subordinate to the lien of any first mortgage or trust deed. Sale or transfer of any Lot shall not affect the Assessment lien. However, the sale or transfer of any Lot pursuant to the foreclosure of a mortgage or trust deed or any proceeding or deed in lieu thereof shall extinguish the lien of such Assessments as to payments which become due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any Assessments thereafter becoming due or from the lien thereof.

ARTICLE 6.

PROPERTY RIGHTS

SECTION 6.1. Members' Easements over Common Area. Every Member shall have a right and easement for ingress and egress over and across, and for use of and enjoyment in and to, Common Area and the improvements thereon, and such easements shall be appurtenant to and shall pass with the title to every Lot. Reference in the respective deeds of conveyance, or in any mortgage or trust deed or other evidence of obligation, to the easements and covenants herein described shall be sufficient to create and reserve such easements and covenants to the respective grantees, mortgagees or trustees of said parcels as fully and completely as though said easements and covenants were fully recited and set forth in their entirety in such documents. Said right of easement for ingress and egress over and across, and of enjoyment in and to, Common Area and improvements located thereon shall be subject to the following provisions:

- (a) The right of the Association, in accordance with its Articles of Incorporation and By-Laws, to borrow money for the purposes of improving or reconstructing Common Area and improvements thereto and in aid thereof to mortgage said Common Area (or a portion thereof).
- (b) The right of the Association to declare or grant easements and licenses and to dedicate or transfer all or any part of Common Area to any public agency, authority, or public or private utility for such purposes and subject to such conditions as may be agreed to by the Members. No such dedication or transfer shall be effective unless an instrument has been recorded, signed by the Association and authorized by the assent of at least sixty-seven percent (67%) or

more of the votes of each class of Members present in person or by proxy and entitled to vote at a meeting duly called for such purpose at which a quorum is present, written notice of which is mailed to all Members not less than five (5) days nor more than forty (40) days in advance of the meeting, setting forth the purposes of the meeting.

- (c) The right of the Association to establish uniform rules and regulations (including fines) pertaining to the use of Common Area; provided, however, that the Association shall not limit or prohibit the public use of pathways located within the Property.
- (d) The right of the Association to suspend an Owner's right to use any improvements located within Common Area (i) for any period during which any charge against such Owner's Lot remains delinquent; and (ii) for a period not to exceed thirty (30) days for a single violation or for a longer period in the case of any continuing violation, of this Declaration or the rules and regulations of the Association after written notice thereof.
- (e) The right of Declarant and its designees (and their respective sales agents and representatives) to (1) non-exclusive use of Common Area (as may be amended by annexation from time to time) in connection with the sale of residential units within the Property (including any of the Additional Land annexed thereto); and (2) the use of any improved residence on any of the Lots as a sales office until the last Lot within the Property is improved with a residence and conveyed to a third party purchaser.
- (f) Such other rights as are reserved or created by this Declaration.

SECTION 6.2. Delegation of Use. Any Member may delegate in accordance with the By-Laws of the Association, such Member's right of enjoyment to Common Area and the improvements located thereon to the members of his family, and the occupants residing on such Member's Lot.

SECTION 6.3. Association's Access to Lots. The Association and its respective agents, employees and independent contractors shall have the right and license to enter upon any Lot to the extent necessary to exercise any right or responsibility of the Association as set forth in this Declaration, as to the Lot or the dwelling unit or other improvements situated thereon, or to the extent necessary to enforce any covenants or restrictions set forth herein and shall not be guilty of trespass.

SECTION 6.4. Title to Common Area. Declarant covenants for itself, its successors and assigns, that it will convey or cause to be conveyed fee simple title to Common Area to the Association within thirty (30) days after the date of this Declaration, subject to:

- (a) Covenants, conditions and restrictions then of record;

- (b) The terms of this Declaration;
- (c) Zoning ordinances, development agreements and annexation agreements of record;
- (d) Current real estate taxes, not yet due and payable (for which Declarant shall pay or make arrangements to pay its pro rata share);
- (e) Utility easements granted or to be granted for sewer, water, gas, electricity, telephone, cable television and any other necessary utilities;
- (f) Reservation of easement for ingress and egress; and,
- (g) Easements granted or to be granted for the construction, maintenance, repair and use of improvements to be located on Common Area.

When lands annexed from time to time, pursuant to Article 11 of this Declaration, contain land to be designated as Common Area, said Common Area shall similarly be conveyed by Declarant or the legal title holder thereof to the Association prior to the conveyance by Declarant or such legal title holder to an Owner of the first Lot in the lands then annexed.

ARTICLE 7.

EASEMENTS

SECTION 7.1. Utility Easements. Declarant hereby reserves unto itself, its successors, assigns and designees, the right (i) to create, declare and grant over, above, under and across Common Area or the Lots, at any time before or after conveyance, non-exclusive perpetual utility easements and (ii) to utilize any easement created by any Plat of Subdivision or other instruments, for the installation, construction, improvement or removal or reconstruction, replacement, substitution, and maintenance of sewer (storm and sanitary), water, gas, electricity, cable television, telephone and any other utilities as may be necessary in Declarant's sole judgment to develop, service and maintain the Property. The aforesaid easements shall include reasonable rights of ingress and egress. Furthermore, Declarant hereby declares and reserves for the benefit of all Owners, the Association, and the various public utility companies a non-exclusive public utility easement over, above and under Common Area, and those portions of Lots on which no homes are constructed, for the installation, construction, improvement, removal, reconstruction, replacement and substitution of underground service lines, wires, cables, conduits, terminals, manholes and other fixtures as the beneficiaries of the easement may from time to time require for any sewer (storm and sanitary), water, gas, electricity, cable television, telephone and other utilities which may serve the homes constructed on the Property, or other adjacent properties. It shall be the obligation of any party exercising the easement to restore any areas disturbed by the exercise of the easement in the manner and to the extent set forth in the provisions contained in the Plats of Subdivision for the Property relating to the exercise of easements.

SECTION 7.2. Ownership of Utility Lines. Declarant shall initially own all storm sewers, sanitary sewers, and water lines when situated in, over, under, along or across Common Area or easement areas designated for the installation and maintenance of such lines to the extent the same are not initially dedicated to the Village, Lake County, any public utility or any governmental or quasi-governmental authority, and Declarant shall have the right (but not the obligation) of maintenance, replacement, repair or removal thereof and reasonable access thereto. Declarant may transfer title to said storm sewers, sanitary sewers and water lines and Declarant's rights of maintenance, replacement, repair and removal thereof to any assignee deemed beneficial or appropriate by Declarant (including the Association, the Village, Lake County, any public utility, or any governmental or quasi-governmental authority), which transfer and assignment shall be effectuated by a bill of sale or other appropriate writing. In the absence of such a transfer prior to the completion of the sale of all of the Lots by Declarant to Owners purchasing the same, the transfer shall be deemed to have been made to the Association upon the closing of the sale of the last Lot to an Owner, without further action or documentation.

SECTION 7.3. Reservation of Easements for Declarant's Benefit. Anything contained in this Declaration to the contrary notwithstanding, Declarant hereby reserves for itself, its agents, employees, contractors, sub-contractors, workmen, materialmen, invitees and any successor builders an easement under, over and across Common Area for the purposes of constructing, completing, repairing, maintaining, inspecting, exhibiting and selling any Lots or dwelling units then owned by Declarant or any such successor builders.

SECTION 7.4. Easements for Installation, Maintenance and Repair of Common Area. Declarant hereby reserves unto itself, its successors, assigns, and designees, and to the Association, the right and easement to come onto the Lots or Common Area for purposes of building, installing, maintaining, repairing, replacing and improving Common Area and any improvement located thereon or within any Dedicated Right-of-Way.

SECTION 7.5. Easement for Access to Village Property. Declarant hereby declares and reserves for the benefit of the Association, its officers, employees, agents and contractors, an easement and right of ingress and egress, over, upon and across any and all portions of Village Property within the Property to the extent reasonably necessary for purposes of inspecting, maintaining, repairing and replacing all or any portion of the improvements located on the Village Property.

SECTION 7.6. Easement Over Pathways. Declarant hereby declares and reserves for the benefit of all Owners and their guests and invitees an easement and right of ingress and egress, over, upon and across any pathways located on any portion of Common Area within the Property. The Association shall have the right to adopt reasonable rules and regulations governing and limiting the right and easement granted hereunder, subject to approval by the Village. There is also declared and reserved for the benefit of the public an easement and right of ingress and egress over, upon and across such portions of any pathways located on any portion of Common Area as are to be usable by the public and maintained by the Village, as designated on the Plat of Subdivision. Motor vehicles are prohibited on such pathways without prior written approval of Declarant or the Association.

SECTION 7.7. Easement for Maintenance of Conservation Easement Areas.

Declarant hereby declares and reserves for the benefit of IDNR, its agents and employees, an easement and right of ingress and egress, over, upon and across any Conservation Easement area located on any portion of a Lot, Common Area or Village Property within the Property for the purpose of performing maintenance within such Conservation Easement. In connection therewith, IDNR shall have a right of access across Common Area and Village Property within the Property to the extent reasonably necessary to access such Conservation Easement areas.

SECTION 7.8. Rights to Reserve or Grant Specific Easements for Lots and Common Area. Declarant shall have the right to grant or reserve particular specific non-exclusive easements on any portion of any Lot (except portions occupied by dwellings) or on Common Area for the installation, maintenance and repair of improvements to the Lots or Common Area by Declarant, its successors, assigns or designees or by the Association. Such easements may be created over Lots after such Lots are conveyed to Owners only if (i) such areas are designated as such by a Plat of Subdivision, a deed, a declaration of easement or a grant of easement executed and recorded by Declarant with the Recorder of Deeds of Lake County, Illinois, (ii) construction of such improvement has commenced prior to conveyance of such Lot or Common Area, or (iii) such easement is necessary to correct errors in engineering plans. Such easements may be created over Common Area at any time, even after it has been conveyed to the Association. Failure to so grant or reserve any particular specific easement as provided herein shall not invalidate or adversely affect the easements reserved under Section 7.4.

SECTION 7.9. Power Coupled with an Interest. In furtherance of Declarant's rights to create easements pursuant to Section 7.7 above, a power coupled with an interest is hereby reserved to Declarant, as attorney-in-fact of the Association and of the Owners of all Lots within the Property, to grant or reserve such easements, and the giving of any deed, mortgage, or other instrument with respect to Common Area or any Lot, and acceptance thereof, shall be deemed a grant and acknowledgment of and a consent to such power of said attorney-in-fact.

The foregoing restrictions shall not apply to the commercial activities of Declarant or its designees, or the use or operation of sales offices or model units on any Lots by Declarant or its designees during the construction and sales period or by the Association in furtherance of its powers and purposes set forth hereinafter and in its Articles of Incorporation, By-Laws and Rules and Regulations, as the same may be amended from time to time.

SECTION 8.3. Prohibition of Commercial Vehicles, Buses, Trucks, Limousines, Boats, Trailers and Recreational Vehicles on Lots. Prohibition of Derricks, etc. No derrick or other structure designed for use in boring, mining, or quarrying for oil or natural gas, precious minerals, shall be erected, maintained or permitted upon any Lot in the Property, provided that nothing in this Declaration shall be construed to restrict a public utility from erecting, maintaining, and operating upon any Lot owned by it within the Property, a well, housing, and equipment for the purpose of extracting from the sub-surface and/or the treatment, storage and distribution of water through the system of such public utility.

SECTION 8.18. Clearance of Utilities. The Owner of a Lot, and not the Association, shall be responsible for the clearance and relocation of any utilities that must be made in connection with the installation of any improvements by the Owner on his Lot.

Easements for installation and maintenance of the utilities, sewer pipelines and facilities and drainage facilities over each of the Lots, and in Common Area and Village Property, are reserved as shown on the recorded Plat of Subdivision or as created in accordance with this Declaration or any amendments hereof. Within these easements, no structure, planting or other materials shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities or which may change the direction in the flow of drainage channels in the easements, or which may obstruct or retard the flow of water through drainage channels in the easements. Sump pumps, gravity drains and other drains serving the residence constructed on any Lot shall not outfall or empty into grass swales between Lots, but only into a storm sewer, a storm water service line or an underground drain pipe connecting to a storm sewer included in the storm drainage system for the Property; provided, however, that sump pumps, gravity drains and other drains serving Lots which are adjacent to a detention pond located with Common Area may outfall and empty through underground drain pipes directly into said adjacent detention pond at a level not higher than the normal pool elevation of such detention pond. All such easement areas located on a Lot and all improvements in it shall be maintained continuously by the Owner of the Lot, except for those improvements for which a public authority, a private or public utility company or the Association is responsible.

SECTION 8.20. Leases of Lots. Any Owner may lease his Lot, but no lease may be for a period of less than thirty (30) days. All leases must be made expressly subject to the terms of this Declaration. In the event any Owner leases his Lot, he shall at all times keep the Association advised in writing of the address of his own current residence and any changes thereto, and of the name(s) of his tenant(s). SECTION 8.21. Limitation on Number of Lots Owned by One Owner. In such event, neither the Association, its Board of Directors, or the authorized agents of the Association shall be guilty of trespass or held liable for damages.

ARTICLE 9.

APPEARANCE CONTROL COMMITTEE

SECTION 9.1. Creation of Appearance Control Committee. There is hereby created an Appearance Control Committee (the "**Committee**"), which shall consist of three (3) members designated and replaced from time to time by Declarant or by the Board of Directors as provided this Section 9.1. Declarant is hereby authorized to designate and replace members of the Committee until such time as the last Lot of the Property is developed with a home and is sold to a third party purchaser, and said power and duty of Declarant to designate and replace members of the Committee shall cease at the time the last Lot of the Property is developed with a home and is sold to a third party purchaser. Thereafter, such powers and duties shall be vested in the Board of Directors of the Association or in a committee duly appointed by such Board of Directors. No member of the Committee, nor its designated representative, shall be entitled to any compensation for such services performed pursuant to this covenant.

SECTION 9.2. Review and Approval of Plans. No structure, improvement or addition (including, but not limited to, decks, patios, in-ground pools, and storm doors) shall be erected, placed or altered on any Lot within the Property (except as are installed or approved by Declarant in connection with the initial construction of the dwelling and other improvements on the Lot) until the building plans, specifications and plot plan showing the location and proposed erection, placement or alteration of any such structure, improvement or addition has been approved in writing by the Committee as to conformity of external design and harmony with existing structures on the Property and as to location with respect to topography and finished ground elevation. The Committee shall notify an applicant of such approval or disapproval of its action within thirty (30) days after said building plans and specifications, plot plan, description have been submitted to the Committee; or, in the event the Committee does not disapprove of the building plans, specifications and plot plan as submitted, within said 30 day period, and (i) no suit to enjoin the erection, placement or alteration of such structure, or other improvement or addition, or to require the removal thereof has been commenced prior to the completion thereof, or (ii) no removal thereof has been undertaken by the authorized agents of the Association, as provided for herein, such approval will not be required, and this covenant shall be deemed to have been fully complied with.

SECTION 9.3. Enforcement. In the event any such structure, improvement, or addition are erected, placed or altered on any Lot in violation of the provisions of this Article 9, the authorized agents of the Association, upon an affirmative vote taken by the Board of Directors, may enter onto such Lot with no further notice than that provided by the recording of this Declaration and may (but shall not be required to) remove the same and the costs of removal shall be paid by the Owner, and if unpaid, shall constitute a lien against the Lot as provided in Section 5.1 and shall give rise to the remedies available to the Association provided in Sections 5.11 and 5.12. In such event, neither the Association, its Board of Directors, or the authorized agents of the Association shall be guilty of trespass or held liable for damages. In the event suit is filed or in the event the Association takes other actions to enforce this Declaration with respect to such structure, improvement or addition, including removal thereof by the authorized agents of the Association, the Owner shall be responsible for attorneys' fees and costs incurred by the Association, as provided in Section 16.1 hereof.

ARTICLE 10.

OWNER'S OBLIGATION TO MAINTAIN

SECTION 10.1. Covenant to Maintain. Each Owner, his heirs, successors and assigns, hereby covenants and agrees at all times to maintain his Lot, and the residence constructed thereon, in a neat and proper condition and to perform all necessary repairs thereto, to the extent not provided for by the Association pursuant to this Declaration. The foregoing shall include the duty of each Owner to water the landscaping on such Owner's Lot, as provided in Section 4.4. The Owner of each Lot shall be solely responsible for all repair and replacement of lawn, plants, shrubs and other landscaping, which were damaged or died due to the failure of the Owner to adequately water his Lot.

SECTION 10.2. Enforcement of Owner's Maintenance Obligations. If any Owner fails to perform his obligations hereunder, the Association may, but shall not be required to, perform such obligations (including repair and replacement of landscaping and plant materials), and shall not thereby be deemed guilty of trespass. The Association shall be entitled to reimbursement in full from the Owner for its costs of every kind incurred in connection therewith, and any such expenditures incurred by the Association shall become the personal obligation of the Owner and a continuing lien on the Lot, recoverable with interest, costs and reasonable attorneys' fees in the same manner and to the same extent as provided under Section 5.1 and shall give rise to the remedies available to the Association provided in Sections 5.11 and 5.12.

ARTICLE 11.

ANNEXATION OF ADDITIONAL LAND

SECTION 11.1. Annexation by Declarant. Declarant may, without the consent or approval of the Association, any Members or any Owners, annex to the Property all or part of any real estate contiguous to the Property (collectively, the "**Additional Land**") from time to time, by a written instrument signed by Declarant and recorded with the Office of the Recorder of Lake County, Illinois. Should Declarant develop land within the Additional Land within ten (10) years after the date of this Declaration, such portion of the Additional Land may be annexed to the

Property and made subject to this Declaration without the assent of the Class A Members. Such Additional Land, or portions thereof, may be annexed in separate phases and shall be considered annexed to said Property and subjected to the provisions of this Declaration if within such ten (10) year period Declarant executes and records an amendment or supplement to this Declaration with the Office of the Recorder of Lake County, Illinois, describing the portion to be annexed to said Property and legally and specifically making said Additional Land, or portion thereof, subject to this Declaration. Any such Amendment or Supplementary Declaration shall designate Lots and/or Common Area and shall also update **Exhibit A** hereto, if necessary. In improving or causing the improvement of any additional phases(s), Declarant shall keep the Property, subject to this Declaration, free of any liens or claims for liens for labor or materials provided in such improvements, pursuant to the Illinois mechanics' lien laws.

SECTION 11.2. Annexation by the Members. Annexation of any additional real estate to the Property other than property within the Additional Land, shall require the recording with the Office of the Recorder of Lake County, Illinois of an instrument signed by the Association with the assent of not less than sixty-seven percent (67%) of the votes of Members present in person or by written proxy at a meeting duly called for this purpose, at which a quorum is present, written notice of which shall be sent to all Members not less than five (5) days and not more than forty (40) days in advance of the meeting setting forth the purpose of the meeting.

SECTION 11.3. Annexation Limited to Lots and Common Area. No real estate may be annexed to the Property other than real estate that will fall within the definition of "Lots" or "Common Area", as set forth in Article 1 hereof.

ARTICLE 12.

MUNICIPAL ORDINANCES PREVAIL

None of the covenants, conditions, restrictions or provisions of this Declaration are intended to supersede or prevail over the ordinances of general applicability of the Village, and in the event of any conflict, the applicable ordinances of the Village shall supersede and prevail over the covenants, conditions, restrictions and provisions of this Declaration. However, no ordinance of the Village controlling or regulating any act that is expressly limited, controlled or prohibited by the covenants of this Declaration shall operate to authorize or permit such act. The Association shall comply with all Village ordinances and shall seek all necessary approvals and permits from the Village and other applicable governmental entities for activities it undertakes within Village Property, Common Area and Lots.

ARTICLE 15.

INSURANCE

SECTION 15.1. Casualty Insurance for Single Family Homes. Each Owner shall maintain at his own cost and expense such insurance coverage as he may desire with respect to (i) personal liability for acts and occurrences upon his Lot and within his dwelling unit, (ii) physical damage losses for personal property and the contents of his dwelling unit, (iii) physical damage losses for any improvements, additions or betterments installed either by a person or entity, (iv) physical damage loss for any improvements on a Lot, and (v) any special flood hazard insurance as may be required by the first mortgagee of any Lot. The Association shall have no responsibility to maintain such insurance.

SECTION 15.2. Casualty Insurance for Common Area. The Association shall obtain and maintain a policy or policies of insurance with respect to the damage or destruction of

Common Area, any improvements located thereon and to any other tangible assets of the Association, including coverage against damage or destruction by the perils of fire, lightning and those perils contained in an all risk form, and such other perils as the Board of Directors of the Association from time to time may determine should be included in such coverage, in an amount equal to one hundred percent (100%) of the insurable replacement cost thereof, without depreciation and with an agreed amount provision. Such insurance shall name as the insured, and the proceeds thereof shall be payable to the Association, as trustee. The proceeds of such insurance shall be made available, as the Board of Directors of the Association shall reasonably determine, for the repair, reconstruction, and restoration of such portions of Common Area and other insured items subject to the rights of the first mortgagees. To the extent feasible, all such policies of insurance shall (i) provide that the insurance shall not be invalidated by the act or neglect of Declarant, the Association, its Board of Directors, its officers, any Owner or occupant, or any agent, employee, guest or invitee of any of them, and (ii) shall contain an endorsement that such policies shall not be canceled without at least thirty (30) days' prior written notice to the Association, the Owners, and all first mortgagees of the Lots.

SECTION 15.3. Liability Insurance Maintained by the Association. The Association shall obtain and maintain a policy or policies of comprehensive general liability insurance insuring on a claims-made basis the Association, its directors, officers, the Owners, and their agents and employees against claims for personal injury, including death and property damage, arising out of any occurrence in connection with the ownership, occupancy, use, supervision, operation, repair, maintenance or restoration of Common Area, any improvements located thereon and to any other tangible assets of the Association, or in connection with any act or omission of or on behalf of the Association, its Board of Directors, agents or employees within the Property. Such policies shall be in the amount of One Million Dollars (\$1,000,000) for bodily injury, including death, and property damage arising out of a single occurrence, and shall contain a provision that they may not be canceled without at least thirty (30) days' prior written notice to the Association, the Owners, and the first mortgagees of the Lots.

SECTION 15.4. Workmen's Compensation and Fidelity Insurance; Other Insurance. The Association shall obtain and maintain a policy or policies of insurance with reputable insurance carriers providing the following coverage:

- (a) Workers' compensation and employers' liability insurance in such form and in such amounts as may be necessary to comply with applicable laws;
- (b) Fidelity insurance or bonds in reasonable amounts for all officers and employees having fiscal responsibilities, naming the Association as obligee; and
- (c) Such other insurance in such limits and for such purpose as the Association may, from time to time, deem reasonable and appropriate.

SECTION 15.5. Waiver of Subrogation. To the extent feasible, all policies of insurance obtained by the Association shall contain provisions that no act or omission of any named insured shall affect or limit the obligation of the insurance company to pay the amounts of any loss sustained. So long as the policies of insurance provided for herein shall state that a

mutual release as provided for in this Section shall not affect the right of recovery thereunder, and further provide coverage for the matters for which the release herein is given, all named insureds and all parties claiming under them shall, and do by these presents, mutually release and discharge each other from all claims and liabilities arising from or caused by any hazard or source covered by any insurance procured by the Association, regardless of the cause of damage or loss.

SECTION 15.6. Insurance Premium Expense. The expense of insurance premiums paid by the Association under this Article shall be an expense of the Association to which the assessments collected by the Association from the Owners shall be applied.

ARTICLE 16.

GENERAL PROVISIONS

SECTION 16.1. Enforcement. The Association shall have the right (and the Declarant or any Owner shall have the right but not the obligation) to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, liens and charges now or hereafter imposed by the provisions of the Declaration (except that the Association alone shall have the right to enforce obligations under Section 9.3 hereof). Failure by Declarant, the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. Breach of any of the covenants shall not defeat or render invalid the lien of any mortgage or trust deed made in good faith and for value as to said Lots or property, or any parts thereof, but such provisions, restrictions or covenants shall be binding and effective against any owner of said property whose title thereto is acquired by foreclosure, trustee's sale or otherwise. The Association and the Declarant shall be entitled to recover from any Owner against which it initiates enforcement, reasonable attorneys' fees and costs expended by the Association in any enforcement proceedings, and any judgment obtained by the Association in any enforcement proceedings shall include such fees and costs. In addition, such fees and costs incurred by the Association against an Owner, Whether or not proceedings are initiated, shall constitute a lien against his Lot which may be recovered in the manner provided in Section 7.1 hereof.

SECTION 16.2. Severability. Invalidation of anyone or more of these covenants or restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

SECTION 16.3. Covenants Run with the Land. The covenants and restrictions of this Declaration shall run with and bind the land, and shall inure to the benefit of and be enforceable by Declarant, the Association, or the Owner of any Lot subject to this Declaration, and their respective legal representatives, heirs, successors, and assigns for a period of twenty (20) years from the date this Declaration is recorded, after which time said covenants shall be automatically extended for successive periods often (10) years.

SECTION 16.4. Amendment. This Declaration may be amended by an instrument signed by Owners comprising not less than sixty-seven percent (67%) of the total votes

collectively held by all classes of Members with the written consent of mortgagees holding at least fifty-one percent (51%) of the outstanding mortgages on the Property. Any amendment that affects the rights and obligations of the Village as set forth in this Declaration must be consented to in writing by the Village. Any such amendment that has the effect of (i) terminating this Declaration or (ii) terminating the legal status of the Association shall require the written consent of mortgagees holding at least sixty-seven percent (67%) of the outstanding mortgages on the Property and any phases annexed thereto. Notwithstanding the foregoing, in the event Declarant desires to amend this Declaration: (x) to correct a technical or typographical error or to clarify any provisions herein which are otherwise vague, (y) for the sole purpose of causing this Declaration to comply with rules, regulation or guidelines as may be required by either the Federal Housing Authority (FHA) or the Veterans Administration (VA) to enable the sales of Lots from the Property to qualify for the insurance by either such agency of end mortgage loans made to Owners of such Lots, or as may be required to conform to the published manuals or guidelines of any governmental, quasi-governmental or private agency engaged in the business of the purchase of mortgage loans, including, but not limited to Federal Home Loan Mortgage Corporation (FHLMC) and Federal National Mortgage Association (FNMA) for the purchase of mortgage loans made on Lots in the Property, or (z) for the sale purpose of causing this Declaration to comply with the requirements of any statutes, ordinances, laws or regulations applicable thereto, it may do so by an instrument signed by Declarant without the consent of Owners or mortgagees, but shall give notice of any such amendments to all Owners and all mortgagees of Lots who have requested the same in writing. The failure to give such notice shall not affect the validity or effectiveness of such amendment. Notwithstanding anything to the contrary contained herein, Declarant may amend this Declaration to annex the Additional Land to the Property and to ensure that the Declaration appropriately accommodates the annexation of the Additional Land, as provided in Section 11.1 hereof, without any consents, except as provided in Section 16.6. In furtherance of the foregoing, a power coupled with an interest is hereby reserved to Declarant, as attorney-in-fact to so amend the Declaration as provided in this Section 16.4, and each deed, mortgage or other instrument with respect to a Lot and acceptance thereof shall be deemed a grant and acknowledgment of and a consent to such power to said attorney-in-fact. Any amendment must be recorded with the Office of Recorder, Lake County, Illinois.

SECTION 16.5. Quorum. Unless otherwise specified to the contrary in any provision of this Declaration, the presence of Members or of proxies entitled to cast ten percent (10%) of the votes of each class of membership shall constitute a quorum for any meeting of the Members of the Association. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirements set forth in the By-Laws of the Association and the required quorum at such subsequent meeting shall be fifty percent (50%) of the required quorum of the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.
