

Kiwanis Club of Atlanta Membership Opportunities

Thank you for submitting your Application for Membership. Once you have submitted this to your sponsor, you can expect the process to be completed in the following manner:

TYPES OF MEMBERSHIP:

Individual – this membership type is eligible for club benefits including voting at elections, attendance at the luncheon meeting each Tuesday* and serving in a leadership position within the club. It is assigned to a single individual and cannot be transferred to another person for use within the club. This membership does transfer with the individual should they want to transfer to another Kiwanis club, assuming the member is in good standing.

Corporate - this membership type is eligible for club benefits as outlined in the Individual Membership category, however the membership is held by a corporation, business or organization. A primary member is assigned the voting privileges, however, another individual from the organization may attend the weekly meetings in primary member's place. The corporate membership stays with the Kiwanis Club of Atlanta and may not be transferred to another club.

Associate – this membership type has limited club benefits - the individual may vote and serve on committees, but may not hold leadership positions within the club. Also, you will be charged your luncheon meal cost for each meeting he or she attends.
