

Keynote Speaker

JEN SLAW

Jen Slaw works with organizations to create more positive work environments, improve team engagement, and navigate change with a growth mindset. She's been hired across industries for companies like Nikon, Con Edison, American Express, Turner, Skanska, Deloitte, Bristol Myers-Squibb, and First Energy.

A former structural engineer and world-record-holding expert juggler, she's shared her unique perspective on major TV network news / morning shows, the Late Show with David Letterman, Off-Broadway and TEDx stages. She holds degrees in Art & Engineering from Swarthmore College. www.jenslawspeaks.com
