

GRANDIOSE UTTERINGS OF MONACO SOUTH

The Optimist Club of Monaco South - Denver, Colorado

Colo.-Wyo. District
Volume 4, Number 4

Denver, Colorado
July 26, 1985

Past President Pat Bush gave the invocation today and led us in the Pledge of Allegiance. Believe it or not our club flag (good ol stars & stripes) was back in its usual place. Remember it turned up missing on flag day, June 14, and now it's back. Where has it been?

Guests

Three guests were with us today -- really just two since Jerry Staples (guest of John Young last week) submitted his application and check for membership this morning. Welcome Jerry -- glad to have you as a member. Now Jerry didn't waste any time getting started as a member -- he introduced his guest, Ed Lefkowiez. How about next week? Will Ed be there with his guest? One way to find out -- be there. John Young who started all this is still going. He introduced his guest for the day, Howard Engleberg. A few more guests who become members will get us to honor club again this year.

President's Comments

President Bob gave a brief summary of the July 21 Board Meeting which included discussion about the OI Convention and the upcoming District Convention in Colorado Springs. An updating of the Club's youth and community activities was presented and will be summarized in the Board Meeting minutes which will be mailed to all members. President Bob also said he had received a letter from Terry Miller indicating that it was necessary for him to curtail his activities, both work and social, due to health reasons. As you know, Terry has been editor of our newsletter, GUMS, and has done a tremendous job. For awhile at least we will need to give Terry some relief in preparing the weekly newsletter. Anyone who is available to help out please contact President Bob. Meanwhile, please keep Terry in your prayers and give him all the Optimist support we can.

Picnic and Swim Party - Rescheduled for August 2

Curt Jefferies said it wouldn't snow for the party last Friday -- but that might have been better than what did happen. We have Curt's guarantee that Friday, August 2, 7 P.M. to --> ?? the weather will be perfect for our rescheduled picnic and swim party. It can't be worse! Remember, the Picnic is rescheduled for Friday, August 2. Same time, same food, same place, Hampden Heights Swim Club near Hampden and Dayton.

Tri-Star Baseball

Bill Walters outlined the event which is scheduled for Monday morning at Cook Park on South Monaco.

Leukemia Swim-A-Thon

Sunday, August 4, is the date from 8 A.M. until noon. The place is Celebrity Sports Center. Bill Eddy is getting all the volunteers signed up to count laps. If you can help Bill next Sunday morning, give him a call and get signed up. If you have already signed up, call Bill for last minute details.

Mountain Golf

Boy, next Friday will be busy. At 8 A.M. (that's in the morning) on Friday, August 2, right after our breakfast meeting, Doug and his high flying golfers will head for the high country. If luck is with them, they'll find the course that Doug lined up to play. He said it's somewhere near Frazier and Tabernash. Assuming they find it in time to play 18 they should make it back for the picnic and swim party at 7 P.M. (that's in the evening). If you want to risk going with Doug's group and haven't signed up -- call him. He still has room for you.

Annual Paint-A-Thon

Yes, it's still scheduled for Saturday, August 17. Rugby Spoden has several volunteers signed up but he can use more. So why not be "more" and sign up. If you aren't in

Colorado Springs at the District Convention, you can be happily painting a house of a deserving senior citizen.

Next Year's President

Tom Mauro -- getting an early start on his organization asked for volunteers to head up activities of their liking for next year. There's still plenty of room on the organization chart for your name. See Tom and get your name on your spot.

Program

Nick Arnett the funny man -- not because he looks funny or talks funny -- it's because he can and does make people (us on Friday) laugh, sit back and enjoy life. His humor was great and he really proved "When you can't laugh, you've lost everything". What a great way to start a day. Thanks Nick, come visit us again.

Big Laugh

If you were there you know who won the pot. If not come next week, bring a guest and maybe you'll be the winners.
