

# GRANDIOSE UTTERINGS OF MONACO SOUTH

The Optimist Club of Monaco South - Denver, Colorado

Colo.-Wyo. District  
Volume 3, Number 8

Denver, Colorado  
May 24, 1985

As I got to the meeting a little late, I missed the prayer and the Pledge and a pecan roll. Our newest member, Michael Lively, was in attendance as was an old member of the club, Paul Johnson. Frank Middleton gave the prayer and led the Pledge.

Congratulations to Frank Middleton for having been elected Lt. Governor of our District at the Colo.-Wyo. District Bd. Meeting for the '85-'86 year. Others in attendance at the Bd. Meeting were Messrs. Brunner, Evans, Young and Hugo. I believe Kudos are also in order for John Young, who, by letter from the Lt. Gov., was told that he had been elected Lt. Gov. for District 16 (somewhere west across the Great Divide). Gee, John, was it something we said? Don't go. Stay right here in the Optimist Club of Monaco South, speaking of which, can't we get our charter amended somehow to make it more clear where we really meet and eat - How about "The Optimist Club of Hampden East Right Next To McDuck's"? Send in your own suggestions. (Really John, someone's pulling your leg on District 16.)

Ralph, I understand you're recuperating well. Everyone is thinking of you and hoping you'll be in our midst soon.

The Great American Citizenship Tour was enjoyed by all who went. Charlie read some of the thank you letters from the students. Charlie Korsosky was the force behind the success of this outstanding community project and at its flanks were many others who gave of their time and attention to make it a very happy occasion for all. The promised media coverage did not follow through, but that did not detract from the persons who were the object of the citizenship program - the students themselves. It is something that they will probably always remember and the beginning of their awareness that good citizenship in school will continue to foster good adult citizens. Charlie, President Bob, Bill Walter, and Curt Jefferies went on the trip.

Curt Jefferies' pictorial records of the Citizenship Tour won 1st place for us at the District Bd. Meeting in the category of Community Service Awards Notebook. Congratulations, Curt!

In order to attain Honor Club status we will need to add 12 members to our membership roster by September 30. Although we have added 6 new members this year, we have lost 14, leaving our present membership total at 71. And, since several members infrequently attend Friday meetings or club activities and events, the number of members who are actually active in the club is lower than the "71" names on the current roster. Last year ('83-'84) we recruited only two more members than we lost. Are we just bringing in numbers and hoping they'll get involved?

Golf - Perry Park - May 30 - Carpool from Azars at 9:15 - \$40 from each golfer will cover the green fee, a cart, food and awards.

Bowling Social - was held on the 25th at Celebrity at 1:30.

Camping Trip - The site at the Mountain Center has been reserved (Camp site B) for the dates of June 21 (Friday) and June 22 (Saturday). More information will be on the sign-up sheet which will be circulated at the next meeting. Events and activities will be for both children and adults.

Optimist International Convention in Albuquerque \* If you need numbers for purposes of the registration forms, see President Bob and get your reservations made as soon as possible.

37th Annual Convention of the Colorado- Wyoming District - will be held in
