

GRANDIOSE UTTERINGS OF MONACO SOUTH

The Optimist Club of Monaco South - Denver, Colorado

Colo.-Wyo. District
Volume 1, Number 5

Denver, Colorado
November 2, 1984

Bob gave the honors to Joe Marci this morning. He led us off well this morning with the prayer and Pledge of Allegiance. Last week I talked about how the Pledge came to be. Our God, however, I would not presume to define, except to say that I think all creation and the miracles of our births are things to thank God for, and that his only son came to us to show us how we should try to fulfill our lives in accordance with his message to us. Amen, brothers.

Initiation of New Members. It appears that this part of the newsletter might become a permanent part of it. Welcome to new members Dave Joint, sponsored by Bill Eddy, and Bob Paige, sponsored by John Moser. I hope I didn't spell your name wrong, Bob.

Haunted House - This project, led by Tom Mauro and Bill Swigert, was very successful in terms*club participation and money raised for the March of Dimes. About 30 members participated, with Bill Litchfield, Oscar Sorensen, Bill Swigert, Todd Olson, Curt Lorensen, and Dean Sotiriou, and of course Tom Mauro, putting in over 300 manhours. The tally for the March of Dimes at this point is more than \$70,000.00 and will probably be more when everything is collected and counted.

*of Good job to all who helped!

Citizenship Program - Members needed to be at Southmoor on the 13th and at Samuels on the 16th.

Clean Air - November 17 (a Saturday) Bill Litchfield will need member support (time later) in putting up "Clean Air" signs as part of our club's "Better Air" campaign. Also on the 17th will be the distribution to poor families of the Thanksgiving Baskets Program food. Gene will need help in distributing the food baskets and in shopping for the food on the 16th. This project is one of the more satisfying and important projects that our club is involved with. When you deliver food to a house housing 16 Southeast Asians who live in one room with a concrete floor in the Swansea area, its a jolt. You forget that the Mile High City is a city looking for "high-tech" business input and see the world's hunger and poverty as the trash-can in the backyard. Gene Nosal needs your help in buying the food and distributing it in the form of food baskets.

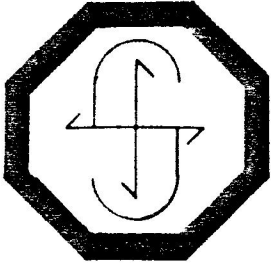

Golf - November 9 is the date - Fitzsimons is the place (Montview Blvd. at Peoria) Pat, I promise to buy enough balls to reimburse you for the last shoot-out we had and the 25 or 30 balls I lost. Those moving trees and shrubs were what really caused me to exceed my handicap, which, if I keep playing, might become a disability of a permanent nature. I have an honorable discharge from the Army. Does that qualify me for an unlimited supply of mulligans? Sign-up sheet passed.

XMAS PARTY! - Oscar has picked the date, December 15, and the time, 7:00 to 12:00, but won't tell us where its going to be. If he doesn't tell us next week, lets have it at Oscar's house and not tell him about it.

Board Meeting - November 13 at the President's house - 7:00 (Reagan's, Mondale's, or Hugo's). I guess we'll have to wait for the election results.

Hurd's Express - The train stops at Greg's house on November 11. Time of arrival not yet known. Greg says that he's trying to tie this project in with the citizenship awards.

Wives to Breakfast - November 30 at Hilton Inn South. Entertainment - Suzuki violinists.
