Pete Peterson introduced our speaker this morning - Kathy Arnold, candidate for Lieutenant Governor. Kathy introduced her aid and right-arm person, Georgette Aberle. Kathy has been in public office since 1978, is married, and has children. Kathy stressed the fact that she and Ted Strickland (cand. for Gov.) are running as a team, and would be sharing the responsibilities of running the state. She also discussed the fact that our state economy is as poor as it has been for several years, and that the real key to helping the economy is to help small business. A majority of Kathy's former political work has been concerned with tougher crime laws, particularly for drug pushers and child abusers. Kathy also mentioned that her husband was with the Golden Optimists - well, that got my vote. Good Luck, and thank you for giving us your views.
