Pres Curt announced that the November Board Meeting will be held Tuesday, Nov. 4, 7:00 pm, at Curt Jefferies house. For those members who have not attended a meeting, this is an excellent opportunity to see where the club's finances go. ALL MEMBERS WELCOME.

PROGRAM

Mike Flannagan introduced our guest speaker this morning - incumbent to the State House representing District 10 - Betty Neale. Betty is no stranger to our club, as she has visited us many times in the past. Betty reviewed many of the issues addressed in the last 2 years (approx. 15), some of which were:

- Tort Reform- attempted to limit damages
- Prison Sentencing- we need harsher sentences, which means we also need more prison space
- Economy- the economy statewide is very sluggish, and so many methods are being discussed in how to boost the economy

Thanks again, Betty, for a most informative discussion.

EARLY BIRD AWARD

For being the 15th person thru the door this morning, Bill Eddy won the Title this week.

MIKE MILLER AWARD

Modest Mike Miller arose to the occasion and presented himself with the award. Other recipients included Charlie "Citizenship" Korsoski, and Mark "Lucky" Campbell.

WORDS OF WISDOM

In discussing the origin of the world and other such matters, philosopher John Young commented that when God made the earth and everything on it, He must have had prior knowledge of sex, for after all, how could one create something so wonderful the first time around.
