New President Bob Hugo ushered in the new year by asking that skilled orator, Terry Miller, to give the Invocation and lead us in the Pledge of Allegiance.

GUESTS.

After Bob struck the gavel precisely at 7:00 a.m., guest and applicator Alan Brock presented his application for membership. Being new at his post, this recorder forgot to note who presented Alan as his guest. Past Governor Gary Cooper was present as a Special guest, and several comments were made, all good, about the past administration by Bush, Pat and the incumbent President, Bob Hugo; we eagerly await yours!

AMERICAN EDUCATION WEEK (October 12-16) is fast approaching. Each of us is encouraged to spend at least half a day in a classroom during this period, or thereafter if so inclined. Let Pat know by October 12.

ARAPAHOE LITTLE LEAGUE - Still going strong with construction but set back a little by the recent rains.

BOARD MEETINGS - Two - District Board Meeting - set for October 7 - and monthly Board meeting of the club at President Bob's house - October 9 at 7:00. All members are urged to attend at least one club Board meeting.

CITIZENSHIP AWARDS - Charlie Korsoski announced that our three elementary schools are still involved in the Good Citizen Awards Program and that an awards presentation was going to take place at Samuels Elementary today. This is one of our club's strongest projects - about 1200 are involved in it, and the South Dakota trip is just an example of how these kids can get excited about recognition for their achievements and how we, as adults, can help to spur this type of attitudes on in our schools.

HAUNTED HOUSE PROJECT = Tom Mauro reported that ten members were meeting at his house tonight to help plan the event. Again the schedule is:

- October 1-15: Build Billiards Room
- October 16: Rehearsal 6-7 P.M.
- October 17: Press Party 5-7 P.M.
- October 18-31: Haunted House Open - Sunday-Thursday, 6-10 P.M.  
Saturday - 6-12 P.M.

Still plenty of time to sign the sign-up sheet

SQUARE DANCE - October 20 is the night to dos-a-dos with Dr. Ed and allemande right to the Outpost. No fancy stuff, just lots of fun. Five bucks per, per yourself, per your wife (or friend). All ya need ta know is yre left from yre right; catch a swing in a ring with another man's wife.

COLUMBUS DAY GOLF - Joe will let us know when and where its gonna be. 10:00?

BRIDGE - Going to give it another try if there is enough interest. Two tables a night if we have the interest. Let the sign-up sheet pass.

BOWLING - From the reported scores, it sounds as if we might have Earl Anthony bowling every line. Are you guys really counting all those pins that don't fall down. Joe Marci is looking for backups should someone falter. Come on - Curt J. rolled a 197?

BASKETBALL COMING UP - Ken Schlagel is soliciting interest in a round-ball horse game for the 17th from 7:00-9:00. Sign up all you hot shots and dunk artists. This format encouraged - sure saves a lot of sweat and scraped knees.

PROGRAM - Wayne Harrison gave an interesting presentation with radio and talk. Wayne is the Program Director for radio station KEZW. Through a nostalgic rendition of the transformation of radio from the old theatre programs and songs of World War II, Wayne showed us how radio has changed over the years. The influence of television has altered the type of programming that radio can compete with and succeed in. Starting with "Gangbusters", the Shadow (Inner Sanctum), the Wheaties commercials, and the "Lone Ranger" on radio gave way to video, but successful radio stations were able to adapt with news programs, songs, and the Top 40. As a theatre of the mind and the family gathered around it, Pinky Lee and Milton Berle changed the way people use radio and the way radio presents itself to the public. Both mediums, obviously, have succeeded in their own arenas, yet in different ways.

P.S. Glen Novinger, a real estate investor, was the guest of Gary Cooper.  
JACKPOT - split between Ken Schlagel and Paul Barnard.
