Tutoring in Rural Villages: The Need

Many barriers can make it difficult to attend school for children in rural Karnataka, India. For those who do attend, many children cannot stay in school without some tutoring help. This appears insurmountable to families that do not know how to access help.

Some children become agricultural workers at a very young age when the family has debt. Some children have health problems that interfere with their school attendance. Some simply need help to catch up to classmates.

"Defeat Depression" Workshop - Chanda Devi Saraf School (CDS), Nagpur

A two-hour workshop was organised by RAGMHI, at CDS school on 25th September 2017 for students of Std 8, 9, and 10th along with their teachers. There were about 350 students and a dozen teachers.

Rita Aggarwal (Director RAGMHI and Manodaya), spoke on depression, its signs and symptoms among teenagers, the stigma attached to mental illness and the need to remove it. She urged the students to understand this disease and learn to help themselves and their friends in trouble.

Adolescent Wellness: Peer Leadership through Interact

Posted on Jun 12, 2017

At our Annual Meeting in Atlanta at the RI International Convention, Bob Anthony (Rotary District 7910) presented this successful mental health project in the USA, Puerto Rico and India to those in attendance. The Rotary Club of Wellesley, Massachusetts is now seeking other Rotary Clubs to participate in a global grant bringing the program into Nigeria.
