

COSMO CRIER

April 9, 2019

Ahhh it is so nice to see buds on the trees, green grass - and if your a CUBS fan - a great win yesterday and a beautiful day to be there (no wasn't there) and if your a SOX fan - well, glad I wasn't at their home opener - BRRR and the NCAA is over - who would have thought Virginia was going to win - okay - am sure you knew. For the golfer's - the Master's will be starting this week. Bowling is probably over for the season, haha.

What a busy few weeks we have had. Plans for the Wine Event are being completed. The food committee has the food selected. We have had some food sponsors too. Sponsorships are coming in and we are at as of today we have \$5600.00....keep up the good work - see if we can get more. Keep posting about the event on your Facebook page - Share - and like when another member does - keep it going. If you have not donated a basket or gift cards, etc., it is NOT too late. If you need ideas on what to do - contact one of us - we can surely help you out. All items need to be brought to the next business meeting - or contact Pat/Ernie Jones to drop off. Have you picked up your tickets for the event? If not, contact LaVonne. If you wish, purchasing a sponsorship starting at \$100.00 is appreciated too.

The Rummage sale was a success. I won't mention again (did on FB) who all helped us. THANK YOU. It is a club effort. This was our 2nd highest in sales. Bella and I are in the process of boxing the remainder items up - and will be donating to St. Paul's church for their use. All the clothing is given to them as well. The Timberlake participants have given us some boxes for next year. So we are off again for next year. Even though I will not be living in Timberlake, we will still be able to have the sale here....so start saving your items again. If you were not able to participate - hopefully, you will be able to give of your time at a later date at our other events on the agenda. This is a CLUB effort and your help is needed.

Sherrill Means, Chairperson and Karen Scroggins and John McKenzie met last week to go over the camp scholarship requests. Jackie Klaisner has notified all the recipients of the monies they will be receiving. There were five applicants this year. Thank you for doing this selection.

Rita Smith and LaVonne will be meeting to go over the awards to be given to our club members.

As always, Jackie will take payments for your dues at any time - we are now using the credit card payment. Payments can always be made throughout the fiscal year - which runs from July 1-June 30th.

Quote for the Day: Don't start your day with a negative attitude. It's hard to understand why so many people wake up each morning feeling defeated when each day holds so much potential. The possibilities that today offers are endless, so eagerly anticipate wonderful happenings. It's easy to let blessings go by unnoticed if you're not looking.

Please keep the following in your Prayers
Gary and Donna Christensen – on the loss of Gary's mother

Frankie Bush who has been dealing with his keotones...missing school and was recently in the hospital.

Paul Smith with continuous recovery from his recent surgery

I normally don't mention non-club members who pass away - but I felt this was noteworthy... I did not meet Jerry Youngren when he and his wife Barbara were guests of Arlene Hawks in October. Jerry passed away April 6th. As noted in the Beacon - he lived with Type 1 Diabetes (Juvenile) for nearly 70 years and was a medical marvel to all who watched him manage this disease.

Congratulations to:
Gary and Donna Christensen on the birth of their twin grandson and granddaughter
Vic Smith on his retirement

Happy Birthday to:
Theresa Shoemaker - 4/10
Mike Baum - 4/22

This seems like a pretty short Crier - but I guess I don't have any news to report - Again, if you have something you would like to share with our club through the Crier – I would appreciate you sending to me.

See you at the next business meeting on April 18th. Your absence is missed if you aren't there!

A handwritten signature in black ink, appearing to read "Robbie", written in a cursive style.
