PATRICK J. HODGINS AWARD (ESTABLISHED IN 1982)

This award is given to an outstanding Cosmopolitan for exemplary Cosmopolitan service over a period of not less than ten (10) full calendar years prior to the date of the international convention at which the award is to be presented.

This award is based on Cosmopolitan service only and not on community service, family or church activities, or business standing. Cosmopolitan service accomplished in support of a community project or activity may be considered. For example, service as a Cosmopolitan Club Bingo Chair to help raise funds for homeless persons could be considered. However, volunteer service as a United Way campaign worker, school board member, or a church deacon would not be considered. These activities are recognized by the Distinguished Community Service Award and the Cosmopolitan Member Community Service Award.

The Nominee shall be a Cosmopolitan who has been active at club, Federation and International levels sometime during the 10 year period and is still active at some level.

Cosmopolitan Of the Year

This award is given to an outstanding Cosmopolitan for exemplary Cosmopolitan service over a period of not less than one and one half (1½) and not more than two (2) full continuous calendar years prior to the date of the International Convention at which the award is to be presented.

This award is based 75% on Cosmopolitan service and 25% on community service, family or church activities, or business standing.

Unlike the criteria for the Patrick J. Hodgins award which requires Cosmopolitan service at the federation level and International level, this award is intended to recognize a hard-working Cosmopolitan whose primary contributions have been at the local level.

MEMBER COMMUNITY SERVICE AWARD

(ESTABLISHED IN 1994)

This award is given to an outstanding Cosmopolitan for exemplary achievements in family life, church life, business standing in the community, civic service, community affairs and Cosmopolitan club activities over a period of not less than five (5) full continuous calendar years prior to the date of the International Convention at which the award is to be presented

Nominee shall be a Cosmopolitan who has been active at any level during the five (5) year period and is still active.

The Nominee shall be a Cosmopolitan who has been active at club, Federation and International levels some time during the 10 year period and is still active at some level.
