RC Cosmo Club News and Notes

Meeting – April 8, 2019

Police Department Update

Police Chief, Karl Jegeris, and Media Specialist, Brendan Medina, shared with the club some of the procedures that have taken place within the department. Discussed the costs involved in arresting the same people over and over. Time spent on reports, court costs, attorney fees, etc. and then releasing the individual and having to do it all over again a week or two later. The department feels there must be better way. Trying to make the best of a bad situation

The department is trying to be peace keepers by building trust through transparency. The “Quality Care” unit hopefully will lower the crime activity and assist with addiction and drug issues.

The Summer Nights police basketball program was very successful. The police force will be using e-bikes on the bike path and when patrolling in the downtown areas. The canine unit consists of three dogs at the present time. Also provided a canine from the Animal Shelter for the “Adopt a Dog” program. This will likely continue.

The following statements have been taken from the department's website:

Mission Statement: Community First, Service Above Self, Integrity-Driven. One Interaction at a Time.

Vision: Striving for a safe and crime-free Rapid City.

Purpose: Provides law enforcement patrol and investigative services.
