Pennington County Sheriff Brain Mueller talked to the Members about all the different divisions that the County Police Force deals with.

They are seeing a big increase in Female prisoners. Ten years ago, they were about 10 percent of their prisoners, today they are about 25 percent.

To incarcerate a juvenile, it costs \$350.00/Day. To incarcerate an adult. It costs \$100.00/Day. They try to get the juvenile inmates a better education trying to keep them from becoming an adult prisoner.

10 years ago, they had about 70 Juveniles on average. Today they have an average of 25 a day.

They are now planning to increase the jail by 148 new units and upgrade the current jail.

SHERIFF'S MESSAGE

It has been my honor to serve as your Sheriff for the past 12 years and the pinnacle of my 44-year career in law enforcement. With a thankful heart, it's time for me to move on to the next chapter of life.

I did not realize law enforcement would become my life mission when I started at the age of 19. In reflecting back on my career, I'm grateful for the opportunity to serve all these years. Pursuing this calling was not without personal and professional challenges, but those are the things that mold us into who we are. Life is a tough teacher, oftentimes giving the test first and the lesson later. And in my experience, I've found this to be especially true for those of us in law enforcement and public service.

The Pennington County Sheriff's Office is full of men and women committed to serving others with compassion and respect. You are a great team, doing excellent work and faithfully providing a breadth of crucial resources to our community. Every day you stand between good and evil, supplying the highest quality of service even in the most challenging of situations. I am excited about the future of the PCSO and am confident you are in good hands.

My wife Gayle and I appreciate the support and friendships from you over the past 12 years. I wish you and your families well. Take Care and God Bless.

JAIL

COMMANDER ROB YANTIS The truest testament to our national decency are those local officers that we employ as civil guardians of individuals who have been arrested. Officers in charge of jails hold those individuals until the community through a system of objective judgment, can determine a course of action that will continue the safety of the community as well as to rehabilitate the offender.

A community is no greater than the conditions and the culture that exists to care for the accused offenders. Correctional Officers endure the grind of daily care for accused individuals entrusted to confinement in the facilities they supervise. They represent the best of society to those who are experiencing the worst consequence of civilized community.

24-7 PROGRAM **SOBRIETY**

PROGRAM DIRECTOR LUCAS OYLER The 24-7 Sobriety Program is a South Dakota program that is spreading across the nation. The goal is to keep people out of jail, while promoting accountability and allowing the client to maintain a job and family relationships. It is a payer-supported program designed to help clients work toward a life of sobriety.

A variety of testing is available from twice daily breath tests to urine tests and ankle monitors. The clients pay their own testing fees and accept immediate consequences for failure. Bottom line is that it works!

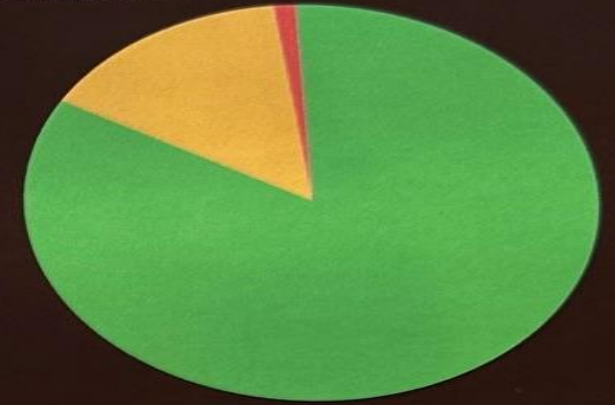

Twice a day, every day of the year, our Techs are available to help clients stay sober

Lines form daily from 6-8 am and pm for breath tests, and 6-7:30am and pm for urine tests

CARE CAMPUS

CHIEF DEPUTY WILLIE WHELCHER Lives were saved, relationships were created, and some of the highest utilizers of the Care Campus are no longer using the services at the facility. Through ongoing coordination and partnerships with community organizations, many familiar faces are now living in apartments or back with family, or due to health issues, in long-term care facilities.

In 2022, we identified a trend of an aging population using our facility. We also saw the highest increase of new individuals coming to our community from other states. We continue to work with community partners to help these individuals return to their homes.

Our bi-monthly coordination meetings grew from six representatives to more than 25 community organizations having meaningful conversations and working to develop solutions. The biggest success will be the completion and opening of Pivot Point to serve the behavioral needs of our region.

WESTERN SOUTH DAKOTA JUVENILE SERVICE CENTER

**COMMANDER
JOE
GUTTIEREZ**

Nationally accredited, Western South Dakota Juvenile Services Center continues to be one of three detention facilities in

the country to house federal juveniles. With a joint powers agreement, it serves as a regional youth detention facility for Pennington, Fall River, Custer, Meade, Lawrence, Butte and Harding Counties.

WSDJSC offers weekly programing to include corrective thinking, life skills, education, religious services, and vocational/career development. Some detainees also receive mental health counseling, chemical dependency and sex offender treatment. In 2022, community

volunteers presented drug and alcohol prevention, mental health, sex trafficking prevention, and Lakota talking circles and drum group.

The Juvenile Services Center offers alternatives to detention through electronic monitoring. In 2022, 123 juveniles participated in the electronic monitoring program for an average of 27 days. Located on campus, we continue our partnership with Lutheran Social Services (LSS) to run the Arise Youth Center. LSS offers alternatives to incarceration with a reception center, shelter care and evening reporting center. 636 juveniles were processed in 2022. 335 spent an average of 11 days in shelter care.

LSS operates the Street Outreach Program for homeless, runaway and street youth to help them find stable housing and services. In 2022 the program served more than 50 youth/families.

LOOKING TO THE FUTURE

New Sheriff

For the first time in 32 years, there was a contested race for Pennington County Sheriff. Long-time Chief Deputy Brian Mueller transitions into the top job after a 26-year career with the Pennington County Sheriff's Office.

Jail Updates

We are deciding how to best address an aging infrastructure along with needs for expansion. The first jail tower opened in 1990 and needs an internal overhaul (HVAC, plumbing, electrical) to extend its life another 30 years. Pennington County is also exploring long-term options for new property to consider an expansion of bed space.

Pivot Point

The 24-bed facility extension of the Care Campus opened in December and will be fully on-line in 2023. It is a new regional model of care that is the first of at least three such facilities across South Dakota.

- The close of our 2022-2023 year is now history and it was closed out in grand fashion with a fun filled convention. Not only the fun, there was also the opportunity to attend some outstanding education seminars in marketing, membership and more. If you were at International convention, you were able to bring home many ideas to share with the members of your club and it is now time to use those ideas as you look to the future***

***WHAT IS YOUR WISH FOR
COSMOPOLITAN INTERNATIONAL –
THE SKY'S THE LIMIT!***

International President Dick Gorton

- We are fortunate to have some really talented people serving as officers who will help with the implementation of our programs. Plus, you have Candy to help me and for that you are most fortunate! Most of you have had some contact with her as she contacted your clubs to update member rosters, current club officers, and names of members who have passed away this year for memorial recognition at the International Convention. Speaking of the International Convention, I can't remember the first convention Candy and I attended. It's been a few years ago. It may have been the convention in New Orleans; that was certainly a memorable one as we paraded down Bourbon Street complete with marching band! The conventions offer a number of opportunities and benefits. The first is to renew old friendships and make new ones. As a member of Cosmopolitan you will be able to participate in our business meetings and make decisions that are critical to our success. You will also visit some interesting places, places that you might not have seen if it were not for our conventions. Places like Gettysburg, New Orleans, Calgary, Rapid City, Omaha, Las Vegas, and Norfolk. Lastly, our conventions provide the latest information on what is happening with diabetes research and offer the opportunity to develop a new Cosmo project to help find a cure for this dreaded disease!
