- The close of our 2022-2023 year is now history and it was closed out in grand fashion with a fun filled convention. Not only the fun, there was also the opportunity to attend some outstanding education seminars in marketing, membership and more. If you were at International convention, you were able to bring home many ideas to share with the members of your club and it is now time to use those ideas as you look to the future***

***WHAT IS YOUR WISH FOR  
COSMOPOLITAN INTERNATIONAL –  
THE SKY'S THE LIMIT!***

## International President Dick Gorton

- We are fortunate to have some really talented people serving as officers who will help with the implementation of our programs. Plus, you have Candy to help me and for that you are most fortunate! Most of you have had some contact with her as she contacted your clubs to update member rosters, current club officers, and names of members who have passed away this year for memorial recognition at the International Convention. Speaking of the International Convention, I can't remember the first convention Candy and I attended. It's been a few years ago. It may have been the convention in New Orleans; that was certainly a memorable one as we paraded down Bourbon Street complete with marching band! The conventions offer a number of opportunities and benefits. The first is to renew old friendships and make new ones. As a member of Cosmopolitan you will be able to participate in our business meetings and make decisions that are critical to our success. You will also visit some interesting places, places that you might not have seen if it were not for our conventions. Places like Gettysburg, New Orleans, Calgary, Rapid City, Omaha, Las Vegas, and Norfolk. Lastly, our conventions provide the latest information on what is happening with diabetes research and offer the opportunity to develop a new Cosmo project to help find a cure for this dreaded disease!
