Club President Elect Kelly Whiting talked to the Members about changes the Civic Center would like to make when the Cosmopolitans Club is working at the Summit Arena.

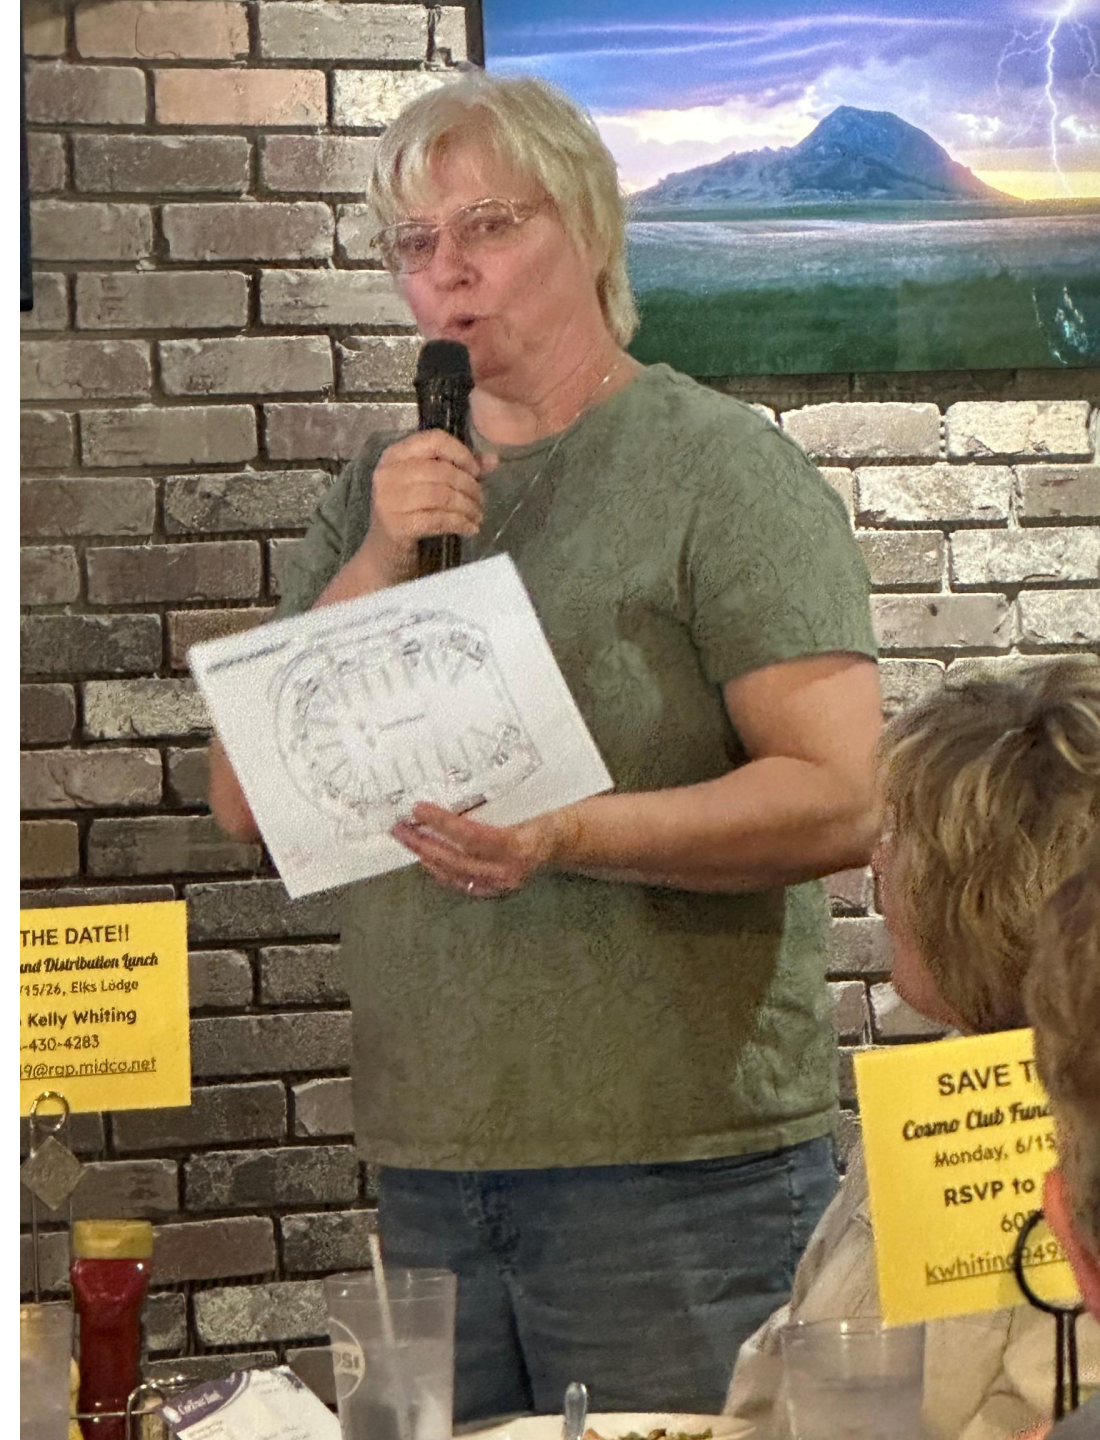

Club President Elect Kelly Whiting reported that the Civic Center would like the Cosmo's to be more involved in assisting attendees at events at the Summitt Arena, such as assisting them to find seating areas and restrooms etc.

The Civic Center has made this request because they have seen how well the Cosmos interact with attendees in the Fine Arts Theater and the Ice Arena. We will do a trail run at the Weird Al Yankovic event on June 24th.

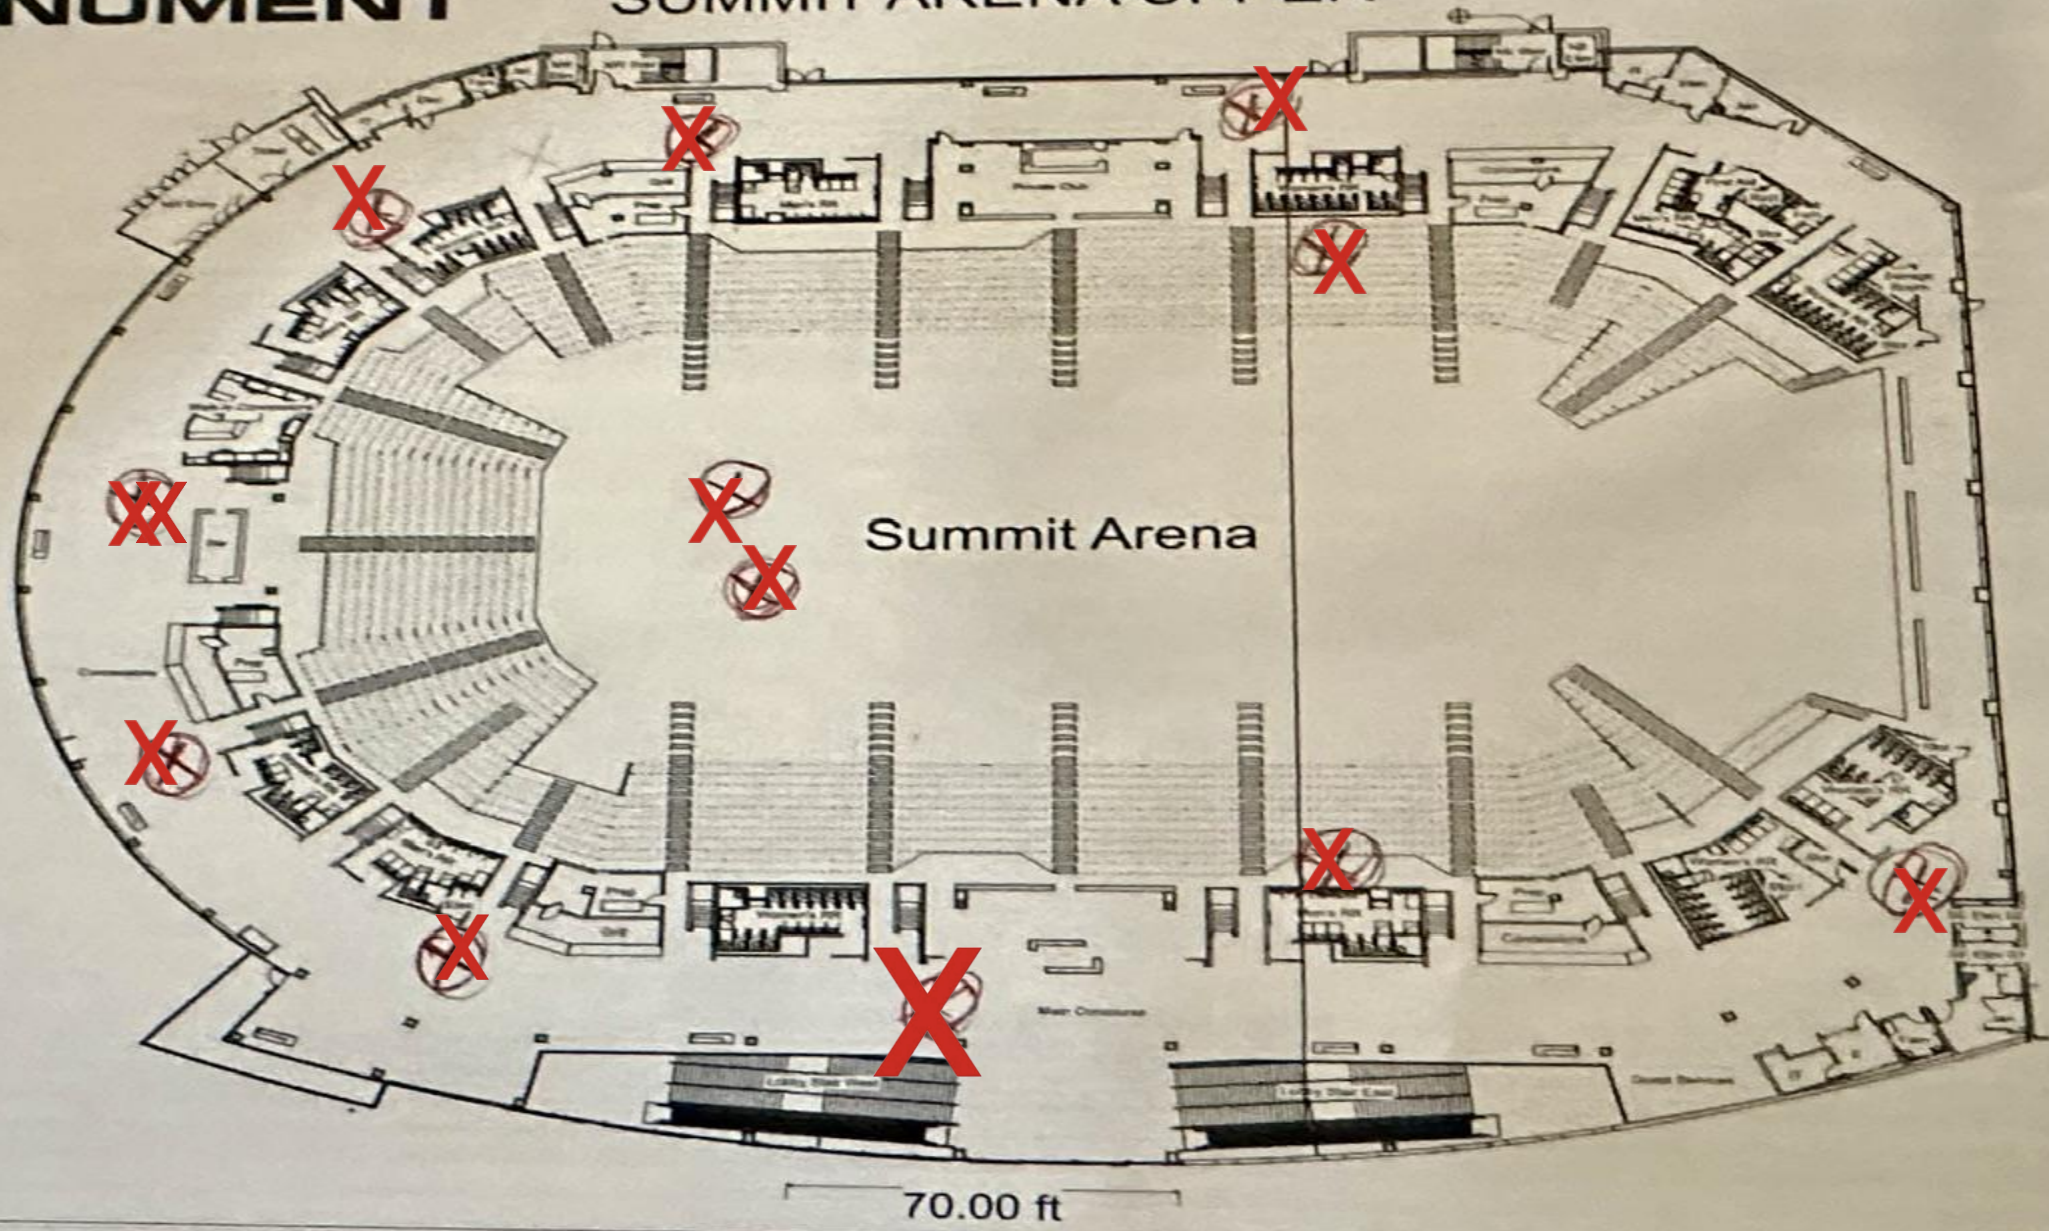

Club Member Lori Whiting showed the Members a map of where the Civic Center would like the Cosmos to be assisting attendees and answer their questions.

The background of the image is a photograph of the Sioux Falls State Capitol building at dusk. The building is a large, classical-style structure with a prominent central dome and a portico with columns. The sky is a deep blue, and the building's lights are on, creating a warm glow. There are some trees and streetlights in the foreground, and a few cars are visible on the street.
