Happy New Year to everyone

It is hard to believe we are already halfway through the 2024-25 Cosmo Year. Continue to be "Accountable" to your club, your federation, and your community.

What a great opportunity to leave the old behind and have a fresh start to something new. As an organization we will go through change and that change will only make us stronger. There are a lot of great things happening with Cosmopolitan International and your Board has been diligently working on our President's plan to accomplish what he has set out.

Hope everyone had a wonderful Christmas and enjoyed the season!!
