PLEASE HELP US
KEEP IT CLEAN

Special thanks to everyone that was able to help out with the (short notice) cleanup day! We made good use of everyone that helped out and most everyone got a donut or treat.. I did bring home a wood tick, as Rob mentioned there might be a few out! Again, thanks for everyone's help and hopefully we can get another round of cleanup in the fall. Be sure and check out the photos that Mr. R. Gunn has on the CR site!

Grateful,

John Duffield
