

Adria Poindexter

Adria Poindexter was inducted onto the TRVFA Board in 2023. She had been the point person for the Rotary Club of Glendale in regards to interviewing and approving applicants for TRVFA grants for several months prior to joining the Board.

Adria's background in recruiting made her a great candidate for this role, as she finds it easy to talk to people and dig into their backgrounds, goals and ambitions.

Adria has been involved in Rotary since 2007 and is passionate about service. Currently not working, Adria has committed to Rotary District 5495 as an Assistant District Governor and loves what she does.
