

Allan Cady

Allan is retired. He had a 38-year career in the automotive industry, retiring an auto dealership group CFO.

A member of Mesa West Rotary Club, Allan has chaired three very successful sponsorship campaigns raising funds to support the club's charitable activities. Allan hopes to build upon the Club fundraising success and take TRVFA to another level.

Allan and his wife Polly, who is also a member of Mesa West Rotary, have enjoyed "Rotary tourism," attending Rotary International Conventions, participating in Mesa West Rotary's Gift of Hearing project in Guaymas, Mexico, and participating in several USA/Mexico Friendship Conferences.

Growing the capacity of The Rotary Vocational Fund of Arizona to serve more students and to serve individual students more generously is a passion for Allan.
