

COMMONLY ASKED QUESTIONS

Q. Is there a limit to how many applicants a Rotary Club can sponsor?

- a. There is no limit, but since we ask that clubs do maintain relationship with grant recipients and alumni, please ensure all relationships are managed responsibly.

Q. Does the sponsoring Rotary Club have a financial obligation?

- a. No, they do not have any obligation for the grant. However, since grant applicants are of limited financial means, if you invite the grant applicant/recipient to attend a club meeting or social event, it would be appreciated if their meal or attendance costs could be covered by the club or a generous club member.
