

Dennis Haberer, Chairman of the Board

Dennis Haberer has been a member of Scottsdale Sunrise Rotary Club since March, 2002. He has served as their Club Secretary, and served two terms each as Vocational Service Chair and Club President. Dennis has served two terms as Vocational Service Chair for District 5510.

Dennis retired in 2006 from a 40-year career in sales and sales management, primarily in the ophthalmic industry.

In 2009, Dennis joined the board of The Rotary Vocational Fund of Arizona (TRVFA). Dennis says,

“I am passionate about The Rotary Vocational Fund of Arizona because we are so fortunate in this state to have the opportunity to direct a significant amount of our state tax liability to help educate those less fortunate with vocational skills that will provide financial stability for them and their dependents. Unlike so many charities, TRVFA provides skills for a life time rather than a temporary fix. It is so gratifying to see how so many of our grant recipients use their TRVFA assistance to propel them in their chosen careers.”

Vocational Service is one of the five Rotary Avenues of Service. Dennis can think of no better way to celebrate vocational serve than to donate to TRVFA as it does not cost the donor anything.
