

ROTARY VISION STATEMENT

Together, we see a world where people unite and take action to create lasting change across the globe, in our communities, and in ourselves.

Together, we see a world where people unite and take action:

Rotarians came **together** in 1990 to form the Rotary Vocational Fund of Arizona, Inc. The Rotary Vocational Fund of Arizona, Inc. **united** all Rotarians in the State of Arizona to **take action** by simply giving students an opportunity to realize their dreams. Through completion of vocational training, they can look forward to earning a living wage to support themselves and their families.

To create lasting change:

As a Rotarian in Arizona, **YOU** can **create lasting change** not only in the lives of qualified adults but the lives of those who depend on them for support.

The grants issued by the Rotary Vocational Fund of Arizona, Inc. pays only a portion of the educational cost. The student is responsible for the rest of the cost.

Across the globe, in our communities, and in ourselves.

By contributing to the Rotary Vocational Fund of Arizona, Inc. you are not only making a difference in our **communities**, but in **ourselves**.
