

Steve DeMar, Treasurer

The Rotary Vocational Fund of Arizona

Steve is a member of the Rotary Club of Anthem, joining it in 2009.

Since then, he has been:

- The Vocational Service chair of the Anthem Rotary club since 2011.
- On The Rotary Vocational Fund of Arizona Board of Directors since 2012.
- The District 5490 Vocational Service chair for the 2016-2017 Rotary year.
- On the District 5495 Leadership Development Committee.

Steve works for Wells Fargo, in Phoenix, for the Small Business Lending Operations division as an Analytics Consultant, and has worked in computer technology for the past 37 years.

Steve enjoys trail running, mountain biking, audio books, travel, and baseball.

He is committed to the TRVFA mission because, although many Rotary Clubs are willing to give University scholarships to qualified students, it is more difficult to find, qualify, sponsor, and support vocational training for qualified and motivated adults. The benefit to the TRVFA grant recipients is immediate, significant, and changes lives.
