Letter from the Operating Chair

Welcome Rotary Club Leaders:

Congratulations on being selected President of your Rotary club. Whether you will serve as president starting in July or have another year of preparation, Lone Star President Elect Training Seminar is the starting point for the very best Rotary year possible. Your presence here at Lone Star PETS demonstrates your commitment to be the best club president possible. You will be exposed to some of the best that Rotary has to offer. World class speakers, close interaction with a great facilitator team, and getting to know your peers are just the beginning. Open your mind and learn! This could be one of the best experiences you will ever have!

We are dedicated to giving you every opportunity to gain the knowledge and information you will need to be a successful club president. Lone Star PETS as an institution has over 30 years of experience in preparing club leaders but that experience pales in comparison to the commitment to learn every year from the prior years' experience and make PETS a little better each year.

You will be joined in this experience by Presidents-Elect and Presidents-Nominee from over 520 clubs in Texas and Oklahoma. You will develop many new friends and mentors and come away with more new ideas than you can possibly use.

One of the best parts of Lone Star PETS is the world class speakers we host every year. You will experience senior leaders in Rotary like RI President Elect Holger Knaack, Past RI President Rick King and Past RI Director Larry Lunsford. You will also be inspired by Tulsa Rotarian and Rev. Dr. Mouzon Biggs and Oklahoma City Rotarian and former Rotaractor David Postic. Don't miss any of these great speakers.

The Lone Star PETS Board of Directors are prepared to serve you. We look forward to being part of your growth in Rotary!

Yours in Rotary Service,

PDG John Jetter\Operating Chair, 2020
