Rotary | 2027 Lone Star PETS

PRE-PETS NEWSLETTER

Dear Presidents-Elect,

Congratulations on being selected to lead your Rotary Club in 2027–2028! What an exciting milestone. Lone Star President-Elect Training Seminar (PETS) is here to equip you with the knowledge, confidence, and inspiration you'll need to guide your club, energize your members, and carry forward the good works of Rotary with compassion, creativity, and integrity.

Your PETS experience begins with optional elective sessions on Thursday evening, February 25, 2027, followed by the official Rotary International Presidents-elect curriculum on Friday and Saturday, February 26–27. Mark your calendars now—this event is designed entirely with you in mind.

As you prepare for your year as Club President, one of the best ways to hit the ground running is to build a strong foundation of Rotary knowledge. Fortunately, Rotary International makes this easy with its excellent online Learning Center—an engaging, user-friendly resource that turns preparation into discovery.

Each month, Lone Star PETS will send you recommended Learning Center modules to complete before PETS. These modules are short, practical, and easy to work through. By tackling just a few each month, you'll arrive at PETS confident, informed, and ready to lead with purpose.

Your District Governor-Elect will also reach out before PETS with additional guidance, including district goals, plans, and priorities for 2027–28. Staying connected with your district leadership team will be an important part of your preparation.

Please review the hyperlinked suggested timeline for the Club President Essentials Learning Plans. We ask that you complete Club President Essentials 1, Sessions 1–4 by October 30, 2026. If you're eager to work ahead, the full list of sessions for both Learning Center plans tailored for Club Presidents is available in the timeline.

On behalf of the Lone Star PETS Board of Directors and our planning committees, we look forward to welcoming you at the DFW Hyatt, February 25–28, 2027. It's going to be an inspiring and energizing experience—and we can't wait to meet you.

Warm regards,

Amy Killgore
Past District Governor, District 5910
2027 Lone Star PETS Pre-PETS Coordinator
