A one-time initial login and privacy policy acceptance on a computer may be required to set it up correctly.

To get started:

- Download the app: Search for "RotaryLearn" in the Apple App Store or Google Play Store and download it.
- Log in: Open the app and enter your My Rotary username and password.
- Initial computer login: If you are a new user or have never accessed the Learning Center, you may need to log in through a computer first to accept the privacy policy before the mobile app works correctly.
- Start learning: You can now take role-based courses, view your progress, and explore other resources directly on your phone.
- Remove the old app: After getting started with RotaryLearn, you can remove the older Go.Learn app from your device.

HOW DOES YOUR CLUB DO BUSINESS?

Each club should have its governance documents accessible to its members. A good practice is to review these documents annually and update them when necessary. Recommended Rotary Club Bylaws provide structure and help clubs govern themselves according to RI's policies and procedures. Clubs can tailor the club bylaws, provided their changes align with Rotary's constitutional documents and the Rotary Code of Policies. Learn more about the recommended bylaws here.
