

**11th Annual Safe Patient Handling Conference
Workforce Development Institute (WDI) Scholarship Application**

The following information must be provided in order to be eligible for this opportunity.

All applicants will be notified through email whether they are granted or denied a scholarship. Do not register for the conference until you receive the email. Those granted a scholarship will be given specific registration instructions.

Completed applications must be emailed to SPHinNYS@gmail.com. Scholarships will be awarded on a first come first served basis and apply to members of unions that belong to the Zero Lift Task Force. When all scholarships have been awarded the application period will close.

PEF and Sate level CSEA members should contact their union leaders for other funding opportunities.
