Every club is committed to doing service that is close to its heart and crucial to its community. To ensure that our mission of service is carried forward, we have created award-winning programs for people of all ages and abilities. We also join in global projects to effect change in communities around the world.

WHY JOIN US?

Kids need us. Kiwanis clubs help kids reach their full potential.

It feels good. There is no better feeling than serving your local community and bringing hope and opportunity to families, neighbours and friends.

A chance to lead. Take the lead on service projects or opportunities within your club or district. Grow from the experience of motivating others.

Fellowship. It's an opportunity to get together and network with like-minded people.

It improves your health. Research shows that helping others makes us happier and more satisfied in life.
