## Specialty Coffee

We source and offer only the finest **specialty coffee** from Colombia. We work directly with local coffee farmers who take pride in their craft and produce high-quality coffee beans using regenerative farming practices. Our dedication to specialty coffee ensures that you can enjoy a truly exceptional coffee experience every sip

## Peace-building Impact

Coffee is a powerful tool for **peace-building**. Colombia has a history of violence and conflict, and many coffee farmers have been affected by it. By drinking Pazifico Coffee you make a positive impact on the lives of coffee growers in Colombia by supporting initiatives that promote peace, social justice, and economic development in coffee-growing regions.

## Well-being Movement

Coffee is more than a beverage, it can become a keystone habit for a happy life. We are creating a **well-being** movement, anchored in small daily habits, like coffee. In the same way you drink your coffee daily, we are nudging you to engage in small science-based activities that will increase your well-being. Habits like better sleep, movement, drinking more water, and more. Join us for a happy-productive life!
