A close-up photograph of a piece of brown, textured cardboard. A jagged, irregular hole has been torn through the cardboard, revealing a white surface underneath. On the white surface, the words "TELL ME..." are printed in a bold, black, serif typeface. The text is slightly angled upwards from left to right. The edges of the cardboard are rough and fibrous, showing the internal structure of the material. The lighting is warm, casting soft shadows and highlighting the textures of both the cardboard and the white background.

**TELL ME...**

Together, we see a world where people unite and take action to create lasting change—across the globe, in our communities, and in ourselves.
