

Dear Community Partner,

We are proud to be celebrating 20 years of the Conroe Noon Lions Club Community Partner program and your support over the years has meant the world to us. Our partnership program continues to be the foundation for all our community service and charitable initiatives, and we're deeply grateful for your commitment.

For your convenience we have created a one-page Community Partnership renewal form to streamline enrollment. Please remember that our Knights of the Blind partnership remains our premier tier, offering the most comprehensive benefits. You'll find all participation levels and their respective amenities detailed inside.

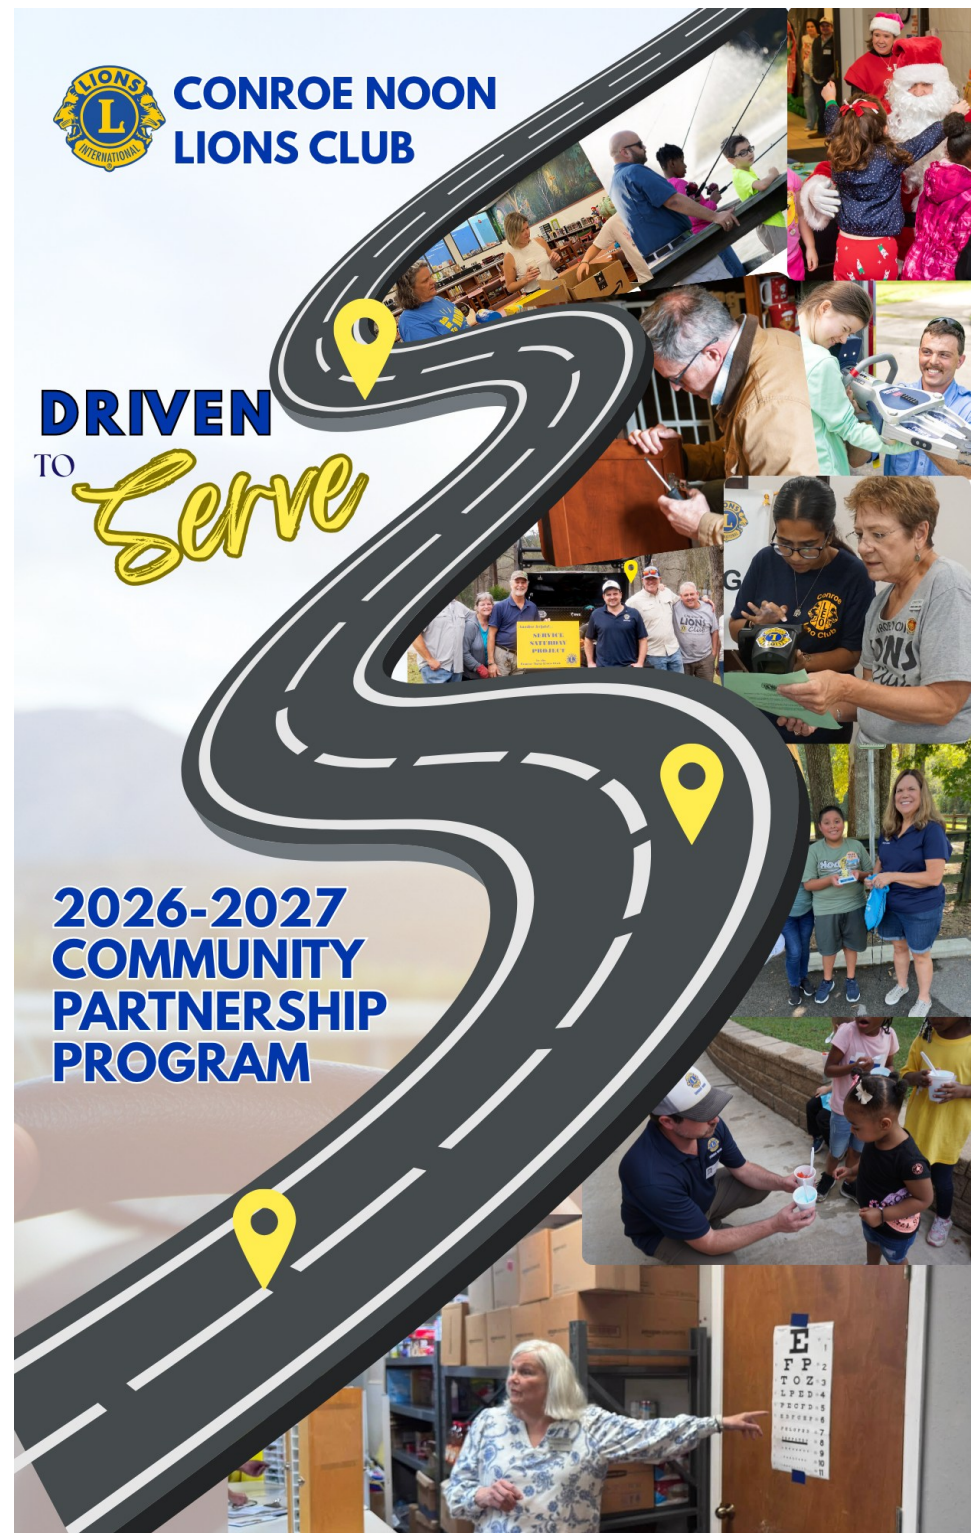

If you'd like the complete booklet with detailed descriptions of each partnership level, just reach out to us. In the meantime, please take a moment to fill out this form in full. It's important that we have your most current company details, particularly email addresses, since we rely on email for program updates and critical event announcements. Also, if you're participating at the Knights of the Blind (\$3,000) or Guiding Light (\$1,800) level, please forward your updated company logo (if it has changed) at your earliest convenience.

You should feel proud knowing as a 2026-2027 Community Partner you are helping to 'Drive Service' in our community. We truly appreciate your continued partnership and support.

Sincerely,

Sharene Carr
President
